Re: Response to Public Records Request 2406

Dear Mr. Marshall:

This letter further acknowledges and responds to your public records request received by the Tacoma School District on December 5, 2016. It is my understanding that you are requesting the following records:

1. Any and all records related to expenses incurred by or approved for the inception, maintenance, propagation and advertising of an "After School Satan Club" at Point Defiance Elementary School, including but not limited to purchase orders, contracts, proposals, invoices, receipts and agreements.
2. Any and all emails sent between and among Point Defiance Elementary School administrators, teachers, Tacoma School Board officials, and officials of the Tacoma Public Schools regarding the Point Defiance Elementary School "After School Satan Club."
3. Any and all emails sent between and among Point Defiance Elementary School administrators, teachers, Tacoma School Board officials, and officials of Tacoma Public Schools and officials, representatives and/or employees of The Satanic Temple of Seattle.

Enclosed is another installment of records, responsive to Item No. 2 of your request. Also enclosed is an updated Exemption Log identifying records that have been redacted and the reason for the redactions.

I continue to search for and prepare any additional records responsive to your request and still estimate that I will have additional records available for you by February 27, 2017. This estimate is based on the number of previously pending public records requests that our office is responding to, the time needed to locate and assemble the records requested, the need to determine whether any of the records are exempt from public disclosure in whole or in part, as well as other work for which I am responsible. I will contact you no later than February 27, 2017, regarding the status of your request and expect to have additional records available for you at that time.

William F. Marshall

Dan,

Good morning.

I was wondering if any kids/parents had signed up for the club yet. (was reading an article that indicated parents had to sign their kids up for the group)

Thanks,

Cynthia Wise

Subject: After School Satan

Sent: Thu, 25 Aug 2016 15:56:58 GMT

Have you looked at the web page for After school Satan? This is one of the answers on their FAQ page

How do I start an After School Satan Club in my school district?

If there isn't a chapter of The Satanic Temple near you, but you're interested in starting an After School Satan Club in your school district, please contact [The Satanic Temple](#). Please keep in mind that The Satanic Temple is not interested in operating After School Satan Clubs in school districts that are not already hosting the Good News Club. However, The Satanic Temple ultimately intends to have After School Satan Clubs operating in every school district where the Good News Club is represented.

If they really want to get their message out to kids it seems kind of odd that they would only be targeting schools with a Good News Club; one would think that they would want to start clubs anywhere there is an ***interest*** in them.

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

General Rules for Use of School Facilities

1. Applicants will provide proof of insurance for \$1,000,000.00 combined single limit comprehensive general liability insurance for bodily injury, with the Tacoma School District named as an additional insured. Certain activities may require additional insurance at the District's discretion based on the nature and scope of use. Contact the Maintenance and Operations Department at (253) 571-3313 regarding insurance coverage questions. The group in whose name the use permit is issued is responsible for damage done to District property and for restitution of such damage.
2. The applicant/user organization shall defend, protect, indemnify and hold the District, its officers, employees and agents harmless from any and all liabilities or rights of action directly or indirectly arising out of the use of the premises covered by the Building Use Request.
3. The District is not responsible for losses of personal property by individuals or groups during an approved building activity.
4. The Board of Directors reserves the right to revoke any authorization issued for the use of a school building or grounds and if rental has been paid, to refund such rental less expense incurred by the District in connection therewith.
5. So long as the District allows outside groups to use its school buildings, grounds and facilities, it will provide equal access to the Boy Scouts and other designated youth groups. The following district official has been designated to handle inquiries regarding the Boy Scouts of America Equal Access Act: Chief Operating Officer, P.O. Box 1357, Tacoma, WA 98401-1357 (253) 571-3300.
6. Per Building Use Regulations, requests must be presented at least 30 days in advance of date desired but no more than 60 days in advance. Special consideration may be given to those groups with future calendar deadlines.
7. Per Building Use Regulations, no group will be authorized for more than two (2) times a week, if other groups are requesting the facility.
8. By signing this form, Applicant agrees to be financially responsible for any charges incurred. No requests for reductions in the rental fees or extra costs will be considered.
9. The applicant shall notify both the facility and Buildings & Grounds Department of any cancellation of previously scheduled event at least five (5) working days prior to scheduled use. In case of failure to do so, the District may invoice for expenses incurred in preparation for use of the facility requested.
10. The use of facilities shall be restricted to those spaces and times specifically covered in the Building Use Request. If a user does not comply with this requirement, the District may charge the user additional facility use fees for which the user shall be responsible. If an applicant has unpaid fees, it may be denied further use of District facilities.
11. All applicants/user organization must comply with District rules:
Use of language or actions which are offensive or profane to a person of ordinary sensibilities will not be tolerated.
Liquor, drugs or use of tobacco products are prohibited on District property.
Weapons are prohibited on District property.
In addition, individual schools and facilities may compile and post in a conspicuous location other supplemental special rules which are applicable to specific situations and locations.
12. All applicants/organizations using school facilities shall provide adequate adult supervision which shall remain with the group during all activities and be responsible for the group's conformance with all rules and regulations.
13. The applicant is responsible for providing emergency telephone access and first aid kit for emergency situations.
14. A private, nonprofit youth program, by signing this form, verifies that it complies with the policies for management of concussions and head injuries as set out in RCW 28A.600.190.
15. Fire and safety regulations of the Tacoma School District, the City of Tacoma and the State of Washington must be observed at all times.
16. In its use of the facility, the applicant/user shall not discriminate in violation of federal or state law or local ordinance.
17. All groups shall leave the school facilities in the same order and condition in which they found them.
18. Tables, chairs, desks and other furniture and equipment shall not be moved from one room to another unless specifically mentioned on the permit and, by or under, the direct supervision of a District employee. Extra or unusual services for program or activities must be identified in the Building Use Request.
19. No decorations or the application of materials to walls, ceilings or floors shall be permitted which will mar, deface or injure these surfaces. No wax or other substances shall be applied to the floors.
20. This agreement does not include the right of advertising on school premises other than the right to post signage two hours in advance of an event for the purpose of directing people to the location of the event.

Talking to Paul Koch right now and they cannot leave fliers or anything in the building. They must go through the peach jar and that is it. They will be charged \$11.00+ an hour and Paul Koch is calling Good News Club to tell them.

So if they are a group that has a form in - we sign the form if we have room for them, it goes to Andrea and they let them know how much they have to pay - correct? I just sign that I have the space to allow them in....

What if PTA is sponsoring the after school activity?

Thanks for checking with this Neil. Pinky swear that I will not forward to downtown....O

Olga, Lisa, and Eric,

I am consciously not including the whole entourage on this one and I ask that you not forward this email on to the full group.

I just got off the phone with Andrea O'Brien-Henley 571-3313. She said that she has been in touch with the Good News club and that they know that they will need to pay for use. We should refer all groups to Andrea who will be able to advise them on specifics of usage fees. I just called the rep of Good News who has made applications for Geiger in the past and let her know that she should call Andrea for details. Now I will be calling all groups with facilities use forms and letting them know to call Andrea regarding the details of any fees that might apply to them. If they wish to continue with their facilities use applications, they will need to tell me after they call Andrea and I will send their application forward. I don't really mind making these calls because I do want to connect with each of these groups.

Neil

GNC pays rental fees in other states. Should I pull news articles and contact the districts to get information on how they classify and bill GNC?

Thank you ☺

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is "working together with parents and the school to build solid moral and spiritual character into the lives of their children" based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST's "After School Satan Clubs" are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance

Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

On Nov 14, 2016, at 8:03 AM, SUSAN SCHREURS <SSCHREU@Tacoma.K12.Wa.US> wrote:

Dear Mr. and Ms. Galligan:

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Principal Lisa Boyd
Port Defiance Elementary School
4330 North Visscher Street
Tacoma, WA 98407

RE: "After School Satan" atheist club

Dear Principal Boyd:

By way of brief introduction, Liberty Counsel is an international non-profit legal, media and policy organization with an emphasis on First Amendment liberties. Liberty Counsel provides *pro bono* representation at no charge for individuals, organizations, and government entities, including school districts. We have had great success on behalf of our clients in federal and state court, and we are pleased to count among our clients Child Evangelism Fellowship ("CEF") and the after-school Good News Club ("GNC") which CEF sponsors. We represent CEF nationwide and have never lost a legal case involving the CEF Good News Clubs.

I am writing because the anti-religious atheist group calling itself "The Satanic Temple" ("TST") has recently sought headlines again by promoting its own parody after-school "club" entitled the "After School Satan Club" ("ASSC"). TST has listed your school district as a target of its media campaign, so I am reaching out to you provide accurate information about this group, along with an offer of free, *pro bono* representation, should your school district take action in accordance with Liberty Counsel advice.

Beyond the inclusion of the name "Satan" in the names of the group and its "club," TST is atheist in nature, and does not actually believe in an actual devil or Satan. The group merely uses "Satan" to create the most controversy or offense possible, primarily directed toward adherents of the three major monotheistic religions of Judaism, Christianity and Islam.

TST especially hates Christianity, and seeks to force permissible expressions of Christian belief from the public sphere, through various publicity stunts and antics. In the

October 18, 2016
 After School Satan Club
 Page 2

past, for instance, TST has presented state and local governments with the false choice of either accepting a statue of “Satan” to go alongside a Ten Commandments monument, or in removing the monument itself, despite the fact that courts have upheld Ten Commandments monuments as being completely legal on government property. See *Van Orden v. Perry*, 545 U.S. 677 (2005). Now, TST is seeking to intimidate school districts with another false choice, of either allowing an “After School Satan” club, or eliminating other privately-sponsored after school clubs, especially the Good News Club.

Contrary to TST’s claims, the Good News Club is simply a nurturing, welcoming, privately-sponsored after-school enrichment club offering training in morals, character, leadership and citizenship from a Biblical perspective, through fun activities, projects, stories, songs and games. Its sponsor, Child Evangelism Fellowship, welcomes all children, regardless of religious belief, and they may only attend with parental permission. Attendance is free, and no donations are solicited. CEF partners with a local church near the school in which the GNC is held, to provide mentoring and positive character development to the children of that elementary. Numerous principals around the country have provided CEF positive feedback on their experience with the club.

In addition to its hatred of Christianity in general, TST hates the Good News Club in particular. Indeed, the sole reason for TST’s “After School Satan” club is its disagreement with the Good News Club’s character instruction, which is undergirded by traditional mainstream Christian beliefs and viewpoint. TST’s hatred of God and Christianity (and the Good News Club) is visceral: schools with Good News Clubs (which teach students to have love, joy, peace, kindness, respect for parents and school authorities) are “burdened with the **loathsome stink** of the *Good News Clubs*...”. (Bold emphasis added). Hyperbole and mischaracterization of traditional Christian beliefs is the norm for the TST; in its parallel universe, trained, caring volunteer Good News Club leaders are “**odious, mindless indoctrination gangs**” who “assault students.” (Emphasis added).

The parody nature of its atheistic campaign is self-evident. TST has even copied 90% of the standard Good News Club permission slip, and [TST’s video “advertisement”](#)¹ of its “club” is not the advertisement of an organization that actually is trying to persuade parents to enroll their children in a legitimate after-school club. Demonic voices, chants playing backwards, screeching music, and rearing male goats is not intended to attract children or parents, but it is intended to play up the “Satan” angle, in an attempt to cause school districts to ban legitimate after-school clubs, in an effort to “keep out Satan,” and to alarm parents. TST is simply engaged in a targeted, hateful campaign, seeking its real goal of banning Good News Clubs by trying to be as offensive as possible.

Banning all non-school clubs, or Good News Club permission slips, however, is not required in order to protect children from hateful groups like the TST or its “after school club.” **School districts may simply require parental permission for any student participation in all privately-sponsored clubs**, and trust to the good judgment of parents. If schools do so, the “After School Satan” club will soon fizzle for lack of attendance and

¹ <https://www.youtube.com/watch?v=b48-SBYbahQ>

October 18, 2016
After School Satan Club
Page 3

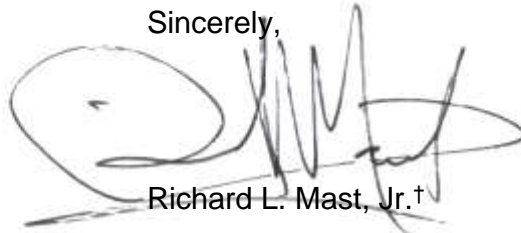

participation, just like this “club” at Centennial Elementary in the Mount Vernon School District, which [cancelled its facilities request](#),² or the previous atheist attempt at competing with and shutting down the Good News Club (the “[Better News Club](#)”³ or “Young Skeptics” club), which maligned the Christian beliefs of the Good News Club in one New York elementary school. This “club” met exactly one time last year, with children from only one family, which, due to language barriers, did not understand the nature of the club. As soon as the parents found out, they withdrew their children.

The similarity of rhetoric between atheists in the former and current instances is striking. The “Young Skeptics” club “goal is to provide children with an alternative, and scientifically based, view of the natural world around them...based on scientific discovery and evidence-based decision-making,” while the “After School Satan” club likewise “emphasizes a scientific, rationalist, non-superstitious world view.”

Whether a club is openly atheist in nature, or simply atheist in “Satan” garb, school districts should simply require signed parental permission for all clubs, and parents should simply withhold their permission for their children to participate with such unsavory groups. If schools and parents do so, “After School Satan” will remain only a website and an editorial by Kathryn Stewart in the Washington Post, and will have no impact on children.

Should your school or the Tacoma Public Schools be challenged for requiring all clubs to obtain parental permission, Liberty Counsel stands ready to provide a *pro bono* defense to your school district at no charge to the taxpayers. Should you have any questions about any of the points contained in this letter, or Liberty Counsel’s experience in these matters, please don’t hesitate to contact me at 407-875-1776.

Sincerely,

Richard L. Mast, Jr.[†]

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision

Obtained via WA RPA Request by Judicial Watch, Inc.
stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is “working together with parents and the school to build solid moral and spiritual character into the lives of their children” based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST’s “After School Satan Clubs” are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple’s ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to “usage of facility” in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

Tacoma, WA 98407

RE: "After School Satan" atheist club

Dear Principal Boyd:

By way of brief introduction, Liberty Counsel is an international non-profit legal, media and policy organization with an emphasis on First Amendment liberties. Liberty Counsel provides *pro bono* representation at no charge for individuals, organizations, and government entities, including school districts. We have had great success on behalf of our clients in federal and state court, and we are pleased to count among our clients Child Evangelism Fellowship ("CEF") and the after-school Good News Club ("GNC") which CEF sponsors. We represent CEF nationwide and have never lost a legal case involving the CEF Good News Clubs.

