Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

Judicial Watch, Inc. ("Judicial Watch") hereby requests that the Air Force produce the following records pursuant to the Freedom of Information Act, 5 U.S.C. § 552 ("FOIA"):

1. Any and all records concerning mission taskings of Vice President Pence's February 2017 trip to Houston, Texas;
2. Any and all records concerning transportation costs for Vice President Pence's February 2017 trip to Houston, Texas;
3. Any and all passenger manifests (DD-2131) for Vice President Pence's February 2017 trip to Houston, Texas.

The time frame for this request runs from January 20, 2017 to the present.

Please determine whether to comply with this request within the time period required by FOIA and notify us immediately of your determination, the reasons therefor, and the right to appeal any adverse determination to the head of the agency or his or her designee. 5 U.S.C. § 552(a)(6)(i). Please also produce all responsive records in an electronic format ("pdf" is preferred), if convenient. We also are willing to accept a "rolling production" of responsive records if it will facilitate a more timely production.

Judicial Watch also hereby requests a waiver of both search and duplication fees. We are entitled to a waiver of search fees because we are a "representative of the news media." See 5 U.S.C. § 552(a)(4)(A)(ii)(II); see also *Cause of Action v. Federal Trade Comm.*, 799 F.3d 1108 (D.C. Cir. 2015); *Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381 (D.C. Cir. 1989). For more than twenty years, Judicial Watch has used FOIA and other investigative tools to gather information about the operations and activities of

Air Force

February 6, 2017

government, a subject of undisputed public interest. We submit over 400 FOIA requests annually. Our personnel, which includes experienced journalists and professional writers on staff and under contract, use their editorial skills to turn this raw information into distinct works that are disseminated to the public via our monthly newsletter, which has a circulation of over 300,000, weekly email update, which has over 600,000 subscribers, investigative bulletins, special reports, www.judicialwatch.org website, *Corruption Chronicles* blog, and social media, including Facebook and Twitter, among other distribution channels. We have authored several books, including *Corruption Chronicles* by Tom Fitton (Threshold Editions, July 24, 2012), and *Clean House* by Tom Fitton (Threshold Editions, Aug. 30, 2016). In 2012, we produced a documentary film, "District of Corruption," directed by Stephen K. Bannon. Our "news media" status has been confirmed in court rulings. See, e.g., *Judicial Watch, Inc. v. U.S. Dep't of Defense*, 2006 U.S. Dist. LEXIS 44003, *1 (D.D.C. June 28, 2006); *Judicial Watch, Inc. v. U.S. Dep't of Justice*, 133 F. Supp.2d 52 (D.D.C. 2000). As a tax exempt, 501(c)(3) non-profit corporation, we have no commercial interests and do not seek the requested records for any commercial use. Rather, we intend to use the requested records as part of our ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

Judicial Watch also is entitled to a waiver of both search fees and duplication fees because "disclosure of the information is in the public interest." 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure of the requested records undoubtedly will shed light on "the operations or activities of the government." *Cause of Action*, 799 F.3d at 1115 (quoting 5 U.S.C. § 552(a)(4)(A)(iii)). Disclosure also is "likely to contribute significantly to the public understanding" of those operations or activities because, among other reasons, Judicial Watch intends to disseminate both the records and its findings to "a reasonably broad audience of persons interested in the subject" via its newsletter, email updates, investigative bulletins, website, blog, and its other, regular distribution channels. *Cause of Action*, 799 F.3d at 1116 (quoting *Carney v. U.S. Dep't of Justice*, 19 F.3d 807, 815 (2d Cir. 1994)). Again, Judicial Watch does not seek the requested records for any commercial benefit or for its own "primary" benefit, but instead seeks them as part of its ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

In the event our request for a waiver of search and/or duplication costs is denied, Judicial Watch agrees to pay up to \$300.00 in search and/or duplication costs. Judicial Watch requests that it be contacted before any such costs are incurred, in order to prioritize search and duplication efforts.

3. Any and all passenger manifests (DD-2131) for First Lady Melania Trump's February 10-13, 2017 trip to Palm Beach, Florida.

The time frame for this request runs from February 6, 2017 to the present.

Please determine whether to comply with this request within the time period required by FOIA and notify us immediately of your determination, the reasons therefor, and the right to appeal any adverse determination to the head of the agency or his or her designee. 5 U.S.C. § 552(a)(6)(i). Please also produce all responsive records in an electronic format ("pdf" is preferred), if convenient. We also are willing to accept a "rolling production" of responsive records if it will facilitate a more timely production.

Judicial Watch also hereby requests a waiver of both search and duplication fees. We are entitled to a waiver of search fees because we are a "representative of the news media." *See* 5 U.S.C. § 552(a)(4)(A)(ii)(II); *see also Cause of Action v. Federal Trade Comm.*, 799 F.3d 1108 (D.C. Cir. 2015); *Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381 (D.C. Cir. 1989). government, a subject of undisputed public interest. We submit over 400 FOIA requests annually. Our personnel, which includes experienced journalists and professional writers on staff and under contract, use their editorial skills to turn this raw information into distinct works that are disseminated to the public via our monthly newsletter, which has a circulation of over 300,000, weekly email update, which has over 600,000 subscribers, investigative bulletins, special reports, www.judicialwatch.org website, *Corruption Chronicles* blog, and social media, including Facebook and Twitter, among other distribution channels. We have authored several books, including *Corruption Chronicles* by Tom Fitton (Threshold Editions, July 24, 2012), and *Clean House* by Tom Fitton (Threshold Editions, Aug. 30, 2016). In 2012, we produced a documentary film, "District of Corruption," directed by Stephen K. Bannon. Our "news media" status has been confirmed in court rulings. See, e.g., *Judicial Watch, Inc. v. U.S. Dep't of Defense*, 2006 U.S. Dist. LEXIS 44003, *1 (D.D.C. June 28, 2006); *Judicial Watch, Inc. v. U.S. Dep't of Justice*, 133 F. Supp.2d 52 (D.D.C. 2000). As a tax exempt, 501(c)(3) non-profit corporation, we have no commercial interests and do not seek the requested records for any commercial use. Rather, we intend to use the requested records as part of our ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

