For further information of Las Vegas, LISTON, during his residence in Denver, Colorado, was contacted by the FBI on two occasions and during the latter contact, in the fall of 1965, exhibited a highly antagonistic attitude and refused to talk to Agents.

In June, 1964, Denver FBI Agents contacted LISTON concerning an extortion threat in regard to CASSIUS CLAY and LISTON, and during this contact appeared cooperative after he was told the purpose of this interview. During this contact he inquired of FRANK "BLINKY" PALERMO and even inquired as to when PALERMO would possibly be released from the penitentiary. Previous Denver investigation has determined LISTON is a heavy drinker on occasions, a ladies man, and a gambler who enjoys shooting dice. He has few close associates and spends a considerable amount of time with _______ a gambling establishment located in the Five Points Area of Denver where LISTON reportedly lost large sums of money.

Denver is forwarding, under a separate matter, copy of a Denver report entitled, aka - ITAR - GAMBLING, Denver file 166-119, Bufile 166-1774. Denver plans to interview in the near future and if he furnishes any information concerning LISTON's hoodlum association and his being involved in fixed fights, this matter will be furnished to the Bureau and to all other appropriate offices.

For further information of Las Vegas, LISTON was born in Little Rock, Arkansas, sometime around 1932 and 1933 and reportedly was one of twenty-five children. He has spent most of his time in the St. Louis, Missouri, and Philadelpha areas prior to moving to Denver and was reportedly controlled by St. Louis hoodlum JOHN VITALE while in St. Louis, and FRANKTE CARBO and FRANK "BLINKY" PALERMO while in the Philadelphia area. He also. in the past, has been associated with

fight promoter and associate of SAM GIANCANA, and was at one time managed by JOSEPH BARONE, a front man for PALERMO who was a known Philadelphia hoodlum.

Denver is not contemplating any further contacts with at this time since even though he appeared cooperative, he could not furnish any definite facts concerning LISTON's being involved in fixed fights or his being controlled by the hoodlum element.

Former Denver PCI, was contacted on a fugitive matter June 13, 1966, and who was a to LISTON, volunteered that LISTON had moved to Las Vegas. Nevada from Denver because of his association with one who is connected with the Stardust Motel in Las Vegas. further volunteered that he was present at the second CLAY-LISTON fight, seated in the front row, and that CLAY definitely hit LISTON with a good right hand which caused LISTON to be knocked down, and stated that he definitely did not think LISTON ever laid down in any fight.	b6 b7с b7D
LISTON to Denver and inasmuch as he promoted the LISTON-FOLEY fight which was held in Denver in 1962. He pointed out that up to that time, LISTON was having a difficult time getting fights and that he was able to arrange for this fight by giving FOLEY a large percent of the gate. He pointed out he was well aware LISTON was controlled by the hoodlum element and knew from his association with LISTON that LISTON took orders at one time from FRANK "BLINKY" PALERMO. He stated when he arranged for the LISTON-FOLEY fight, he had to make all of his arrangements for LISTON through of Philadelphia. He pointed out even though LISTON was controlled by the hoodlum element at this time the hoodlum element, however, was not powerful enough to set LISTON fights and definitely / could not force FLOYD PATERSON to fight LISTON in order that they could control the heavy weight championship.	b6 b7C b7D
He further advised he had never made any personal gain through his association with LISTON but did have a verbal agreement with LISTON that after the CLAY fights, LISTON, if still heavy weight champion, would fight for in Denver, Colorado.	ъ6 ъ7с
further volunteered that LISTON was not too smart and never in the past had a manager who was really interested in LISTON as a fighter and therefore, would be of	

assistance to him, especially one who could be in LISTON's corner and help him during fights. He pointed out that inasmuch as LISTON was controlled by the hoodlum element, all of LISTON's trainers had a very small piece of the action and therefore, had no real financial interest in him as most other trainers have in fighters.

He pointed out LISTON when fighting with CLAY
in Lewston, was given no assistance in his corner during
this fight, when he was badly in need of a good professional
trainer stated just prior to LISTON's moving to
Las Vegas, LISTON approached him and asked him if he would
care to become his manager and at the time informed him he
was no longer owned or controlled by anyone, and that he
would go to court to prove this to if was
interested in becoming his manager. He advised in the past,
he had been approached by LISTON on this same matter but
turned down this offer inasmuch as LISTON admitted he was
controlled and owned by the hoodlum element. He further
advised that LISTON at one time told him that PALERMO sold
his contract to the brothers when PALERMO was in need
of money to pay his lawyers as result of his conviction in
United States District Court, Los Angeles, on extortion
charges. stated he had turned down LISTON's recent
offer inasmuch as he is now operating a prosperous Mexican
food business, and is in the process of granting franchises
for this business for various individuals located throughout
the Rocky Mountain and West Coast areas.
·
He further advised that LISTON is presently in
Europe where he plans to box a fight and according to LISTON
is now managed by a Denver attorney, who is
with LISTON in Europe.