I am writing because the anti-religious atheist group calling itself "The Satanic Temple" ("TST") has recently sought headlines again by promoting its own parody after-school "club" entitled the "After School Satan Club" ("ASSC"). TST has listed your school district as a target of its media campaign, so I am reaching out to you provide accurate information about this group, along with an offer of free, *pro bono* representation, should your school district take action in accordance with Liberty Counsel advice.

Beyond the inclusion of the name "Satan" in the names of the group and its "club," TST is atheist in nature, and does not actually believe in an actual devil or Satan. The group merely uses "Satan" to create the most controversy or offense possible, primarily directed toward adherents of the three major monotheistic religions of Judaism, Christianity and Islam.

TST especially hates Christianity, and seeks to force permissible expressions of Christian belief from the public sphere, through various publicity stunts and antics. In the

October 18, 2016
After School Satan Club
Page 2

past, for instance, TST has presented state and local governments with the false choice of either accepting a statue of “Satan” to go alongside a Ten Commandments monument, or in removing the monument itself, despite the fact that courts have upheld Ten Commandments monuments as being completely legal on government property. See *Van Orden v. Perry*, 545 U.S. 677 (2005). Now, TST is seeking to intimidate school districts with another false choice, of either allowing an “After School Satan” club, or eliminating other privately-sponsored after school clubs, especially the Good News Club.

Contrary to TST’s claims, the Good News Club is simply a nurturing, welcoming, privately-sponsored after-school enrichment club offering training in morals, character, leadership and citizenship from a Biblical perspective, through fun activities, projects, stories, songs and games. Its sponsor, Child Evangelism Fellowship, welcomes all children, regardless of religious belief, and they may only attend with parental permission. Attendance is free, and no donations are solicited. CEF partners with a local church near the school in which the GNC is held, to provide mentoring and positive character development to the children of that elementary. Numerous principals around the country have provided CEF positive feedback on their experience with the club.

In addition to its hatred of Christianity in general, TST hates the Good News Club in particular. Indeed, the sole reason for TST’s “After School Satan” club is its disagreement with the Good News Club’s character instruction, which is undergirded by traditional mainstream Christian beliefs and viewpoint. TST’s hatred of God and Christianity (and the Good News Club) is visceral: schools with Good News Clubs (which teach students to have love, joy, peace, kindness, respect for parents and school authorities) are “burdened with the **loathsome stink** of the *Good News Clubs...*”. (Bold emphasis added). Hyperbole and mischaracterization of traditional Christian beliefs is the norm for the TST; in its parallel universe, trained, caring volunteer Good News Club leaders are “**odious, mindless indoctrination gangs**” who “assault students.” (Emphasis added).

The parody nature of its atheistic campaign is self-evident. TST has even copied 90% of the standard Good News Club permission slip, and [TST’s video “advertisement”](#)¹ of its “club” is not the advertisement of an organization that actually is trying to persuade parents to enroll their children in a legitimate after-school club. Demonic voices, chants playing backwards, screeching music, and rearing male goats is not intended to attract children or parents, but it is intended to play up the “Satan” angle, in an attempt to cause school districts to ban legitimate after-school clubs, in an effort to “keep out Satan,” and to alarm parents. TST is simply engaged in a targeted, hateful campaign, seeking its real goal of banning Good News Clubs by trying to be as offensive as possible.

Banning all non-school clubs, or Good News Club permission slips, however, is not required in order to protect children from hateful groups like the TST or its “after school club.” **School districts may simply require parental permission for any student participation in all privately-sponsored clubs**, and trust to the good judgment of parents. If schools do so, the “After School Satan” club will soon fizzle for lack of attendance and

¹ <https://www.youtube.com/watch?v=b48-SBYbahQ>

October 18, 2016
After School Satan Club
Page 3

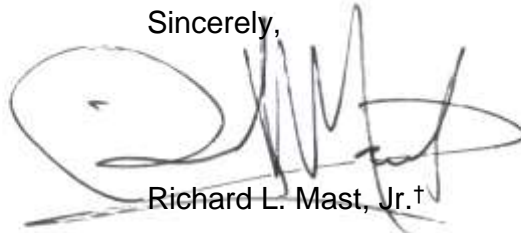

participation, just like this “club” at Centennial Elementary in the Mount Vernon School District, which [cancelled its facilities request](#),² or the previous atheist attempt at competing with and shutting down the Good News Club (the “[Better News Club](#)”³ or “Young Skeptics” club), which maligned the Christian beliefs of the Good News Club in one New York elementary school. This “club” met exactly one time last year, with children from only one family, which, due to language barriers, did not understand the nature of the club. As soon as the parents found out, they withdrew their children.

The similarity of rhetoric between atheists in the former and current instances is striking. The “Young Skeptics” club “goal is to provide children with an alternative, and scientifically based, view of the natural world around them...based on scientific discovery and evidence-based decision-making,” while the “After School Satan” club likewise “emphasizes a scientific, rationalist, non-superstitious world view.”

Whether a club is openly atheist in nature, or simply atheist in “Satan” garb, school districts should simply require signed parental permission for all clubs, and parents should simply withhold their permission for their children to participate with such unsavory groups. If schools and parents do so, “After School Satan” will remain only a website and an editorial by Kathryn Stewart in the Washington Post, and will have no impact on children.

Should your school or the Tacoma Public Schools be challenged for requiring all clubs to obtain parental permission, Liberty Counsel stands ready to provide a *pro bono* defense to your school district at no charge to the taxpayers. Should you have any questions about any of the points contained in this letter, or Liberty Counsel’s experience in these matters, please don’t hesitate to contact me at 407-875-1776.

Sincerely,

Richard L. Mast, Jr.[†]

Re: After School Satan Club

Dear Mr. Mast:

This letter is in response to your letter to the District's Board of Directors and the principal of Point Defiance Elementary School.

We recognize the legal requirements pertaining to the use of District facilities by non-District groups and will address the potential use of facilities by the After School Satan Club, or any other organization, consistent with the law.

Please direct any further contact regarding this or any other matter to the General Counsel for the District. Thank you.

Dr. Lubischer,

I have not authorized this club it is not a school-related activity. The district has followed the laws which grant outside organizations to rent space in Tacoma Public Schools facilities.

I've not spoken to one member of this organization. My staff and I do not endorse, recruit or have anything to do with this club. I certainly understand the concern and we have opened up two community forums to answer questions related to this topic the last conversation was just last Friday at 6:00PM. Please feel free to visit <http://www.worldreligionnews.com/religion-news/tacoma-parents-protest-after-school-satan-club> which is an article that captures more information on the topic. . If you have further questions, please feel free to call me at (253) 640-1428.

Thank you for your inquiry and I appreciate your concern.

Dear Ms. Boyd:

According to your mission: " Point Defiance welcomes students, families, and the community to a nurturing, learning environment that promotes academic achievement. We have a clear and shared focus to ensure high standards and expectations for all. Together, we provide the knowledge and skills for students to become respectful, responsible, life-long learners and citizens." Given this mission, how can you authorize a Satan Club?

Subject: satan club

I strongly protest the After School Satan Club to be allowed on your premises.

This is a grave threat to the spiritual life of children and the future of education. "

Our Lord said: "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14)

I urge you to revoke the Satanic Temple's permit. Satan has no place in education. Don't let the devil near our children.

St. Michael the Archangel,
 defend us in battle.
 Be our defense against the wickedness and snares of the Devil.
 May God rebuke him, we humbly pray,
 and do thou,
 O Prince of the heavenly hosts,
 by the power of God,
 thrust into hell Satan,
 and all the evil spirits,

who prowl about the world [Obtained via WA PRA Request by Judicial Watch, Inc.](#)
seeking the ruin of souls. Amen..

Carla,

I don't know if you're responding to this or you want me to. Let me know please. Here's what was said in reply to the last email complaining about this:

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available on after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

Dear Ms. Starr:

In response to your request to offer an After School Satan Club at Point Defiance Elementary, you may submit an application on the Request/Authorization for Use of Facilities/Fields form. A sample of the form was previously sent to you. However, the forms are on NCR paper and therefore you will need to use one of the actual forms. You may obtain a copy of such a form from the main office at the school or by contacting Paul Koch at the Maintenance and Operations Department, pkoch@tacoma.k12.wa.us, or Susan Schreurs, sschreu@tacoma.k12.wa.us, Interim General Counsel.

After completing the form, submit it to the main office staff of the school. It will be reviewed to determine if the dates and times you request can be accommodated. You will also need to submit a certificate of liability insurance with the application that complies with paragraph 1 of the General Rules for Use of School Facilities. If your organization is a nonprofit organization, you will need to submit documentation that you are a 501c(3) organization. If the required paperwork is in place and there is availability at the school, the paperwork will be submitted to the Maintenance and Operations Department for final review and a copy will be e-mailed to you.

If your organization is approved for use at Point Defiance, distribution of permission slips would be through the District's on-line portal, Peachjar, just as it is for other non-District sponsored organizations.

Thank you,
Carla J. Santorno

I edited a few spots below. In this case, the school board has not been a decision making body over the club's request. It was handled administratively by our Maintenance and Operations Department, which oversees the facility rental process. The legal department provided guidance to ensure all steps were properly and legally followed.

I also noted that some formal partner organizations do have background checks.

On Nov 17, 2016, at 11:46 AM, Rae McNally <rmcnall@Tacoma.K12.Wa.US> wrote:

How did we get here?

- Tacoma Public Schools received an email late in the afternoon Oct. 11 from the Satanic Temple Seattle.
- The Temple asked for information about how to apply for afterschool facility use for Point Defiance.
- Superintendent Santorno notified the temple by email on Oct. 18 what the application process entails.
- The School District is following the law and has approved the use of space request as it does for other organizations that request to use our schools and facilities.
- The Temple has applied for and been granted permission to use one room, once per month for a total of seven times between December and the end of the school year. From 3:30 to 5:30 pm.
- Parents received electronic fliers about the program with instructions on how to register their children for it if they choose.
- A ruling by the U.S. Supreme Court is clear: Tacoma Public Schools cannot prevent an organization from using available space in our school based on their religious beliefs.
- I assure you no district leaders nor any Point Defiance Elementary School staff recruited this organization

or endorse its presence at the school. Obtained via WA PRA Request by Judicial Watch, Inc.

-
- No one connected with the school or the district recruited or endorses the program.

Why are you allowing this?

- Our guidelines are narrow. We are following the law, which is clear that we cannot discriminate against and organization based on its beliefs—religious, political, scientific or other.

Why are you endorsing the Satan Club?

- The District does not sponsor or endorse the After School Satan Club. We are following the law, and simply making the facility available after school hours on a nondiscriminatory basis.

Why are they allowed to distribute information?

- No one connected with the school or district has recruited or endorsed the program. Applications such as PeachJar are provided by the district as an avenue for our schools and non-profit organizations to distribute information electronically to parents.

Who has access to children. (background checks)

Principal Lisa Boyd
Port Defiance Elementary School
4330 North Visscher Street
Tacoma, WA 98407

RE: "After School Satan" atheist club

Dear Principal Boyd:

By way of brief introduction, Liberty Counsel is an international non-profit legal, media and policy organization with an emphasis on First Amendment liberties. Liberty Counsel provides *pro bono* representation at no charge for individuals, organizations, and government entities, including school districts. We have had great success on behalf of our clients in federal and state court, and we are pleased to count among our clients Child Evangelism Fellowship ("CEF") and the after-school Good News Club ("GNC") which CEF sponsors. We represent CEF nationwide and have never lost a legal case involving the CEF Good News Clubs.

I am writing because the anti-religious atheist group calling itself "The Satanic Temple" ("TST") has recently sought headlines again by promoting its own parody after-school "club" entitled the "After School Satan Club" ("ASSC"). TST has listed your school district as a target of its media campaign, so I am reaching out to you provide accurate information about this group, along with an offer of free, *pro bono* representation, should your school district take action in accordance with Liberty Counsel advice.

Beyond the inclusion of the name "Satan" in the names of the group and its "club," TST is atheist in nature, and does not actually believe in an actual devil or Satan. The group merely uses "Satan" to create the most controversy or offense possible, primarily directed toward adherents of the three major monotheistic religions of Judaism, Christianity and Islam.

TST especially hates Christianity, and seeks to force permissible expressions of Christian belief from the public sphere, through various publicity stunts and antics. In the

October 18, 2016
After School Satan Club
Page 2

past, for instance, TST has presented state and local governments with the false choice of either accepting a statue of “Satan” to go alongside a Ten Commandments monument, or in removing the monument itself, despite the fact that courts have upheld Ten Commandments monuments as being completely legal on government property. See *Van Orden v. Perry*, 545 U.S. 677 (2005). Now, TST is seeking to intimidate school districts with another false choice, of either allowing an “After School Satan” club, or eliminating other privately-sponsored after school clubs, especially the Good News Club.

Contrary to TST’s claims, the Good News Club is simply a nurturing, welcoming, privately-sponsored after-school enrichment club offering training in morals, character, leadership and citizenship from a Biblical perspective, through fun activities, projects, stories, songs and games. Its sponsor, Child Evangelism Fellowship, welcomes all children, regardless of religious belief, and they may only attend with parental permission. Attendance is free, and no donations are solicited. CEF partners with a local church near the school in which the GNC is held, to provide mentoring and positive character development to the children of that elementary. Numerous principals around the country have provided CEF positive feedback on their experience with the club.

In addition to its hatred of Christianity in general, TST hates the Good News Club in particular. Indeed, the sole reason for TST’s “After School Satan” club is its disagreement with the Good News Club’s character instruction, which is undergirded by traditional mainstream Christian beliefs and viewpoint. TST’s hatred of God and Christianity (and the Good News Club) is visceral: schools with Good News Clubs (which teach students to have love, joy, peace, kindness, respect for parents and school authorities) are “burdened with the **loathsome stink** of the *Good News Clubs*...”. (Bold emphasis added). Hyperbole and mischaracterization of traditional Christian beliefs is the norm for the TST; in its parallel universe, trained, caring volunteer Good News Club leaders are “**odious, mindless indoctrination gangs**” who “assault students.” (Emphasis added).

The parody nature of its atheistic campaign is self-evident. TST has even copied 90% of the standard Good News Club permission slip, and [TST’s video “advertisement”](#)¹ of its “club” is not the advertisement of an organization that actually is trying to persuade parents to enroll their children in a legitimate after-school club. Demonic voices, chants playing backwards, screeching music, and rearing male goats is not intended to attract children or parents, but it is intended to play up the “Satan” angle, in an attempt to cause school districts to ban legitimate after-school clubs, in an effort to “keep out Satan,” and to alarm parents. TST is simply engaged in a targeted, hateful campaign, seeking its real goal of banning Good News Clubs by trying to be as offensive as possible.

