Subject: Trip to Jeddah

Dear Jeh,

I'm really looking forward to your visit this weekend in Jeddah, I think your visit is very important. Your early afternoon arrival gives us the chance to have my senior team and I provide you with a short brief, which will provide strong context for your MOI meeting later in the evening. I'll have key members of my senior staff ready at a secure space in the Consulate to supplement the brief after you arrive.

(b)(6)

As you know, we've also got General <(b)(6)> arriving on Sunday afternoon, so I appreciate you accommodating the brief upon arrival so I can get back to the airport to welcome the Chairman.

Safe travels my friend and see you on Sunday,

Joseph W. Westonal
Ambassador
Embassy of the United States of America
Riyadh, Saudi Arabia
Riyadh is Seven Hours Ahead of EDT
Workweek is Sunday - Thursday