PCI during a recent contact, advised
that on the day LISTON left for Las Vegas, he visited her
residence and had in his possession

Bank of Denver, volunteered in confidence, information on June 7, 1966, that LISTON has a savings account at his bank and presently has \$25,631 in this account.

He stated in May, 1966, LISTON deposited \$25,000 and in the past has had as much as \$75,000 in this account. He also stated that LISTON, who now resides at 2858 Ottawa Drive, Las Vegas, Nevada, still is keeping his accounts at this bank, and also has a checking account which currently has over \$2,000 in it.

By letter dated 3/26/64 Selective Service Headquarters forwarded an anonymous letter and envelope addressed to the Director of Selective Service. The writer expressed contempt for Cassius Clay in general and he objects and fact that Clay was turned down for Army service. Writer states "If someone swift have a 30-30 on Clay if he ever enters a ring, the blame is on the members who passed the rotten decision." This letter was postmarked 3/21/64 at Philadelphia, Pennsylvania. It is noted that previous letters postmarked at Philadelphia threatening Clay's life directly were sent to the Bureau and to Walter Winchell. Philadelphia is now conducting investigation concerning these previous letters. We have previously advised Clay concerning the threatencentained in the letter directed to the FBI.

The Laboratory should examine the original anonymous letter attached hereto and in this examination attempt to determine if there is any connection with the letters received in case captioned "Frankie (carbo) Lanza; Cassius Clay - Victim, Extortion."

The Latent Fingerprint Section should conduct an appropriate examination concerning any latents which may be found on the anonymous letter in accordance with the above.

NOTE:

On 3-5-64, a letter postmarked 3-4-64, at Philadelphia, Pennsylvania, addressed "Personal to FBI Washington, D. C.," was received at the Bureau. The letter was handprinted and contained the statement: "some day when <u>Cassus</u> Clay rides in an open car I will assassinate him with my telescopic rifle." Philadelphia is conducting investigation concerning this matter and we have advised Clay of the threat contained in the letter received at the Bureau.

The letter addressed to Mr. Winchell is similar to the one directed to the FBI. Inasmuch as we have previously advised Clay of the threat contained in the letter addressed to the Bureau, it does not appear necessary to advise him of this similar threat mailed on the same day from Philadelphia.

The letter received by Mr. Winchell was forwarded to the Bureau by Mr. Winchell in an envelope and no letter or note was received from him; therefore, it does not appear necessary to acknowledge receipt of this extortion letter.

The original letter received by Winchell is attached hereto for forwarding to:

- 1. The FBI Laboratory for appropriate examination.
- 2. The Latent Fingerprint Section for appropriate examination.

At the conclusion of these examinations, Philadelphia should be advised of the results and the attached letter forwarded to Philadelphia.

Result of examination:

Specimens Q1 and Q2 were searched through the Anonymous Letter File without making an identification. Copies of this material will be added to this file for future reference.

It was concluded that the hand printing appearing on the envelope Q1 was not prepared by the writer of the hand printing on the evidence received in the case entitled "Frankie (Carbo) Lanza; Cassius Clay - Victim; Extortion." The handwriting on the letter Q2 is not comparable with the hand printing on Q1 or with the hand printed material in the Lanza case.

No watermarks or other identifying characteristics were noted to indicate the possible source of the paper comprising Q1 and Q2. Q1 and Q2 were examined for indented writing with negative results. The stamp appearing on the envelope Q1 originated from a sheet of stamps.

EXTORTION

Synopsis:

CHARLES "SONNY" LISTON, heavyweight boxer, interviewed and advised no knowledge of possible suspect who may threaten CLAY. LISTON advised of receipt of numerous "crank" letters from irate boxing fans. USA, EDPA., advised that although the two pertinent letters constitute a technical violation of the Extortion Statute, the letters concern an individual who would be in such a position to be the recipient of "crank" letters. USA declined prosecution as the instant letters appear to be the "crank" type.

On June 2, 1964. Mr. DETAILS: was recontacted at which time he advised nothing has come to his attention since last contacted which would appear pertinent to this investigation. On June 18, 1964, Mr. advised nothing pertinent has come to his attention concerning CASSIUS CLAY since last contacted in this matter. On June 19, 1964 personal affairs manager, and ARNOLD GIVONETTI both advised nothing has come respectively, to their attention which would appear pertinent to this investigation. Both stated that crank letters and calls from irate fans are not uncommon.

CHARLES SONNY LISTON, former World Heavyweight Champion, was contacted at the AMID Karate Club, 1019 South Gaylord, Denver, Colorado, where he is presently training and advised of the threatening letter received concerning CASSIUS CLAY signed by FRANKIE (CARBO) LANZA.

Mr. LISTON, who resides at 3395 Honaco Parkway, Denver, phone 333-8193, advised he was not acquainted with anyone by the name of FRANKIE (CARBO) LANZA and could furnish no information as to the identity of any individual who would threaten CASSIUS CLAY.

Mr. LISTON pointed out that he is familiar with most of the boxing element in the Philadelphia area but once again said he could not recall ever meeting or hearing of one FRANKIE (CARBO) LANZA.