Banning all non-school clubs, or Good News Club permission slips, however, is not required in order to protect children from hateful groups like the TST or its “after school club.” **School districts may simply require parental permission for any student participation in all privately-sponsored clubs**, and trust to the good judgment of parents. If schools do so, the “After School Satan” club will soon fizzle for lack of attendance and

¹ <https://www.youtube.com/watch?v=b48-SBYbahQ>

October 18, 2016
After School Satan Club
Page 3

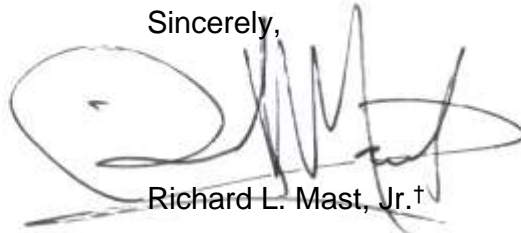

participation, just like this “club” at Centennial Elementary in the Mount Vernon School District, which [cancelled its facilities request](#),² or the previous atheist attempt at competing with and shutting down the Good News Club (the “[Better News Club](#)”³ or “Young Skeptics” club), which maligned the Christian beliefs of the Good News Club in one New York elementary school. This “club” met exactly one time last year, with children from only one family, which, due to language barriers, did not understand the nature of the club. As soon as the parents found out, they withdrew their children.

The similarity of rhetoric between atheists in the former and current instances is striking. The “Young Skeptics” club “goal is to provide children with an alternative, and scientifically based, view of the natural world around them...based on scientific discovery and evidence-based decision-making,” while the “After School Satan” club likewise “emphasizes a scientific, rationalist, non-superstitious world view.”

Whether a club is openly atheist in nature, or simply atheist in “Satan” garb, school districts should simply require signed parental permission for all clubs, and parents should simply withhold their permission for their children to participate with such unsavory groups. If schools and parents do so, “After School Satan” will remain only a website and an editorial by Kathryn Stewart in the Washington Post, and will have no impact on children.

Should your school or the Tacoma Public Schools be challenged for requiring all clubs to obtain parental permission, Liberty Counsel stands ready to provide a *pro bono* defense to your school district at no charge to the taxpayers. Should you have any questions about any of the points contained in this letter, or Liberty Counsel’s experience in these matters, please don’t hesitate to contact me at 407-875-1776.

Sincerely,

Richard L. Mast, Jr.[†]

Subject: EMAIL THE SCHOOL BOARD

Dear board members;

If you wish to instill positive values in the students entrusted to your care, you cannot approve an after-school Satan Club. That is the very antithesis of goodness. Do you want bullying? Violence? These are what Satan promotes. Don't believe that Satanism is values - neutral. It is far from harmless.

Sincerely,

Mary K. Maley

Dan,

Good morning.

I was wondering if any kids/parents had signed up for the club yet. (was reading an article that indicated parents had to sign their kids up for the group)

Thanks,

Subject: Facility Use Request for After School Satan Club

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is “working together with parents and the school to build solid moral and spiritual character into the lives of their children” based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST’s “After School Satan Clubs” are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple’s ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to “usage of facility” in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you

consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

We see a low risk of conflation of the issues here, especially if this is submitted with a strong headline like "Post-Election Harassment Has No Place in Tacoma" which is, like the first sentence of the statement, tightly focused on the election.

Subject: RE: Satanists+coming+to+Tacoma;+don't+fan+the+flames

Hi, Margo, Lee and team:

We have one more thing. Superintendent Santorno wants to send out a statement of tolerance to our community primarily in response to the spike in hate-related activities around the country in the wake of the presidential election. We had several people representing various underrepresented groups speak at our board meeting last week about their safety fears and the need for the district to take a strong stand for the safety of students.

The reason I'm sending this is because we see the potential for some people in the community to confuse this issue with the after school satan club issue. Because this draft statement (attached) talks about not discriminating based on a variety of factors, including religion, it's possible folks will think we're telling them to tolerate the satan club.

Will you read this through and see if you see that same potential and have any advice on how we can keep the issues separate? The superintendent was hoping to submit it to The News Tribune Tuesday or Wednesday to see if they would run it. Thanks,

Hi Lee,

The meeting with the Pt. Defiance Elementary PTA on Friday night went ok. Most people seem to understand the dilemma that we're in, although a few simply think we've not tried hard enough to keep the After School Satan Club out, or that we don't understand that they are purveyors of evil and therefore must be kept out at all costs. One parent said she'd go with her child to the meeting to check it out and see what all of the fuss was about, but that was only one person.

Please see the opinion in the Sunday News Tribune on the issue:
<http://www.thenewstribune.com/opinion/article115716578.html>

I appreciate your advice and look forward to hearing more from you on responding to these issues. There is a school board meeting tonight and I anticipate additional complaints coming to the board. They're pretty solid on how we're addressing this issue thus far I believe.

Thanks,

Susan Schreurs

Interim General Counsel

Tacoma School District

Obtained via WA PRA Request by Judicial Watch, Inc.

253-571-1013

Following the recent presidential election, a national advocacy group, the Southern Poverty Law Center, reported a spike in incidents of “hateful harassment and intimidation” across the country.

Tacoma, as a community, has demonstrated an increasing tolerance and acceptance of a wide range of people and perspectives.

We want that dedication to equity, understanding and respect to continue here. That’s why I want to assure you that Tacoma Public Schools, as caretakers of Tacoma’s children, will not waver in its commitment to preventing and responding to cases of harassment, intimidation or bullying.

You may not know that in 2014 our School Board became one of the first in the state to adopt a formal school district equity policy.

You need only read the opening passage to understand the strength of Tacoma Public Schools’ commitment:

The Tacoma School District affirms the inherent dignity and the equal rights of every student. It acknowledges the need to provide for every student a quality education that includes appreciation and respect for human individuality, cultural differences, and similarities that contribute to our democratic nation as a whole.

Every student deserves a respectful learning environment in which their racial, ethnic, religious, gender, gender identity, sexual orientation, or disability diversity is valued and contributes to successful academic outcomes. Learning and work environments are enriched and improved by the contributions, perspectives and presence of diverse participants...

The district prohibits discrimination and harassment based on race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital or veteran status or disability.

In our schools, we have embarked on what we call the Tacoma Whole Child Initiative. The foundation for this 10-year initiative relies on some key principles:

- Looking after the social and emotional needs of our students, not solely their academic needs.
- Establishing and reinforcing positive behavior expectations.
- Building on students’ existing strengths by teaching and reinforcing student self-awareness and self-management skills.

This important work has already become a national model and contributed to an improvement in the climate and behavior in our schools and a meaningful decrease in the need for disciplinary actions.

We want to see this trend continue, because it contributes to one of our School Board’s four strategic goals: All schools will create and maintain safe learning environments that promote excellent academic achievement.

All of us in Tacoma Public Schools will continue our focus on creating welcoming environments and keeping all our children safe. We also will continue to follow our standard procedures for receiving and responding to reports of discrimination, harassment, intimidation or bullying.

I want to thank our district staff, students, families and community partners for the continued commitment to our district motto: Every Student. Every Day. We will not allow personal politics—or the reactions to an election—to become either a catalyst or excuse for the mistreatment of any of our students.

Principal Lisa Boyd
Port Defiance Elementary School
4330 North Visscher Street
Tacoma, WA 98407

RE: "After School Satan" atheist club

Dear Principal Boyd:

By way of brief introduction, Liberty Counsel is an international non-profit legal, media and policy organization with an emphasis on First Amendment liberties. Liberty Counsel provides *pro bono* representation at no charge for individuals, organizations, and government entities, including school districts. We have had great success on behalf of our clients in federal and state court, and we are pleased to count among our clients Child Evangelism Fellowship ("CEF") and the after-school Good News Club ("GNC") which CEF sponsors. We represent CEF nationwide and have never lost a legal case involving the CEF Good News Clubs.

I am writing because the anti-religious atheist group calling itself "The Satanic Temple" ("TST") has recently sought headlines again by promoting its own parody after-school "club" entitled the "After School Satan Club" ("ASSC"). TST has listed your school district as a target of its media campaign, so I am reaching out to you provide accurate information about this group, along with an offer of free, *pro bono* representation, should your school district take action in accordance with Liberty Counsel advice.

Beyond the inclusion of the name "Satan" in the names of the group and its "club," TST is atheist in nature, and does not actually believe in an actual devil or Satan. The group merely uses "Satan" to create the most controversy or offense possible, primarily directed toward adherents of the three major monotheistic religions of Judaism, Christianity and Islam.

TST especially hates Christianity, and seeks to force permissible expressions of Christian belief from the public sphere, through various publicity stunts and antics. In the

October 18, 2016
After School Satan Club
Page 2

past, for instance, TST has presented state and local governments with the false choice of either accepting a statue of “Satan” to go alongside a Ten Commandments monument, or in removing the monument itself, despite the fact that courts have upheld Ten Commandments monuments as being completely legal on government property. See *Van Orden v. Perry*, 545 U.S. 677 (2005). Now, TST is seeking to intimidate school districts with another false choice, of either allowing an “After School Satan” club, or eliminating other privately-sponsored after school clubs, especially the Good News Club.

Contrary to TST’s claims, the Good News Club is simply a nurturing, welcoming, privately-sponsored after-school enrichment club offering training in morals, character, leadership and citizenship from a Biblical perspective, through fun activities, projects, stories, songs and games. Its sponsor, Child Evangelism Fellowship, welcomes all children, regardless of religious belief, and they may only attend with parental permission. Attendance is free, and no donations are solicited. CEF partners with a local church near the school in which the GNC is held, to provide mentoring and positive character development to the children of that elementary. Numerous principals around the country have provided CEF positive feedback on their experience with the club.

In addition to its hatred of Christianity in general, TST hates the Good News Club in particular. Indeed, the sole reason for TST’s “After School Satan” club is its disagreement with the Good News Club’s character instruction, which is undergirded by traditional mainstream Christian beliefs and viewpoint. TST’s hatred of God and Christianity (and the Good News Club) is visceral: schools with Good News Clubs (which teach students to have love, joy, peace, kindness, respect for parents and school authorities) are “burdened with the **loathsome stink** of the *Good News Clubs*...”. (Bold emphasis added). Hyperbole and mischaracterization of traditional Christian beliefs is the norm for the TST; in its parallel universe, trained, caring volunteer Good News Club leaders are “**odious, mindless indoctrination gangs**” who “assault students.” (Emphasis added).

The parody nature of its atheistic campaign is self-evident. TST has even copied 90% of the standard Good News Club permission slip, and [TST’s video “advertisement”](#)¹ of its “club” is not the advertisement of an organization that actually is trying to persuade parents to enroll their children in a legitimate after-school club. Demonic voices, chants playing backwards, screeching music, and rearing male goats is not intended to attract children or parents, but it is intended to play up the “Satan” angle, in an attempt to cause school districts to ban legitimate after-school clubs, in an effort to “keep out Satan,” and to alarm parents. TST is simply engaged in a targeted, hateful campaign, seeking its real goal of banning Good News Clubs by trying to be as offensive as possible.

Banning all non-school clubs, or Good News Club permission slips, however, is not required in order to protect children from hateful groups like the TST or its “after school club.” **School districts may simply require parental permission for any student participation in all privately-sponsored clubs**, and trust to the good judgment of parents. If schools do so, the “After School Satan” club will soon fizzle for lack of attendance and

¹ <https://www.youtube.com/watch?v=b48-SBYbahQ>

October 18, 2016
After School Satan Club
Page 3

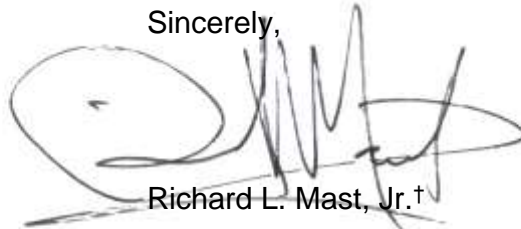

participation, just like this “club” at Centennial Elementary in the Mount Vernon School District, which [cancelled its facilities request](#),² or the previous atheist attempt at competing with and shutting down the Good News Club (the “[Better News Club](#)”³ or “Young Skeptics” club), which maligned the Christian beliefs of the Good News Club in one New York elementary school. This “club” met exactly one time last year, with children from only one family, which, due to language barriers, did not understand the nature of the club. As soon as the parents found out, they withdrew their children.

The similarity of rhetoric between atheists in the former and current instances is striking. The “Young Skeptics” club “goal is to provide children with an alternative, and scientifically based, view of the natural world around them...based on scientific discovery and evidence-based decision-making,” while the “After School Satan” club likewise “emphasizes a scientific, rationalist, non-superstitious world view.”

Whether a club is openly atheist in nature, or simply atheist in “Satan” garb, school districts should simply require signed parental permission for all clubs, and parents should simply withhold their permission for their children to participate with such unsavory groups. If schools and parents do so, “After School Satan” will remain only a website and an editorial by Kathryn Stewart in the Washington Post, and will have no impact on children.

Should your school or the Tacoma Public Schools be challenged for requiring all clubs to obtain parental permission, Liberty Counsel stands ready to provide a *pro bono* defense to your school district at no charge to the taxpayers. Should you have any questions about any of the points contained in this letter, or Liberty Counsel’s experience in these matters, please don’t hesitate to contact me at 407-875-1776.

Sincerely,

Richard L. Mast, Jr.[†]

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

This is the original email – sent to Carla on October 11th.

From: Satanic Temple Seattle [<mailto:satanictempleseattle@gmail.com>]
Sent: Tuesday, October 11, 2016 3:48 PM
To: info; CARLA SANTORNO
Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is “working together with parents and the school to build solid moral and spiritual character into the lives of their children” based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST’s “After School Satan Clubs” are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half

000274 (PRR 2406)

hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

General Rules for Use of School Facilities

1. Applicants will provide proof of insurance for \$1,000,000.00 combined single limit comprehensive general liability insurance for bodily injury, with the Tacoma School District named as an additional insured. Certain activities may require additional insurance at the District's discretion based on the nature and scope of use. Contact the Maintenance and Operations Department at (253) 571-3313 regarding insurance coverage questions. The group in whose name the use permit is issued is responsible for damage done to District property and for restitution of such damage.
2. The applicant/user organization shall defend, protect, indemnify and hold the District, its officers, employees and agents harmless from any and all liabilities or rights of action directly or indirectly arising out of the use of the premises covered by the Building Use Request.
3. The District is not responsible for losses of personal property by individuals or groups during an approved building activity.
4. The Board of Directors reserves the right to revoke any authorization issued for the use of a school building or grounds and if rental has been paid, to refund such rental less expense incurred by the District in connection therewith.
5. So long as the District allows outside groups to use its school buildings, grounds and facilities, it will provide equal access to the Boy Scouts and other designated youth groups. The following district official has been designated to handle inquiries regarding the Boy Scouts of America Equal Access Act: Chief Operating Officer, P.O. Box 1357, Tacoma, WA 98401-1357 (253) 571-3300.
6. Per Building Use Regulations, requests must be presented at least 30 days in advance of date desired but no more than 60 days in advance. Special consideration may be given to those groups with future calendar deadlines.
7. Per Building Use Regulations, no group will be authorized for more than two (2) times a week, if other groups are requesting the facility.
8. By signing this form, Applicant agrees to be financially responsible for any charges incurred. No requests for reductions in the rental fees or extra costs will be considered.
9. The applicant shall notify both the facility and Buildings & Grounds Department of any cancellation of previously scheduled event at least five (5) working days prior to scheduled use. In case of failure to do so, the District may invoice for expenses incurred in preparation for use of the facility requested.
10. The use of facilities shall be restricted to those spaces and times specifically covered in the Building Use Request. If a user does not comply with this requirement, the District may charge the user additional facility use fees for which the user shall be responsible. If an applicant has unpaid fees, it may be denied further use of District facilities.
11. All applicants/user organization must comply with District rules:
Use of language or actions which are offensive or profane to a person of ordinary sensibilities will not be tolerated.
Liquor, drugs or use of tobacco products are prohibited on District property.
Weapons are prohibited on District property.
In addition, individual schools and facilities may compile and post in a conspicuous location other supplemental special rules which are applicable to specific situations and locations.
12. All applicants/organizations using school facilities shall provide adequate adult supervision which shall remain with the group during all activities and be responsible for the group's conformance with all rules and regulations.
13. The applicant is responsible for providing emergency telephone access and first aid kit for emergency situations.
14. A private, nonprofit youth program, by signing this form, verifies that it complies with the policies for management of concussions and head injuries as set out in RCW 28A.600.190.
15. Fire and safety regulations of the Tacoma School District, the City of Tacoma and the State of Washington must be observed at all times.
16. In its use of the facility, the applicant/user shall not discriminate in violation of federal or state law or local ordinance.
17. All groups shall leave the school facilities in the same order and condition in which they found them.
18. Tables, chairs, desks and other furniture and equipment shall not be moved from one room to another unless specifically mentioned on the permit and, by or under, the direct supervision of a District employee. Extra or unusual services for program or activities must be identified in the Building Use Request.
19. No decorations or the application of materials to walls, ceilings or floors shall be permitted which will mar, deface or injure these surfaces. No wax or other substances shall be applied to the floors.
20. This agreement does not include the right of advertising on school premises other than the right to post signage two hours in advance of an event for the purpose of directing people to the location of the event.

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is “working together with parents and the school to build solid moral and spiritual character into the lives of their children” based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST’s “After School Satan Clubs” are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your

district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

I edited a few spots below. In this case, the school board has not been a decision making body over the club's request. It was handled administratively by our Maintenance and Operations Department, which oversees the facility rental process. The legal department provided guidance to ensure all steps were properly and legally followed.

I also noted that some formal partner organizations do have background checks.

Sent from my iPhone

On Nov 17, 2016, at 11:46 AM, Rae McNally <rmcnall@Tacoma.K12.Wa.US> wrote:

How did we get here?

- Tacoma Public Schools received an email late in the afternoon Oct. 11 from the Satanic Temple Seattle.
- The Temple asked for information about how to apply for afterschool facility use for Point Defiance.
- Superintendent Santorno notified the temple by email on Oct. 18 what the application process entails.
- The School District is following the law and has approved the use of space request as it does for other organizations that request to use our schools and facilities.
- The Temple has applied for and been granted permission to use one room, once per month for a total of seven times between December and the end of the school year. From 3:30 to 5:30 pm.
- Parents received electronic fliers about the program with instructions on how to register their children for it if they choose.
- A ruling by the U.S. Supreme Court is clear: Tacoma Public Schools cannot prevent an organization from using available space in our school based on their religious beliefs.
- I assure you no district leaders nor any Point Defiance Elementary School staff recruited this organization or endorse its presence at the school.

-
- No one connected with the school or the district recruited or endorses the program.

Why are you allowing this?

- Our guidelines are narrow. We are following the law, which is clear that we cannot discriminate against and organization based on its beliefs—religious, political, scientific or other.

Why are you endorsing the Satan Club?

- The District does not sponsor or endorse the After School Satan Club. We are following the law, and simply making the facility available after school hours on a nondiscriminatory basis.

- No one connected with the school or district has recruited or endorsed the program. Applications such as PeachJar are provided by the district as an avenue for our schools and non-profit organizations to distribute information electronically to parents.

Who has access to children. (background checks)

- Independent organizations renting school space to provide afterschool activities are not recruited or endorsed by the school or district, therefore we do not vet their backgrounds. Formal district partners, such as the YMCA or Boys and Girls Clubs, must pass background checks. As with all afterschool programs, it would be up to each parent to decide whether they wanted to enroll their child in the program.

What if something bad happens to my child in their care.

- Thank you for asking that. We review situations on a one-by-one basis and would respond in accordance to the issue raised.

What are you doing to change the policy/process?

- Great question. If a process or policy change is something you feel passionately about, please consider bringing it forward to the Tacoma Public School Board. The next meeting is November 21, 6 p.m. at the Central Administration Building.

RAE FYI

Meeting: December 14, 5 p.m. in the Art Room

Information distributed this week in PeachJar.

Board meeting, November 21, 6 p.m. at the Central Administration Building.

Dear Ms Boyd,

I understand your school, Point Defiance Elementary School is introducing an after school satan club.

I worked as a medical doctor for several years in a third world country where satanism was rife. The effects of satanism are horrific and I witnessed it on a daily basis....murder, hatred, mayhem, unbelievable evilness...

You really need to do your homework about what you are introducing. Things will go badly wrong in your

school once you let satan [Obtained via WA PRA Request by Judicial Watch, Inc.](#)
through the door and you as the head teacher are completely responsible. If I was a parent and something happened my kid because of your foolhardiness,
I would have it looked at very closely by the judicial system and see under what authority you acted to introduce something so malignant to my child.

Yours faithfully,

Dr Owen Gallagher

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is "working together with parents and the school to build solid moral and spiritual character into the lives of their children" based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST's "After School Satan Clubs" are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com<<mailto:satanictempleseattle@gmail.com>>

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

Tacoma, WA 98407

RE: "After School Satan" atheist club

Dear Principal Boyd:

By way of brief introduction, Liberty Counsel is an international non-profit legal, media and policy organization with an emphasis on First Amendment liberties. Liberty Counsel provides *pro bono* representation at no charge for individuals, organizations, and government entities, including school districts. We have had great success on behalf of our clients in federal and state court, and we are pleased to count among our clients Child Evangelism Fellowship ("CEF") and the after-school Good News Club ("GNC") which CEF sponsors. We represent CEF nationwide and have never lost a legal case involving the CEF Good News Clubs.

I am writing because the anti-religious atheist group calling itself "The Satanic Temple" ("TST") has recently sought headlines again by promoting its own parody after-school "club" entitled the "After School Satan Club" ("ASSC"). TST has listed your school district as a target of its media campaign, so I am reaching out to you provide accurate information about this group, along with an offer of free, *pro bono* representation, should your school district take action in accordance with Liberty Counsel advice.

Beyond the inclusion of the name "Satan" in the names of the group and its "club," TST is atheist in nature, and does not actually believe in an actual devil or Satan. The group merely uses "Satan" to create the most controversy or offense possible, primarily directed toward adherents of the three major monotheistic religions of Judaism, Christianity and Islam.

TST especially hates Christianity, and seeks to force permissible expressions of Christian belief from the public sphere, through various publicity stunts and antics. In the

October 18, 2016
After School Satan Club
Page 2

past, for instance, TST has presented state and local governments with the false choice of either accepting a statue of “Satan” to go alongside a Ten Commandments monument, or in removing the monument itself, despite the fact that courts have upheld Ten Commandments monuments as being completely legal on government property. See *Van Orden v. Perry*, 545 U.S. 677 (2005). Now, TST is seeking to intimidate school districts with another false choice, of either allowing an “After School Satan” club, or eliminating other privately-sponsored after school clubs, especially the Good News Club.

Contrary to TST’s claims, the Good News Club is simply a nurturing, welcoming, privately-sponsored after-school enrichment club offering training in morals, character, leadership and citizenship from a Biblical perspective, through fun activities, projects, stories, songs and games. Its sponsor, Child Evangelism Fellowship, welcomes all children, regardless of religious belief, and they may only attend with parental permission. Attendance is free, and no donations are solicited. CEF partners with a local church near the school in which the GNC is held, to provide mentoring and positive character development to the children of that elementary. Numerous principals around the country have provided CEF positive feedback on their experience with the club.

In addition to its hatred of Christianity in general, TST hates the Good News Club in particular. Indeed, the sole reason for TST’s “After School Satan” club is its disagreement with the Good News Club’s character instruction, which is undergirded by traditional mainstream Christian beliefs and viewpoint. TST’s hatred of God and Christianity (and the Good News Club) is visceral: schools with Good News Clubs (which teach students to have love, joy, peace, kindness, respect for parents and school authorities) are “burdened with the **loathsome stink** of the *Good News Clubs*...”. (Bold emphasis added). Hyperbole and mischaracterization of traditional Christian beliefs is the norm for the TST; in its parallel universe, trained, caring volunteer Good News Club leaders are “**odious, mindless indoctrination gangs**” who “assault students.” (Emphasis added).

The parody nature of its atheistic campaign is self-evident. TST has even copied 90% of the standard Good News Club permission slip, and [TST’s video “advertisement”](#)¹ of its “club” is not the advertisement of an organization that actually is trying to persuade parents to enroll their children in a legitimate after-school club. Demonic voices, chants playing backwards, screeching music, and rearing male goats is not intended to attract children or parents, but it is intended to play up the “Satan” angle, in an attempt to cause school districts to ban legitimate after-school clubs, in an effort to “keep out Satan,” and to alarm parents. TST is simply engaged in a targeted, hateful campaign, seeking its real goal of banning Good News Clubs by trying to be as offensive as possible.

Banning all non-school clubs, or Good News Club permission slips, however, is not required in order to protect children from hateful groups like the TST or its “after school club.” **School districts may simply require parental permission for any student participation in all privately-sponsored clubs**, and trust to the good judgment of parents. If schools do so, the “After School Satan” club will soon fizzle for lack of attendance and

¹ <https://www.youtube.com/watch?v=b48-SBYbahQ>

October 18, 2016
After School Satan Club
Page 3

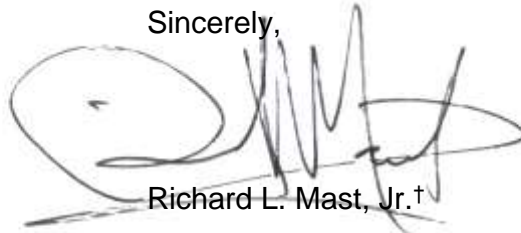

participation, just like this “club” at Centennial Elementary in the Mount Vernon School District, which [cancelled its facilities request](#),² or the previous atheist attempt at competing with and shutting down the Good News Club (the “[Better News Club](#)”³ or “Young Skeptics” club), which maligned the Christian beliefs of the Good News Club in one New York elementary school. This “club” met exactly one time last year, with children from only one family, which, due to language barriers, did not understand the nature of the club. As soon as the parents found out, they withdrew their children.

The similarity of rhetoric between atheists in the former and current instances is striking. The “Young Skeptics” club “goal is to provide children with an alternative, and scientifically based, view of the natural world around them...based on scientific discovery and evidence-based decision-making,” while the “After School Satan” club likewise “emphasizes a scientific, rationalist, non-superstitious world view.”

Whether a club is openly atheist in nature, or simply atheist in “Satan” garb, school districts should simply require signed parental permission for all clubs, and parents should simply withhold their permission for their children to participate with such unsavory groups. If schools and parents do so, “After School Satan” will remain only a website and an editorial by Kathryn Stewart in the Washington Post, and will have no impact on children.

Should your school or the Tacoma Public Schools be challenged for requiring all clubs to obtain parental permission, Liberty Counsel stands ready to provide a *pro bono* defense to your school district at no charge to the taxpayers. Should you have any questions about any of the points contained in this letter, or Liberty Counsel’s experience in these matters, please don’t hesitate to contact me at 407-875-1776.

Sincerely,

Richard L. Mast, Jr.[†]

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is "working together with parents and the school to build solid moral and spiritual character into the lives of their children" based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST's "After School Satan Clubs" are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district [to contribute constructively to your district programs](#), and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

To: LISA BOYD
Subject: Press Inquiry/Los Angeles Times

From Rick Anderson, Seattle correspondent, LA Times

Hi Principal Boyd, I'm following up on the plans announced by the Seattle Satanic Temple to form an After School Satan Club at your school. The temple had originally planned to form a club in Mount Vernon, but faced delays, the temple's leader tells me, and they have now chosen Point Defiance in hope of getting a club up and running sooner.

Can you tell me how the school feels about the request, what it plans to do, and why, if you know, PD is being targeted? There are such clubs in other cities around the U.S, and rejecting their efforts likely means going to court, where rulings favor the temple based on a religious freedom argument.

The Satanists seem to be undertaking all this with a bit of a wink – they don't actually worship the devil, but use him in their effort to oppose formal religious organizations who, in their view, "indoctrinate" youths with the after-school teachings.

Any information/comments much appreciated. Hoping you can respond by later today.

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear ligation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is "working together with parents and the school to build solid moral and spiritual character into the lives of their children" based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST's "After School Satan Clubs" are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

Chapter Head

[Good News Club @ Pt. Defiance Elementary](#)

HEY KIDS!! Come Join Us at

Learn new and exciting songs, verses and lessons each year.

Good News Club is an exciting, fun-filled hour once a week.

It includes:

- * Dynamic Bible Lessons
- * Activities Promoting Reading & Writing
- * Inspiring Missionary Stories
- * Meaningful Songs
- * Life-Changing Scripture Memory

Your child will learn:

- * Respect for Authority * Moral Values
- * Character Qualities * Biblical Principles

Who teaches the club?

Specially **trained** Christians concerned for the spiritual well-being of your child teach the club. All club workers are screened as required by CEF's child protection policy to ensure your child's **safety**.

Sponsored by: Child Evangelism Fellowship of Pierce County (253) 227-9042

Hosted and Conducted by: Paula Pelletier
253-226-2707

Time: After school **3:30-5:00 p.m.**

Date: Every **Tuesday** starting **October 4, 2016 & going to the end of the school year** - only on **full** days of school

Place: Cafeteria @ **Pt. Defiance Elementary**

Who can attend? All boys and girls ages 5-12, regardless of religious background. Parents are welcome to attend with child.