He stated he was acquainted with and knew of one FRANK CARBO but not FRANKIE (CARBO) LANZA.

He stated he had just read in the paper the past day that FRANK CARBO and BLINKI PALERMO had their appeals concerning their recent extortion case turned down by the United States Supreme Court within the last few days and as a result thought both CARBO and PALERMO would now be incarcerated in a United States penitentiary.

Mr. LISTON further advised that after winning the Heavyweight Championship from PATTERSON, he received numerous "crank" letters from people throughout the United States but none of these letters contained any threats of physical harm to him.

We pointed out that he still does, on occasion, receive a crank letter from irate boxing fans, and that in the event he ever did receive any letter which contained a threat of physical harm to him, he would immediately notify the Denver FBI Office.

PH 9-2492

On July 8, 1964, the facts of this investigation were discussed with Assistant U. S. Attorney Eastern District of Pennsylvania, at which time he advised as follows:

Although the two letters in question appear to be a technical violation of the Extortion Statute, they appear to be "crank" letters concerning a person who is in such a position to be the recipient of such "crank" letters. He said that he would decline prosecution as he feels the letters are of the "crank" type.

Muhammad Ali was interviewed at the Beverly Wilshire Hotel, Suite 600, Beverly Hills, California. in the presence of and and Ali provided the following information regarding and Muhammad Ali Professional Sports (MAPS):	Ь6 Ь7С
Ali believes he met sometime in 1971 or 1972. Several years ago, approached him about using his name to sponsor an amateur track club. was sponsoring as well as ten or fifteen other young track stars. With the aid of Ali's name, was able to put on a successful track meet in Los Angeles which received good television coverage. Ali said he thought this was a very positive thing for young men and women to excel in sports and see them wearing his name on their outfits. Ali thought was doing something positive especially for the black youth of the country.	ъ6 ъ70
After the successful track club, also started a boxing club to help promote young amateur fighters. This was also a success. Ali said he traveled with the amateur team on a tour to Australia and New Zealand approximately two years ago. After both the track and boxing clubs got going, told Ali that he wanted to start in professional boxing promotions. This was to be called MAPS. The idea behind MAPS was bring promising amateur fighters from Muhammad Ali Amateur Sports (MAAS) (the boxing club) into professional boxing and instead of managing the fighters, MAPS would just promote their fights.	ъ6 ъ7с
Ali did not own any interest im MAPS or in MAAS and did not invest any funds into them: Ali just allowed to use his name for a fee. Ali was to receive \$10,000 to \$15,000 for televised events of MAAS and 25% of the net profit of events sponsors by MAPS. Ali said that in addition to those payments he also received \$200,000 for going to Australia and New Zealand with MAAS and \$200,000 for making an appearance at the fight in August 1980, in Detroit. Ali said from time to time would bring fighters to his house to meet him.	ъ6 ъ7С

Nothing of particular significance was noted which would suggest that additional known handwriting samples prepared by the writers of K7 and Kc8 should be obtained.

- Q17 First page of accompanying handwritten and hand printed letter dated "April 29, 1969." beginning "William Clayton Powell: Well, black..."
- Q18 Second page, beginning "Next on the list..."
- Q19 Thirddpage, beginning "We will broil that..."

Result of examination:

A search of Q16 through Q19 in the Anonymous
Letter File disclosed specimens Q1 through Qc15, which were
previously submitted. Qc14 and Qc15 were submitted by
Minneapolis on 1/31/68, under the caption "Molotov Cocktail
Burned Front of Residence of
Minnesota, January 24, 1968;
Racial Matters; Extortion." The other previously submitted
questioned specimens involved other victims.

The conclusion was reached that the handwriting on Q17 through Q19 was written by the writer of the handwriting on Q2 through Q7, Q13, Qc14, and Qc15 (submitted previously).

Some hand printing also appears on Q17 through Q19. Due to an insufficient amount of comparable writing, a definite conclusion was not reached whether the hand printing on Q16 and the hand printing on Q17 through Q19 were written by the writer of any of the other questioned writing in this case. Similarities were found in the hand printing on Q16 through Q19 with the hand printing on Q1, Q8, and Q10 through Q12 (submitted previously).

Q16 through Q19 are being returned separately. These specimens were photographed.

Minneapolis PD and U.S. Secret Service are currently conducting an investigation in an attempt to identify letters which have been directed to the Minneapolis Mayor, a sample of which is enclosure #L, and former vice-president HUMPHREY, a sample of which is enclosure #2. NAFTALIN and HUMPHREY have been recipients of similar letters over a period of years, and it appears that the same individual is responsible for the letters which have been directed to HUMPHREY, NAFTALIN, and those included in Bureau file #9-44386.

Enclosure number 6 to the Minneapolis "Star" also appears to have been written by this same individual. It is noted the name and address on this envelope are fictitious.

The following investigation is requested of the Laboratory:

Enclosures 1 and 2 should be compared to previous items submitted to determine if they have been prepared by the same individual;

Enclosure 6 should be compared to previous items submitted to see if it was prepared by the same individual and to see whether any indented writing is present.