Parent /Guardian: Your child must be picked up immediately after the club ends. Our policies do not allow Good News Club teachers or helpers to remain at school after club. If your child is not picked up immediately after club three times throughout the school year, he/she will not be allowed to continue attending the club. Thank you.

The United States Constitution requires schools to respect the right of all external organizations to distribute flyers to students at school if the school permits any such organization to distribute flyers. Accordingly, the school cannot discriminate among groups wishing to distribute flyers at school and does not endorse the content of any flyer distributed at school. The school encourages parents to assist their children in making choices appropriate for them. This is not an activity of the school or the School District.

The district does not sponsor this event/activity/offer and the district assumes no responsibility for it. In consideration for the privilege to distribute these materials, the Tacoma School District No. 10 shall be held harmless from any cause of action filed in any court or administrative tribunal arising out of the distribution of these materials, including all costs, attorney's fees and judgments or awards.

Sorry you're not feeling well, Lisa.

I forwarded the communication from Liberty Counsel to our district's attorney.
I am also attending the Tacoma Ministerial Alliance's community forum this evening on the satan club proposal.
I'm told the district will have to allow the Satanic Temple Seattle to have space and offer its club.
However, I have serious doubts the Temple will follow through on its proposal. And even if it does, since parents get to decide whether to send their children to it, the club may fold when no children attend.

Dear Mr. and Ms. Galligan:

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Sincerely,

SUSAN SCHREURS

Hi, D'Andre:
Here's an email I sent to Principal Lisa Boyd this morning on this topic.

Here are some talking points for you to use with your staff and families if you get questions about the news that the Satanic Temple of Seattle plans to apply to offer an afterschool program at Point Defiance. It's all pretty simple at this point. And I will handle any media inquiries.

- Tacoma Public Schools received an email late in the afternoon Tuesday from the Satanic Temple Seattle.
- The Temple asked for information about how to apply for afterschool facility use for Point Defiance.
- District leadership is reviewing the request.
- A decision and announcement will be made at the district level.
- We will keep you updated on the issue along the way.

Let me know if you have any questions.

Good Morning

Do you really think that the after-school satan club will be of any benefit to kids? It could take them to a very dangerous place mentally and spiritually.
satan, according to Jesus, is a liar and a murderer. All religions agree that he exists and that he is to be avoided. But for the sake of 'tolerance' the school is willing to place children at risk.

satan will of course target vulnerable children. Kids whose parents are inattentive perhaps, or busy, or rejecting. Kids who will crave attention and acceptance.

Please don't allow satan near the kids. They have enough challenges in life.

he is the source of evil, but disguises this. **'So smooth he daubs his vice with show of virtue' Richard 111**

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is "working together with parents and the school to build solid moral and spiritual character into the lives of their children" based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your

district.

Obtained via WA PRA Request by Judicial Watch, Inc.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST's "After School Satan Clubs" are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

I edited a few spots below. In this case, the school board has not been a decision making body over the club's request. It was handled administratively by our Maintenance and Operations Department, which oversees the facility rental process. The legal department provided guidance to ensure all steps were properly and legally followed.

I also noted that some formal partner organizations do have background checks.

On Nov 17, 2016, at 11:46 AM, Rae McNally <rmcnall@Tacoma.K12.Wa.US> wrote:

How did we get here?

- Tacoma Public Schools received an email late in the afternoon Oct. 11 from the Satanic Temple Seattle.
- The Temple asked for information about how to apply for afterschool facility use for Point Defiance.
- Superintendent Santorno notified the temple by email on Oct. 18 what the application process entails.
- The School District is following the law and has approved the use of space request as it does for other organizations that request to use our schools and facilities.
- The Temple has applied for and been granted permission to use one room, once per month for a total of seven times between December and the end of the school year. From 3:30 to 5:30 pm.
- Parents received electronic fliers about the program with instructions on how to register their children for it if they choose.
- A ruling by the U.S. Supreme Court is clear: Tacoma Public Schools cannot prevent an organization from using available space in our school based on their religious beliefs.
- I assure you no district leaders nor any Point Defiance Elementary School staff recruited this organization or endorse its presence at the school.

-
- No one connected with the school or the district recruited or endorses the program.

Why are you allowing this?

- Our guidelines are narrow. We are following the law, which is clear that we cannot discriminate against an organization based on its beliefs—religious, political, scientific or other.

Why are you endorsing the Satan Club?

- The District does not sponsor or endorse the After School Satan Club. We are following the law, and simply making the facility available after school hours on a nondiscriminatory basis.

Why are they allowed to distribute information?

- No one connected with the school or district has recruited or endorsed the program. Applications such as PeachJar are provided by the district as an avenue for our schools and non-profit organizations to distribute information electronically to parents.

Who has access to children. (background checks)

- Independent organizations renting school space to provide afterschool activities are not recruited or endorsed by the school or district, therefore we do not vet their backgrounds. Formal district partners, such as the YMCA or Boys and Girls Clubs, must pass background checks. As with all afterschool programs, it would be up to each parent to decide whether they wanted to enroll their child in the program.

What if something bad happens to my child in their care.

- Thank you for asking that. We review situations on a one-by-one basis and would respond in accordance to the issue raised.

What are you doing to change the policy/process?

- Great question. If a process or policy change is something you feel passionately about, please consider bringing it forward to the Tacoma Public School Board. The next meeting is November 21, 6 p.m. at the Central Administration Building.

RAE FYI

Meeting: December 14, 5 p.m. in the Art Room

Information distributed this week in PeachJar.

Board meeting, November 21, 6 p.m. at the Central Administration Building.

Carla,

Sent: Mon, 21 Nov 2016 17:42:50 GMT

I don't know if you're responding to this or you want me to. Let me know please. Here's what was said in reply to the last email complaining about this:

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available on after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

Sent: Tuesday, November 22, 2016 5:22 AM
To: HEATHER JONES
Subject: satan club

I strongly protest the After School Satan Club to be allowed on your premises.

This is a grave threat to the spiritual life of children and the future of education. "

Our Lord said: "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14)

I urge you to revoke the Satanic Temple's permit. Satan has no place in education. Don't let the devil near our children.

St. Michael the Archangel,
defend us in battle.
Be our defense against the wickedness and snares of the Devil.
May God rebuke him, we humbly pray,
and do thou,
O Prince of the heavenly hosts,
by the power of God,
thrust into hell Satan,
and all the evil spirits,
who prowl about the world
seeking the ruin of souls. Amen..

Sincerely
Zita Dumon

Tacoma, WA 98407

RE: "After School Satan" atheist club

Dear Principal Boyd:

By way of brief introduction, Liberty Counsel is an international non-profit legal, media and policy organization with an emphasis on First Amendment liberties. Liberty Counsel provides *pro bono* representation at no charge for individuals, organizations, and government entities, including school districts. We have had great success on behalf of our clients in federal and state court, and we are pleased to count among our clients Child Evangelism Fellowship ("CEF") and the after-school Good News Club ("GNC") which CEF sponsors. We represent CEF nationwide and have never lost a legal case involving the CEF Good News Clubs.

I am writing because the anti-religious atheist group calling itself "The Satanic Temple" ("TST") has recently sought headlines again by promoting its own parody after-school "club" entitled the "After School Satan Club" ("ASSC"). TST has listed your school district as a target of its media campaign, so I am reaching out to you provide accurate information about this group, along with an offer of free, *pro bono* representation, should your school district take action in accordance with Liberty Counsel advice.

Beyond the inclusion of the name "Satan" in the names of the group and its "club," TST is atheist in nature, and does not actually believe in an actual devil or Satan. The group merely uses "Satan" to create the most controversy or offense possible, primarily directed toward adherents of the three major monotheistic religions of Judaism, Christianity and Islam.

TST especially hates Christianity, and seeks to force permissible expressions of Christian belief from the public sphere, through various publicity stunts and antics. In the

October 18, 2016
 After School Satan Club
 Page 2

past, for instance, TST has presented state and local governments with the false choice of either accepting a statue of “Satan” to go alongside a Ten Commandments monument, or in removing the monument itself, despite the fact that courts have upheld Ten Commandments monuments as being completely legal on government property. See *Van Orden v. Perry*, 545 U.S. 677 (2005). Now, TST is seeking to intimidate school districts with another false choice, of either allowing an “After School Satan” club, or eliminating other privately-sponsored after school clubs, especially the Good News Club.

Contrary to TST’s claims, the Good News Club is simply a nurturing, welcoming, privately-sponsored after-school enrichment club offering training in morals, character, leadership and citizenship from a Biblical perspective, through fun activities, projects, stories, songs and games. Its sponsor, Child Evangelism Fellowship, welcomes all children, regardless of religious belief, and they may only attend with parental permission. Attendance is free, and no donations are solicited. CEF partners with a local church near the school in which the GNC is held, to provide mentoring and positive character development to the children of that elementary. Numerous principals around the country have provided CEF positive feedback on their experience with the club.

In addition to its hatred of Christianity in general, TST hates the Good News Club in particular. Indeed, the sole reason for TST’s “After School Satan” club is its disagreement with the Good News Club’s character instruction, which is undergirded by traditional mainstream Christian beliefs and viewpoint. TST’s hatred of God and Christianity (and the Good News Club) is visceral: schools with Good News Clubs (which teach students to have love, joy, peace, kindness, respect for parents and school authorities) are “burdened with the **loathsome stink** of the *Good News Clubs...*”. (Bold emphasis added). Hyperbole and mischaracterization of traditional Christian beliefs is the norm for the TST; in its parallel universe, trained, caring volunteer Good News Club leaders are “**odious, mindless indoctrination gangs**” who “assault students.” (Emphasis added).

The parody nature of its atheistic campaign is self-evident. TST has even copied 90% of the standard Good News Club permission slip, and [TST’s video “advertisement”](#)¹ of its “club” is not the advertisement of an organization that actually is trying to persuade parents to enroll their children in a legitimate after-school club. Demonic voices, chants playing backwards, screeching music, and rearing male goats is not intended to attract children or parents, but it is intended to play up the “Satan” angle, in an attempt to cause school districts to ban legitimate after-school clubs, in an effort to “keep out Satan,” and to alarm parents. TST is simply engaged in a targeted, hateful campaign, seeking its real goal of banning Good News Clubs by trying to be as offensive as possible.

Banning all non-school clubs, or Good News Club permission slips, however, is not required in order to protect children from hateful groups like the TST or its “after school club.” **School districts may simply require parental permission for any student participation in all privately-sponsored clubs**, and trust to the good judgment of parents. If schools do so, the “After School Satan” club will soon fizzle for lack of attendance and

¹ <https://www.youtube.com/watch?v=b48-SBYbahQ>

October 18, 2016
After School Satan Club
Page 3

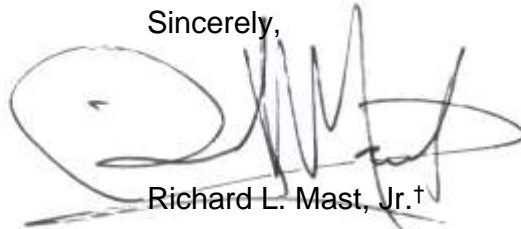

participation, just like this “club” at Centennial Elementary in the Mount Vernon School District, which [cancelled its facilities request](#),² or the previous atheist attempt at competing with and shutting down the Good News Club (the “[Better News Club](#)”³ or “Young Skeptics” club), which maligned the Christian beliefs of the Good News Club in one New York elementary school. This “club” met exactly one time last year, with children from only one family, which, due to language barriers, did not understand the nature of the club. As soon as the parents found out, they withdrew their children.

The similarity of rhetoric between atheists in the former and current instances is striking. The “Young Skeptics” club “goal is to provide children with an alternative, and scientifically based, view of the natural world around them...based on scientific discovery and evidence-based decision-making,” while the “After School Satan” club likewise “emphasizes a scientific, rationalist, non-superstitious world view.”

Whether a club is openly atheist in nature, or simply atheist in “Satan” garb, school districts should simply require signed parental permission for all clubs, and parents should simply withhold their permission for their children to participate with such unsavory groups. If schools and parents do so, “After School Satan” will remain only a website and an editorial by Kathryn Stewart in the Washington Post, and will have no impact on children.

Should your school or the Tacoma Public Schools be challenged for requiring all clubs to obtain parental permission, Liberty Counsel stands ready to provide a *pro bono* defense to your school district at no charge to the taxpayers. Should you have any questions about any of the points contained in this letter, or Liberty Counsel’s experience in these matters, please don’t hesitate to contact me at 407-875-1776.

Sincerely,

Richard L. Mast, Jr.[†]

Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is “working together with parents and the school to build solid moral and spiritual character into the lives of their children” based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST’s “After School Satan Clubs” are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a membership card and must have a signed parental permission slip to attend.

Obtained via WA PRA Request by Judicial Watch, Inc.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at:
satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

Yes, I heard this too. I was wondering what attorney was involved. Who deals with approving outside club use here? Is it a maintenance and operations decision or at the local building level? We might want to alert the folks involved about this issue and the need to work with us on it, should they get such a request.

To: HEATHER JONES
Subject: satan club

I strongly protest the After School Satan Club to be allowed on your premises.

This is a grave threat to the spiritual life of children and the future of education. "

Our Lord said: "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14)

I urge you to revoke the Satanic Temple's permit. Satan has no place in education. Don't let the devil near our children.

St. Michael the Archangel,
 defend us in battle.
 Be our defense against the wickedness and snares of the Devil.
 May God rebuke him, we humbly pray,
 and do thou,
 O Prince of the heavenly hosts,
 by the power of God,
 thrust into hell Satan,
 and all the evil spirits,

who prowl about the world [Obtained via WA PRA Request by Judicial Watch, Inc.](#)
seeking the ruin of souls. Amen..

Subject: Meeting with Tacoma Ministerial Alliance

Sent: Wed, 16 Nov 2016 03:07:18 GMT

Hi, Carla:
 I wanted to give you a brief report on today's meeting of the Tacoma Ministerial Alliance regarding the Satanic Temple of Seattle's use of Point Defiance Elementary School for an after school Satan club.

Deputy General Counsel Felipe Mendez and I attended the noon meeting at Eastside Baptist Church. About 12 ministers, pastors and bishops attended.

I provided the Alliance with background on the Temple's interaction with the district and the current status of our approval of the request to use a room in the school one day per month after school from 3:30 to 5:30 p.m.

Deputy General Counsel Mendez provided the Alliance with a legal explanation that requires the district to approve the request because we cannot discriminate against an organization because of its beliefs.

Alliance members asked a number of questions and made suggestions designed to find some loophole or strategy for the district to deny access to the club. Mr. Mendez was able to answer those questions and explain our obligation to allow the club to have access.

I answered several questions about the Satanic Temple's process for using the Tacoma Public Schools' Peachjar online distribution of materials system to provide Point Defiance ES parents with club and registration information. Per a request from the Alliance, after the meeting, I emailed a copy of the Satanic Temple's parent flier to Alliance President Pastor Montgomery.

The Alliance members also discussed the option of organizing a large community protest around the school on Dec. 14-- the first meeting date of the after school Satan club. Some Alliance members wanted to let the Satanic Temple know it was not welcome at the school. The Alliance members dismissed Mr. Mendez and me so they could continue discussions in private about their options and next steps.

Before we left, Alliance members applauded us and thanked us for attending and answering their questions. We thanked them for the invitation and the opportunity.

Clearly to me, most but not all Alliance members understood the school district had no choice but to approve the Satanic Temple's use of the school. One or two members could not come to grips with that and insisted the School Board ban the club from all our schools.

If you have any questions, please let me or Mr. Mendez know.

How did we get here?

- Tacoma Public Schools received an email late in the afternoon Oct. 11 from the Satanic Temple Seattle.
- The Temple asked for information about how to apply for afterschool facility use for Point Defiance.
- Superintendent Santorno notified the temple by email on Oct. 18 what the application process entails.
- The Tacoma Public School Board is following the law and has approved the use of space request.
- The Temple has applied for and been granted permission to use one room, once per month for a total of seven times between December and the end of the school year.
- Parents received electronic fliers about the program with instructions on how to register their children for it if they choose.
- A ruling by the U.S. Supreme Court is clear: Tacoma Public Schools cannot prevent an organization from using available space in our school based on their religious beliefs.
- I assure you no district leaders nor any Point Defiance Elementary School staff recruited this organization or endorse its presence at the school.

- No one connected with the school or the district recruited or endorses the program.

Why are you allowing this?

- Our guidelines are narrow. We are following the law, which is clear that we cannot discriminate against and organization based on its beliefs—religious, political, scientific or other.

Why are you endorsing the Satan Club?

- The District does not sponsor or endorse the After School Satan Club. We are following the law, and simply making the facility available after school hours on a nondiscriminatory basis.

Why are they allowed to distribute information?

- No one connected with the school or district has recruited or endorsed the program. Applications such as PeachJar are used as an avenue for parents and students to access a variety of community-related information.

Who has access to children. (background checks)

- Organizations renting school space to provided afterschool activities are not recruited or endorsed by the

school or district, therefore we do not vet their backgrounds. As with all afterschool programs, it would be up to each parent to decide whether they wanted to enroll their child in the program.

What if something bad happens to my child in their care.

- Thank you for asking that. We review situations on a one-by-one basis and would respond in accordance to the issue raised.

What are you doing to change the process?

- Great question. If this is something you feel passionately about, please consider bringing it forward to the Tacoma Public School Board. The next meeting is November 21, 6 p.m. at the Central Administration Building.

RAE FYI

Meeting: December 14, 5 p.m. in the Art Room

Information distributed this week in PeachJar.

Board meeting, November 21, 6 p.m. at the Central Administration Building.

Susan prepared this reply to a previous parent email to the school board. I have repurposed it for other replies to parents.

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as

parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear ligation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

Can do.

Could we tie it into the national school psychology awareness week post? I've been struggling with the message on that one.

Facebook

It's National School Psychology Awareness Week and we'd like to thank our 30 school psychologists and hundreds of educators help our students build social and emotional learning into their daily routines. Educators know moods matter in the classroom, and the mood meter at First Creek Middle School is helping students understand and manage their emotions. The mood meter is one tool students use as part of a social-emotional learning program developed by researchers at Yale University. It's called RULER: Recognizing, Understanding, Labeling, Expressing and Regulating emotions, and it's part of a larger Tacoma Whole Child Initiative, in partnership with the University of Washington Tacoma, which trains teachers in positive behavior reinforcement techniques, and teaches schools to track student attendance, behavior and course performance.

Dear Ms. Starr:

In response to your request to offer an After School Satan Club at Point Defiance Elementary, you may submit an application on the Request/Authorization for Use of Facilities/Fields form. A sample of the form was previously sent to you. However, the forms are on NCR paper and therefore you will need to use one of the actual forms. You may obtain a copy of such a form from the main office at the school or by contacting Paul Koch at the Maintenance and Operations Department, pkoch@tacoma.k12.wa.us, or Susan Schreurs, sschreu@tacoma.k12.wa.us, Interim General Counsel.

After completing the form, submit it to the main office staff of the school. It will be reviewed to determine if the dates and times you request can be accommodated. You will also need to submit a certificate of liability insurance with the application that complies with paragraph 1 of the General Rules for Use of School Facilities. If your organization is a nonprofit organization, you will need to submit documentation that you are a 501c(3) organization. If the required paperwork is in place and there is availability at the school, the paperwork will be submitted to the Maintenance and Operations Department for final review and a copy will be e-mailed to you.

If your organization is approved for use at Point Defiance, distribution of permission slips would be through the District's on-line portal, Peachjar, just as it is for other non-District sponsored organizations.

Thank you,
Carla J. Santorno

Hi, Matt:

Sent: Fri, 18 Nov 2016 22:07:24 GMT

Courts have reviewed the application of the Washington Constitution in the context of schools permitting student religious groups and found that the US Constitutional First Amendment provisions prevail over state provisions. Because we've allowed other outside groups that are religious, as well as those that aren't, to use our facilities, without our endorsement or sponsorship, we must make them available on a nondiscriminatory basis. Moreover, the After School Satan Club is paying for the use of the facility, pursuant to our policies for use.

I did see that, thanks Dan. And thanks for forwarding the memo yesterday.

One more question. I know the district's analysis looked at the 2001 Supreme Court decision. But what about the clause in the state Constitution that says: "No public money or property shall be appropriated for or applied to any religious worship, exercise or instruction, or the support of any religious establishment."

Is that not operative here?

 Hi, Carla:

Sent: Tue, 22 Nov 2016 15:21:37 GMT

Susan prepared this reply to a previous parent email to the school board. I have repurposed it for other replies to parents.

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as

parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear ligation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

To: info@tacoma.k12.wa.us, csantor@tacoma.k12.wa.us
Subject: Facility Use Request for After School Satan Club

Dear Carla Santorno,

On June 11, 2001, the U.S. Supreme Court ruled that Child Evangelism Fellowship could have access to public school facilities to conduct Good News Club meetings. The decision stated that religious clubs such as the Good News Club must be given the same access to school facilities accorded any other non-school related group.

Many school districts across the country (including yours) have (or have had) Good News Clubs using their facilities. As a result, those schools have opened their doors to school clubs of all religious viewpoints. While The Good News Club is “working together with parents and the school to build solid moral and spiritual character into the lives of their children” based on their religious point of view, The Satanic Temple (TST) also has plans to enrich the lives of children in your district.

TST is a religious organization that seeks to encourage benevolence and empathy among all people. In addition, TST embraces practical common sense and promotes justice. TST facilitates the communication and mobilization of politically aware Satanists, secularists, and other advocates for individual liberty.

Today TST is active in a rapidly growing number of states and is expanding just as rapidly into foreign countries, fighting for free speech, religious liberty, and rational, science-based inquiry and education. TST’s “After School Satan Clubs” are led by caring Satanists from local chapters in the community near the school. These teachers receive specialized training from TST and background checks are performed on every teacher we approve.

The After School Satan Club (ASSC) meets once a month immediately after school for one to one and a half hours. The meeting day will be determined in accordance with the schedule of existing after school activities. ASSC meetings typically include a healthy snack, literature lesson, creative learning activities, science lesson, puzzle solving, and art project. Every child receives a

membership card and must have a signed parental permission slip to attend.

The ASSC curriculum is based on principles that teach secular moral values, critical thinking, and self-determination. All children are welcome regardless of their religious background and parents are also welcome to attend. Safety is a priority and there will always be two or more adults with the children at all times. In addition, your school district will be provided a Certificate of Insurance for liability.

We would like to offer ASSC to the elementary-age children in Point Defiance Elementary School in your district. The purpose of this letter is to respectfully request that the Tacoma Public Schools District allow The Satanic Temple's ASSC to use school facilities after school hours. We would also like to distribute permission slips to all children at Point Defiance Elementary in accordance with your distribution policy.

In replying to this letter, please provide us with a copy of your district policies and applications and procedures related to "usage of facility" in your school. You may send your reply to our email at: satanictempleseattle@gmail.com

It is our desire to support your district, to contribute constructively to your schools' programs, and to help children lead productive lives. We respectfully ask that you consider this program and we look forward to receiving your positive response. Thank you for your kind attention to this matter.

Sincerely,

Lilith Starr

INSTRUCTIONS /FEE SCHEDULE FOR REQUEST / AUTHORIZATION FOR USE OF SCHOOL FACILITIES / FIELDS

1. Request and complete a **Request / Authorization for Use of School Facilities / Fields** form at the site where you would like to rent the facility / field. All sites manage their own building / field calendar. Call the number above for questions regarding fees, group type, and requirements.

A signature is required to indicate that the “General Rules for Use of School Facilities on the reverse side of the Request has been read, understood, and agreed to. Be specific on room and equipment requests. Make sure *all* contact information is listed and Group type is indicated. Note the Request number at the top of the form for easy reference when calling regarding your Request.

High School Stadiums, First Creek MS, Jason Lee MS, and Mason MS Turf Field Use Requests go through the Athletics Department: 253.571.1123

2. Return the form to the site. The following information must be attached:
 - Certificate of Liability Insurance with a minimum of \$1,000,000 for coverage that lists the “additionally insured” as Tacoma Schools District #10, c/o Buildings & Grounds, PO Box 1357, Tacoma, WA 98401 (Sites have a list of Certificates already on file.)
 - Non-Profit status paperwork 501c, if applicable
 - Team rosters reflecting 75% District participation, if applicable
 - Request for Sound/Lighting Technician, if applicable
 - Requests for Kitchen or Security are arranged by contacting the number listed on the form.
3. The site will review your Request. Both the Building Representative (Principal) and Chief Custodian must sign to approve the Request. The form is then sent to Buildings & Grounds for billing, if applicable, and a copy mailed out to confirm reservation.
4. District Requestors must fill in accounting for any possible custodial charges. A copy of the Request will be returned to the Requestor with estimated custodial time. Accounting will be entered during payroll for actual time submitted.
 - Requests must be presented at least thirty (30) days in advance of the date desired.
 - No Requests will be granted for more than sixty (60) days in advance.
 - Requests may only indicate dates in the current school year (September-August)
 - Requests will be granted on a first-come, first serve basis.
 - No group will be authorized for more than two (2) times a week, if other groups are requesting the facility.
 - A “second page” may be requested for repetitive monthly meetings over 3 months.
 - Payment is required prior to the event.
 - Decisions on fees are based on the Groups listed on the back.

GROUPS

- 1 The official programs and activities of the schools in the district.** (e.g., Associated Student Body (ASB), curricular and extracurricular student groups, District departments)
- A Local non-profit youth organizations or school oriented groups.** (e.g., Metro Parks, Girl/Boy/Cub Scouts, Campfire Girls, PTA/Booster organizations, groups of school employees for professional or recreational activities approved by the principal, school director associations, PSESD, and other educational organizations, district recognized bargaining groups, High School Alumni Associations)
- B Non-local non-profit youth activities and small local non-profit adult organizations.** (e.g., Civic service/community groups)
- C Large local or non-local non-profit adult organizations.** (e.g., Colleges, religious institutions, adult athletics, government organizations)
- D Profit / private events.** (e.g., Organizations that charge admission and/or participation fees, business corporation events, weddings, receptions, private parties, fairs, semi-professional groups)

RENTAL RATES & FEES

Key to Fees

OT: Overtime

C: Custodial (based on hours in the building plus approximately 1-4 hours for cleanup with 3 hour minimum)

R: Rent (based on hours in the building)

U: Utilities

TT: Theater Tech (based on hours in building plus 1 hour for setup/breakdown)

Possible additional fees: Security: \$48/hr; Kitchen: \$30/hr for staff (billed by Food Services)

General Rules for Use of School Facilities

1. Applicants will provide proof of insurance for \$1,000,000.00 combined single limit comprehensive general liability insurance for bodily injury, with the Tacoma School District named as an additional insured. Certain activities may require additional insurance at the District's discretion based on the nature and scope of use. Contact the Maintenance and Operations Department at (253) 571-3313 regarding insurance coverage questions. The group in whose name the use permit is issued is responsible for damage done to District property and for restitution of such damage.
2. The applicant/user organization shall defend, protect, indemnify and hold the District, its officers, employees and agents harmless from any and all liabilities or rights of action directly or indirectly arising out of the use of the premises covered by the Building Use Request.
3. The District is not responsible for losses of personal property by individuals or groups during an approved building activity.
4. The Board of Directors reserves the right to revoke any authorization issued for the use of a school building or grounds and if rental has been paid, to refund such rental less expense incurred by the District in connection therewith.
5. So long as the District allows outside groups to use its school buildings, grounds and facilities, it will provide equal access to the Boy Scouts and other designated youth groups. The following district official has been designated to handle inquiries regarding the Boy Scouts of America Equal Access Act: Chief Operating Officer, P.O. Box 1357, Tacoma, WA 98401-1357 (253) 571-3300.
6. Per Building Use Regulations, requests must be presented at least 30 days in advance of date desired but no more than 60 days in advance. Special consideration may be given to those groups with future calendar deadlines.
7. Per Building Use Regulations, no group will be authorized for more than two (2) times a week, if other groups are requesting the facility.
8. By signing this form, Applicant agrees to be financially responsible for any charges incurred. No requests for reductions in the rental fees or extra costs will be considered.
9. The applicant shall notify both the facility and Buildings & Grounds Department of any cancellation of previously scheduled event at least five (5) working days prior to scheduled use. In case of failure to do so, the District may invoice for expenses incurred in preparation for use of the facility requested.
10. The use of facilities shall be restricted to those spaces and times specifically covered in the Building Use Request. If a user does not comply with this requirement, the District may charge the user additional facility use fees for which the user shall be responsible. If an applicant has unpaid fees, it may be denied further use of District facilities.
11. All applicants/user organization must comply with District rules:
Use of language or actions which are offensive or profane to a person of ordinary sensibilities will not be tolerated.
Liquor, drugs or use of tobacco products are prohibited on District property.
Weapons are prohibited on District property.
In addition, individual schools and facilities may compile and post in a conspicuous location other supplemental special rules which are applicable to specific situations and locations.
12. All applicants/organizations using school facilities shall provide adequate adult supervision which shall remain with the group during all activities and be responsible for the group's conformance with all rules and regulations.
13. The applicant is responsible for providing emergency telephone access and first aid kit for emergency situations.
14. A private, nonprofit youth program, by signing this form, verifies that it complies with the policies for management of concussions and head injuries as set out in RCW 28A.600.190.
15. Fire and safety regulations of the Tacoma School District, the City of Tacoma and the State of Washington must be observed at all times.
16. In its use of the facility, the applicant/user shall not discriminate in violation of federal or state law or local ordinance.
17. All groups shall leave the school facilities in the same order and condition in which they found them.
18. Tables, chairs, desks and other furniture and equipment shall not be moved from one room to another unless specifically mentioned on the permit and, by or under, the direct supervision of a District employee. Extra or unusual services for program or activities must be identified in the Building Use Request.
19. No decorations or the application of materials to walls, ceilings or floors shall be permitted which will mar, deface or injure these surfaces. No wax or other substances shall be applied to the floors.
20. This agreement does not include the right of advertising on school premises other than the right to post signage two hours in advance of an event for the purpose of directing people to the location of the event.

Regulation 4260R

Use of School Facilities

1. The use of school buildings, grounds and facilities by outside groups shall be administered by the District's Maintenance and Operations department.
2. All outside groups desiring to use district facilities must complete and submit a district-Request/Authorization for Use of School Facility/Field form and a certificate of insurance, as addressed in 7 to the office at the facility being requested for use. Request for use of district facilities with synthetic fields must be requested through the district's Department of Student Life rather than the school the synthetic field is located closest to. There will be no exceptions to the written application process. Requests should be presented at least 30 days in advance of the date desired.
3. So long as the district allows outside groups to use its school buildings, grounds and facilities, it will provide equal access to the Boy Scouts and other designated youth groups. The following district official has been designated to handle inquires regarding the *Boy Scouts of America Equal Access Act*:

Chief Operating Officer
Tacoma Public Schools
P.O. Box 1357
Tacoma, WA 98401-1357
(253) 571-3300

4. Use of school facilities are placed into one of three categories: no charge, reimbursement cost, and payment of rent. No charge: as long as custodial staff is on regular duty and no additional district support is needed. Typical are: school-related activities, community functions, park district functions, scouts, non-profit and charitable groups, school employees for professional development or recreational activities, alumni reunions.
5. Reimbursement of district direct costs. Typical are: activities scheduled when custodial staff are not normally working or when technical, Nutrition Services, security or maintenance staff is required.
6. Payment of rent. Typical are: when admission is charged for an event, when rental is of a public hall nature such as entertainment, advertising and demonstrations, dealers meeting, church lectures, for-profit organizations, college/university use.
7. Applicants will provide proof of coverage for comprehensive general liability insurance for bodily injury, with the school district named as an additional insured. The group in whose name the permit is issued is responsible for damage done to school property.

Regulation 4260R

8. The district reserves the right to cancel any permit issued and to refund any payment made for the use of facilities where it deems such action advisable and in the best interests of the school district, or to modify its policies at any time.
9. All rental fees shall be paid at the Maintenance and Operations at least two weeks of scheduled use.
10. Groups or organizations requesting the use of district facilities after normal working hours, weekends or holidays, will be charged labor and custodial costs, utilities and an extra cover charge if heating is required.
11. The use of district equipment such as computers during the use of district facilities shall be subject to approval and payment of a district-established fee.
12. The use of tobacco, the use of intoxicants and the use of drugs, profane, indecent language or disorderly conduct on school property is prohibited. Failure on the part of organizations to enforce this regulation shall be considered sufficient cause to refuse further use of school buildings to the offending organizations. Applicants must assume responsibility for compliance with these rules and for any damage which may be done to the property.
13. Radio and television broadcasts of events may be permitted, upon written request, under the following conditions: Requests for permission to broadcast any event will be cleared by the department of Maintenance and Operations and respective school or department prior to granting of facility use permit. Request must be made at least two weeks prior to the date of the event. Arrangements for broadcast lines, television cables, booths, construction of towers, platforms, and electrical outlets must be made with the director of Maintenance and Operations. Applicants must assume responsibility for any costs incurred by the district for such broadcasts and for any damages which may be done to property and equipment by such broadcasts.
14. The department of Maintenance and Operations shall prepare necessary facilities/equipment rental fee schedules which are to be submitted to the board of directors for approval. This rental fee schedule will apply to the use of school auditoriums for classes, lectures, concerts, motion pictures, theatricals, entertainment, advertising demonstrations, manufacturers' dealer meetings, church lectures and meetings for promotion or advancement of their own organization or denomination and political meetings by an individual candidate or a single recognized political party for exclusively individual or party use, for which public halls generally are rented, and in particular to every event to which an admission charge or fee is made, or at which a collection is to be taken for the purpose of compensating the lectures, performers or organizations other than as provided.

Regulation 4260R

15. Auditoriums may be rented by community organizations for meetings for advancement of community projects or programs, for non-partisan political meetings, for meetings by character-building organization other than for advancement of their own group, sect or denomination (for which the public hall rental school apply); meetings by city or their governmental bodies, free concerns, graduations by colleges, hospitals, parochial schools and all events to which an admission charge is made with the entire proceeds going to a recognized charitable organization.
16. Meetings of the state and county school directors' associations and other educational organizations and meetings called by the Educational Service District, and by district-recognized bargaining groups, shall be granted without cost. Principals may approve the use of school classrooms, auditoriums or gymnasiums by groups of school employees for professional or recreational activities if no additional expenses for custodial service or heat are involved. If additional costs are incurred it will be the responsibility of the renter to reimburse the district.
17. Girl Scouts, Boy Scouts, Cub Scouts, Campfire Girls and similar non-sectarian, non-profit and charitable groups organized for the benefit of district students may use district facilities at no cost.
18. Parent-Teacher-Student Associations, preschool associations and local building school community groups will not be charged for the use of district facilities during normal working hours and not requiring staff to work overtime.
19. High schools alumni associations may be granted the use of district facilities at no cost during normal working hours or on a cost reimbursement basis on weekends and holidays.
20. Sunday school or religious services may be held in schools when other quarters are not available. A reasonable rental plus reimbursement for heat, lights and custodial services will be required. Definite plans for construction of their own facilities must be indicated to the Maintenance and Operations department and on file before approval can be granted.
21. The rental charge for the use of any facility with synthetic facilities/fields for athletic events, entertainment, concerts, lectures, addresses, conventions, shows, etc., shall be as based on approved fee schedule, plus reimbursement of expenditures made by the school district in preparing, operating and cleaning of such facilities/fields in connection with such events. When other governmental branches or civic organizations desire the use of synthetic facilities/fields for addresses, concerts, demonstrations or displays which are free to the public, they may have the use of said facilities/fields by reimbursing the school district for actual expenditures incurred in preparing, operating and cleaning the facilities/fields. All concessions at synthetic facilities will be operated by the school district, or its designee, for the benefit of the high school activity funds. Permission to use

Regulation 4260R

synthetic facilities/fields or any other school facility carries with it the obligation on the part of the user to honor all life passes issued to present and former school board members pursuant to the resolution of the school board adopted May 11, 1933.

22. Gymnasiums, when not required by the district or the school district/park district cooperative recreation program, may be rented for games at which an admission is charged. The building rental charge will be based on an approved fee schedule.
23. Dinners or special meals may not be served in the school lunchrooms except when sponsored by the school-affiliated PTSA, PTA, Booster Clubs or preschool groups, professional organizations or other groups upon approval of the school district. Light refreshments may be served after PTSA, PTA or preschool groups, provided prior arrangements have been made with the lunchroom cook-manager.
24. Swimming pools, when not required for the schools or the school district/park district cooperative recreation program, are available for use by outside groups at established rental fees. Renters must furnish the required lifeguard services and their own towels.
25. When Washington Interscholastic Activities Association (WIAA) schools are involved in sub-district, district-regional or state meets, the district will assume necessary custodial, maintenance, heating and lighting costs incurred in conducting qualifying events in district facilities. When outside schools are involved in any other events conducted in district schools, the district will provide services as stated above. However, any revenue over and above expenses for running the event, i.e. gate help, officials, meet manager, etc. will be remitted to the finance office to defray the costs of the above services provided by the district together with an itemized accounting of income and expenses.
26. During presidential election years, when major political parties are required to hold caucuses, as provided in RCW 29.13.010, no rental fee shall be charged.
27. Gyms, playgrounds, athletic fields and school facilities use will be in accordance with the following guidelines and conditions:

Authorized use of playground and athletic fields, in Tacoma School District No. 10, will be granted after application is made by completing a "Request / Authorization for Use of School Facilities / Fields" form" and providing appropriate certificate of liability insurance. This form is available at school district sites. The application will be submitted to the site administrators for his/her approval. The documents will then be forwarded to the department of Maintenance and Operations for final approval.

The following will have priority of use of school district facilities:

- a. Priority use of designated facilities will be given to each school at their site.
- b. Tacoma School District No. 10 student activities from other

Regulation 4260R

- buildings.
- c. Requests for use of school district facilities by the Metropolitan Park District as per interlocal agreement.
- d. Request for use of school district facilities by local youth organizations. (A local youth organization is defined as any group consisting of students (k-12) having 75% of their members residing within the Tacoma School District No. 10.
- e. Requests for an authorization for use of school facilities will be granted for other groups in the following order of priority:
- f. Request for use of school facilities by other school districts.
- g. Request for use of school district facilities by local universities and colleges (University of Puget Sound, Pacific Lutheran University, and Tacoma Community College.)
- h. Request for use of school facilities by local adult non-profit groups. (A local adult group is defined as any group above grade 12 having 75% of its members residing within the Tacoma School District No. 10 operating under a non-profit status).
- i. Request for use of school facilities by outside youth groups. (Outside youth groups (k-12) are those participants in which 25% or more reside outside of the Tacoma School District No. 10.
- j. Request for use of school facilities by non-local adult, non-profit groups (A non-local group is defined as any group above grade 12 having 25% or more of its members residing outside the school district.)
- k. Request for use by commercial groups. (A commercial group is defined as any group or business licensed to do business within the State of Washington.

The site administrator is authorized to develop a system at his/her site to ensure that:

- a. No authorizations for use of school facilities will be granted for more than sixty days in advance.
 - b. An authorization will be granted on a first-come, first-served basis.
 - c. No group will be authorized for more than two times a week if other groups are requesting the facility.
28. A student or a group of students who wish to conduct a meeting on school premises during the non-instructional time shall file an application for permission for the meeting with the principal of the school building at which the meeting is to be held. The application shall state:
- a. The name and address of the student or students and an affirmation by the person preparing the application that the student(s) has voluntarily initiated the meeting.

Regulation 4260R

- b. A description of the type of meeting and a statement of purpose and an estimate of expected attendance. This should be accompanied by a copy of any material used to advertise the meeting.

If a non-school attendee is to be in attendance, his or her name and address must be furnished, along with the organization with which he or she is affiliated, if any. If the meeting is a religious one, the non-school attendee shall furnish an affirmation that he is not directing, conducting or regularly attending the activity. The name of the faculty or staff sponsor/monitor of the meeting (if required) and if the meeting is for religious purposes, affirmation by that person that he/she is not participating in the meeting.

- 29. The principal shall approve the meeting if the application is so filled out and if determined that:
 - a. The meeting is voluntary and student-initiated.
 - b. The meeting will not materially and substantially interfere with the orderly conduct of the school's educational activities.
 - c. Employees of the district are present at religious meetings in a non-participatory capacity.
 - d. Non-school persons are not directing, controlling or regularly attending the activity.
 - e. There is no school influence on the form or content of any prayer or religious activity during a meeting for those purposes.
 - f. No person will be required to participate in prayer or other religious activity during a meeting or activity.
 - g. No employee will be compelled to attend a meeting if the content at the speech at the meeting is contrary to his/her beliefs.
 - h. If the request is submitted, forms are received at least three days prior to the requested meeting.
 - i. Information on facility, equipment fee schedules, auditorium capacities, playfield information is available at the department of Maintenance and Operations.
 - j. The director of buildings and grounds will be responsible for developing and maintaining necessary operating procedures for the use of district facilities by outside groups.

Amended 1/22/13

Policy No. 4260
Community Relations

USE OF SCHOOL FACILITIES

The buildings, grounds and facilities of Tacoma School District No. 10 are primarily to serve the educational needs of the students of the district. No other use shall be permitted to interfere with this primary purpose. Authorization for use of school facilities shall not be considered endorsement or approval of the activity, group or organization or the purposes it represents.

School facilities are purchased with public funds; therefore, facilities will be made available to the public. Activities directly related to the educational programs of the district shall have first priority in the use of facilities.

The board of directors may authorize non-commercial Washington state exempt, non-profit organizations and groups to utilize school facilities at no cost, or on a cost reimbursement basis if their use is required beyond normal working hours. This category includes groups and organizations dedicated to promotion of education, and general welfare activities of the community.

The Tacoma School District No. 10 does not wish to compete unfairly with private enterprise and therefore reserves the right to reject any applications for use of district facilities when it believes a commercial facility should be patronized.

The intent of this policy is to provide a service to the community but not to compete with local business establishments.

For purposes of prioritizing use of facilities, the following order of priority shall apply:

1. Official district or school-related programs or activities and district or school-oriented groups.
2. Non-profit youth organizations and school or employee-oriented groups within the district boundaries that provide services to district students or employees and other government entities, so long as fees or tuition are not charged to participants by the government entity. Priority for use within this category shall be based upon shared facility use agreement(s) with the Metropolitan Park District, and then others within this classification.
3. Other non-profit, civic and service groups not addressed in Paragraph 2, including non-profit organizations and non-commercial youth activities that are based outside the district.
4. Non-commercial groups that have a primary focus on meeting the needs of youth and/or adults in the community.

5. Commercial and other functions.

For rental purposes, the following fees/costs shall apply:

1. Official or school-related programs or activities may use facilities without charge.
2. For groups within Paragraph 2 above, when a facility is used outside of regular custodial hours, or the district incurs extra utility, cleaning, staff or other costs, a rental fee shall be charged to recoup those costs.
3. For groups within Paragraphs 3 and 4 above, a rental fee shall be charged in excess of costs incurred. Such excess charges may be waived when a service club or other non-profit entity is raising funds for charitable purposes. If a college or university is offering a course and charging tuition and the course is not primarily for district students or staff, its use shall fall under this category.
4. Commercial enterprises, including profit-making organizations and business-related enterprises, as well as groups that do not fit within the other paragraphs, shall be charged a rate in accordance with the fee structure outlined in Regulation 4260R.

Non-profit groups that typically have their own facilities including, but not limited to lodges, veterans groups, churches and granges, may use district facilities on a regular, but temporary, basis.

The superintendent is authorized to establish Regulations for use of facilities consistent with this policy, including, but not limited to, rental rates, supervisory requirements, restrictions, and security.

Dear Mr. and Ms. Galligan:

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Sincerely,

SUSAN SCHREURS

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

INSTRUCTIONS /FEE SCHEDULE FOR REQUEST / AUTHORIZATION FOR USE OF SCHOOL FACILITIES / FIELDS

1. Request and complete a **Request / Authorization for Use of School Facilities / Fields** form at the site where you would like to rent the facility / field. All sites manage their own building / field calendar. Call the number above for questions regarding fees, group type, and requirements.

A signature is required to indicate that the “General Rules for Use of School Facilities on the reverse side of the Request has been read, understood, and agreed to. Be specific on room and equipment requests. Make sure *all* contact information is listed and Group type is indicated. Note the Request number at the top of the form for easy reference when calling regarding your Request.

High School Stadiums, First Creek MS, Jason Lee MS, and Mason MS Turf Field Use Requests go through the Athletics Department: 253.571.1123

2. Return the form to the site. The following information must be attached:
 - Certificate of Liability Insurance with a minimum of \$1,000,000 for coverage that lists the “additionally insured” as Tacoma Schools District #10, c/o Buildings & Grounds, PO Box 1357, Tacoma, WA 98401 (Sites have a list of Certificates already on file.)
 - Non-Profit status paperwork 501c, if applicable
 - Team rosters reflecting 75% District participation, if applicable
 - Request for Sound/Lighting Technician, if applicable
 - Requests for Kitchen or Security are arranged by contacting the number listed on the form.
3. The site will review your Request. Both the Building Representative (Principal) and Chief Custodian must sign to approve the Request. The form is then sent to Buildings & Grounds for billing, if applicable, and a copy mailed out to confirm reservation.
4. District Requestors must fill in accounting for any possible custodial charges. A copy of the Request will be returned to the Requestor with estimated custodial time. Accounting will be entered during payroll for actual time submitted.
 - Requests must be presented at least thirty (30) days in advance of the date desired.
 - No Requests will be granted for more than sixty (60) days in advance.
 - Requests may only indicate dates in the current school year (September-August)
 - Requests will be granted on a first-come, first serve basis.
 - No group will be authorized for more than two (2) times a week, if other groups are requesting the facility.
 - A “second page” may be requested for repetitive monthly meetings over 3 months.
 - Payment is required prior to the event.
 - Decisions on fees are based on the Groups listed on the back.

GROUPS

- 1 The official programs and activities of the schools in the district.** (e.g., Associated Student Body (ASB), curricular and extracurricular student groups, District departments)
- A Local non-profit youth organizations or school oriented groups.** (e.g., Metro Parks, Girl/Boy/Cub Scouts, Campfire Girls, PTA/Booster organizations, groups of school employees for professional or recreational activities approved by the principal, school director associations, PSESD, and other educational organizations, district recognized bargaining groups, High School Alumni Associations)
- B Non-local non-profit youth activities and small local non-profit adult organizations.** (e.g., Civic service/community groups)
- C Large local or non-local non-profit adult organizations.** (e.g., Colleges, religious institutions, adult athletics, government organizations)
- D Profit / private events.** (e.g., Organizations that charge admission and/or participation fees, business corporation events, weddings, receptions, private parties, fairs, semi-professional groups)

RENTAL RATES & FEES

Key to Fees

OT: Overtime

C: Custodial (based on hours in the building plus approximately 1-4 hours for cleanup with 3 hour minimum)

R: Rent (based on hours in the building)

U: Utilities

TT: Theater Tech (based on hours in building plus 1 hour for setup/breakdown)

Possible additional fees: Security: \$48/hr; Kitchen: \$30/hr for staff (billed by Food Services)

Subject: Re: Satan Club

Dr. Lubischer,

I have not authorized this club it is not a school-related activity. The district has followed the laws which grant outside organizations to rent space in Tacoma Public Schools facilities.

I've not spoken to one member of this organization. My staff and I do not endorse, recruit or have anything to do with this club. I certainly understand the concern and we have opened up two community forums to answer questions related to this topic the last conversation was just last Friday at 6:00PM. Please feel free to visit <http://www.worldreligionnews.com/religion-news/tacoma-parents-protest-after-school-satan-club> which is an article that captures more information on the topic. . If you have further questions, please feel free to call me at (253) 640-1428.

Thank you for your inquiry and I appreciate your concern.

Lisa Boyd

Dear Ms. Boyd:

According to your mission: " Point Defiance welcomes students, families, and the community to a nurturing, learning environment that promotes academic achievement. We have a clear and shared

focus to ensure high standards and expectations for all. Together, we provide the knowledge and skills for students to become respectful, responsible, life-long learners and citizens." Given this mission, how can you authorize a Satan Club?

Joan C. Lubischer, Ph.D.

Subject: Satanic Club

Dear Ms Vialle, Ms Ushka, Ms Cobb, Ms Winskill, Ms Boyd, Santor and Mr Heinze,

I want to place my protest that you have allowed the Satanic Temple to hold an after school "Satan Club". I strongly ask you to stop this club from holding meetings at the school. You are allowing the teaching of Satan's lies to the littlest and most vulnerable of our children who cannot protect themselves. The US was formed on "One Nation Under God" not on Satan, the Father of Lies. You will be harshly judged for misleading children.

"If anyone causes one of these little ones--those who believe in me--to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea." Matt 18:6

Save yourself and these children. As a parent I don't understand why anyone would want to place children in harms way?

Stop the Satanic Club from meeting in your school. And may God have mercy on your soul if you don't.

Joyce Minehan

General Rules for Use of School Facilities

1. Applicants will provide proof of insurance for \$1,000,000.00 combined single limit comprehensive general liability insurance for bodily injury, with the Tacoma School District named as an additional insured. Certain activities may require additional insurance at the District's discretion based on the nature and scope of use. Contact the Maintenance and Operations Department at (253) 571-3313 regarding insurance coverage questions. The group in whose name the use permit is issued is responsible for damage done to District property and for restitution of such damage.
2. The applicant/user organization shall defend, protect, indemnify and hold the District, its officers, employees and agents harmless from any and all liabilities or rights of action directly or indirectly arising out of the use of the premises covered by the Building Use Request.
3. The District is not responsible for losses of personal property by individuals or groups during an approved building activity.
4. The Board of Directors reserves the right to revoke any authorization issued for the use of a school building or grounds and if rental has been paid, to refund such rental less expense incurred by the District in connection therewith.
5. So long as the District allows outside groups to use its school buildings, grounds and facilities, it will provide equal access to the Boy Scouts and other designated youth groups. The following district official has been designated to handle inquiries regarding the Boy Scouts of America Equal Access Act: Chief Operating Officer, P.O. Box 1357, Tacoma, WA 98401-1357 (253) 571-3300.
6. Per Building Use Regulations, requests must be presented at least 30 days in advance of date desired but no more than 60 days in advance. Special consideration may be given to those groups with future calendar deadlines.
7. Per Building Use Regulations, no group will be authorized for more than two (2) times a week, if other groups are requesting the facility.
8. By signing this form, Applicant agrees to be financially responsible for any charges incurred. No requests for reductions in the rental fees or extra costs will be considered.
9. The applicant shall notify both the facility and Buildings & Grounds Department of any cancellation of previously scheduled event at least five (5) working days prior to scheduled use. In case of failure to do so, the District may invoice for expenses incurred in preparation for use of the facility requested.
10. The use of facilities shall be restricted to those spaces and times specifically covered in the Building Use Request. If a user does not comply with this requirement, the District may charge the user additional facility use fees for which the user shall be responsible. If an applicant has unpaid fees, it may be denied further use of District facilities.
11. All applicants/user organization must comply with District rules:
Use of language or actions which are offensive or profane to a person of ordinary sensibilities will not be tolerated.
Liquor, drugs or use of tobacco products are prohibited on District property.
Weapons are prohibited on District property.
In addition, individual schools and facilities may compile and post in a conspicuous location other supplemental special rules which are applicable to specific situations and locations.
12. All applicants/organizations using school facilities shall provide adequate adult supervision which shall remain with the group during all activities and be responsible for the group's conformance with all rules and regulations.
13. The applicant is responsible for providing emergency telephone access and first aid kit for emergency situations.
14. A private, nonprofit youth program, by signing this form, verifies that it complies with the policies for management of concussions and head injuries as set out in RCW 28A.600.190.
15. Fire and safety regulations of the Tacoma School District, the City of Tacoma and the State of Washington must be observed at all times.
16. In its use of the facility, the applicant/user shall not discriminate in violation of federal or state law or local ordinance.
17. All groups shall leave the school facilities in the same order and condition in which they found them.
18. Tables, chairs, desks and other furniture and equipment shall not be moved from one room to another unless specifically mentioned on the permit and, by or under, the direct supervision of a District employee. Extra or unusual services for program or activities must be identified in the Building Use Request.
19. No decorations or the application of materials to walls, ceilings or floors shall be permitted which will mar, deface or injure these surfaces. No wax or other substances shall be applied to the floors.
20. This agreement does not include the right of advertising on school premises other than the right to post signage two hours in advance of an event for the purpose of directing people to the location of the event.

<http://www.thenewstribune.com/news/local/education/article113424598.html>

link left in comment section of story.... Thought I would include it in case parents or concerned citizens read the article and call about it

<https://gpluslighthouse.wordpress.com/2016/10/10/after-school-satan-clubs-exposed/>

The article goes into the author's in depth translation of the After School Satan Club logo and how it proves that the club will be trying to ***brainwash*** the children into worshipping Satan.

Happy Wednesday

Thank you ☺

Yes, I heard this too. I was wondering what attorney was involved. Who deals with approving outside club use here? Is it a maintenance and operations decision or at the local building level? We might want to alert the folks involved about this issue and the need to work with us on it, should they get such a request.

To: LISA BOYD
Subject: Press Inquiry/Los Angeles Times

From Rick Anderson, Seattle correspondent, LA Times

Hi Principal Boyd, I'm following up on the plans announced by the Seattle Satanic Temple to form an After School Satan Club at your school. The temple had originally planned to form a club in Mount Vernon, but faced delays, the temple's leader tells me, and they have now chosen Point Defiance in hope of getting a club up and running sooner.

Can you tell me how the school feels about the request, what it plans to do, and why, if you know, PD is being targeted? There are such clubs in other cities around the U.S, and rejecting their efforts likely means going to court, where rulings favor the temple based on a religious freedom argument.

The Satanists seem to be undertaking all this with a bit of a wink – they don't actually worship the devil, but use him in their effort to oppose formal religious organizations who, in their view, "indoctrinate" youths with the after-school teachings.

Any information/comments much appreciated. Hoping you can respond by later today.

Dear Ms. Santorno,

Thank you very much for the info on your application process. We will make sure to follow your district's guidelines as we apply.

Thank you,
Lilith Starr

On Thu, Oct 20, 2016 at 7:18 AM, CARLA SANTORNO <CSANTOR@tacoma.k12.wa.us> wrote:

Dear Ms. Starr:

In response to your request to offer an After School Satan Club at Point Defiance Elementary, you may submit an application on the Request/Authorization for Use of Facilities/Fields form. A sample of the form was previously sent to you. However, the forms are on NCR paper and therefore you will need to use one of the actual forms. You may obtain a copy of such a form from the main office at the school or by contacting Paul Koch at the Maintenance and Operations Department, pkoch@tacoma.k12.wa.us, or Susan Schreurs, sschreu@tacoma.k12.wa.us, Interim General Counsel.

After completing the form, submit it to the main office staff of the school. It will be reviewed to determine if the dates and times you request can be accommodated. You will also need to submit a certificate of liability insurance with the application that complies with paragraph 1 of the General Rules for Use of School Facilities. If your organization is a nonprofit organization, you will need to submit documentation that you are a 501c(3) organization. If the required paperwork is in place and there is availability at the school, the paperwork will be submitted to the Maintenance and Operations Department for final review and a copy will be e-mailed to you.

If your organization is approved for use at Point Defiance, distribution of permission slips would be through the District's on-line portal, Peachjar, just as it is for other non-District sponsored organizations.

Thank you,
Carla J. Santorno

Subject: Email to the school board

Dear Mr. and Ms. Galligan:

This is in response to your email to the Board of Directors expressing concern for the decision to allow the After School Satan Club to use a meeting room at one of our schools after school hours.

When taking office School Directors swear to uphold the laws of the State of Washington and the United States. As required by state law, the District must allow the use of school facilities "for meetings, whether public, literary, scientific, religious, political, mechanical, agricultural or whatever." The District has made its facilities available to a wide variety of outside users after school hours, including clubs that study the Bible. The United States Supreme Court has ruled that school districts cannot discriminate on the basis of a group's or club's viewpoint.

The District does not sponsor or endorse the After School Satan Club. It is simply making its facility available after school hours on a nondiscriminatory basis. Whether any student attends the ASSC will be a decision that the parents of the students make, not the District.

Sincerely,

SUSAN SCHREURS

Interim General Counsel

Subject: Action Needed: destructive "school clubs"

Greetings Tacoma School Board members,

I wanted to take a moment of your time to go over an article from the News Tribune entitled, "Tacoma parents plead to keep satan club out of elementary schools".

This is a growing issue within our public school systems to cater to the ideology of satanism by organizations that are dedicated to steering our children towards radicalism and away from a moral mindset, "do as you wish, not what is right".

The responses from administrators that this "club" cannot be prevented from becoming a school campus activity due to other after school clubs and programs is absurd in my honest opinion. We as parents, teachers, and administrators have a great responsibility to protect our children and students from harmful and not-sound doctrine, and ensure they are getting the nurturing and education that growing minds need to succeed. The after school satan club does nothing to accomplish this, but only provides indoctrination to a cult level ideology that leads to self-destruction, as it is anti-moral in nature and definition. Please don't just take my word for it - if you are unfamiliar with the beliefs, teachings, practices, and association of this system, please take some time to review and understand what you are tacitly allowing our children to be exposed to and then try to tell us with a straight face that this is acceptable.

The outcry is clear, and I urge this decision to be reconsidered and re-reviewed below allowing such a travesty to impact our children and education community in a heavily negative manner. There are manners to resolve this in which the school district doesn't have to fear litigation or court proceedings by Lucian Graves' organization and can once again gain the favor of the parents and administrators of the young students impacted. It is your duty to explore ALL options in order to protest this travesty and is expected as you are representatives of the people, not self serving organizations.

With that said, please strive to do what is right, not politically motivated. It's our voices that need to be heard, no matter the position. I wish you all the best in virtuous endeavors, for the sake of the being moral, but also wish you to be bold when it comes to protecting our children and the integrity of educational institutions. Thanks and best wishes from a concerned parent.

Respectfully,

Ken Lloyd

Let's get clear on our role for outside use of our facilities.

Paul, please confirm the Facility Use operations. I'm under the impression that we do not make determinations or give approvals for use unless it does not conform to the physical space (for Code or safety related issues). We would process the agreement side, payment, contracts, insurance, etc.

Please review and respond to the thread below.

Thanks,

Steve