Judicial Watch also is entitled to a waiver of both search fees and duplication fees because "disclosure of the information is in the public interest." 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure of the requested records undoubtedly will shed light on "the operations or activities of the government." *Cause of Action*, 799 F.3d at 1115 (quoting 5 U.S.C. § 552(a)(4)(A)(iii)). Disclosure also is "likely to contribute significantly to the public understanding" of those operations or activities because, among other reasons, Judicial Watch intends to disseminate both the records and its findings to "a reasonably broad audience of persons interested in the subject" via its newsletter, email updates, investigative bulletins, website, blog, and its other, regular distribution channels. *Cause of Action*, 799 F.3d at 1116 (quoting *Carney v. U.S. Dep't of Justice*, 19 F.3d 807, 815 (2d Cir. 1994)). Again, Judicial Watch does not seek the requested records for any commercial benefit or for its own "primary" benefit, but instead seeks them as part of its ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

In the event our request for a waiver of search and/or duplication costs is denied, Judicial Watch agrees to pay up to \$300.00 in search and/or duplication costs. Judicial Watch requests that it be contacted before any such costs are incurred, in order to prioritize search and duplication efforts.

Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

Judicial Watch, Inc. ("Judicial Watch") hereby requests that the Air Force produce the following records pursuant to the Freedom of Information Act, 5 U.S.C. § 552 ("FOIA"):

1. Any and all records concerning mission taskings of First Lady Melania Trump's March 3-6, 2017 trip to Palm Beach, Florida;
2. Any and all records concerning transportation costs for First Lady Melania Trump's March 3-6, 2017 trip to Palm Beach Florida;
3. Any and all passenger manifests (DD-2131) for First Lady Melania Trump's March 3-6, 2017 trip to Palm Beach, Florida.

The time frame for this request runs from February 21, 2017 to the present.

Please determine whether to comply with this request within the time period required by FOIA and notify us immediately of your determination, the reasons therefor, and the right to appeal any adverse determination to the head of the agency or his or her designee. 5 U.S.C. § 552(a)(6)(i). Please also produce all responsive records in an electronic format ("pdf" is preferred), if convenient. We also are willing to accept a "rolling production" of responsive records if it will facilitate a more timely production.

Judicial Watch also hereby requests a waiver of both search and duplication fees. We are entitled to a waiver of search fees because we are a "representative of the news media." See 5 U.S.C. § 552(a)(4)(A)(ii)(II); see also *Cause of Action v. Federal Trade Comm.*, 799 F.3d 1108 (D.C. Cir. 2015); *Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381 (D.C. Cir. 1989). For more than twenty years, Judicial Watch has used FOIA

Air Force**March 6, 2017****Page 2 of 3**

and other investigative tools to gather information about the operations and activities of government, a subject of undisputed public interest. We submit over 400 FOIA requests annually. Our personnel, which includes experienced journalists and professional writers on staff and under contract, use their editorial skills to turn this raw information into distinct works that are disseminated to the public via our monthly newsletter, which has a circulation of over 300,000, weekly email update, which has over 600,000 subscribers, investigative bulletins, special reports, www.judicialwatch.org website, *Corruption Chronicles* blog, and social media, including Facebook and Twitter, among other distribution channels. We have authored several books, including *Corruption Chronicles* by Tom Fitton (Threshold Editions, July 24, 2012), and *Clean House* by Tom Fitton (Threshold Editions, Aug. 30, 2016). In 2012, we produced a documentary film, "District of Corruption," directed by Stephen K. Bannon. Our "news media" status has been confirmed in court rulings. *See, e.g., Judicial Watch, Inc. v. U.S. Dep't of Defense*, 2006 U.S. Dist. LEXIS 44003, *1 (D.D.C. June 28, 2006); *Judicial Watch, Inc. v. U.S. Dep't of Justice*, 133 F. Supp.2d 52 (D.D.C. 2000). As a tax exempt, 501(c)(3) non-profit corporation, we have no commercial interests and do not seek the requested records for any commercial use. Rather, we intend to use the requested records as part of our ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

Judicial Watch also is entitled to a waiver of both search fees and duplication fees because "disclosure of the information is in the public interest." 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure of the requested records undoubtedly will shed light on "the operations or activities of the government." *Cause of Action*, 799 F.3d at 1115 (quoting 5 U.S.C. § 552(a)(4)(A)(iii)). Disclosure also is "likely to contribute significantly to the public understanding" of those operations or activities because, among other reasons, Judicial Watch intends to disseminate both the records and its findings to "a reasonably broad audience of persons interested in the subject" via its newsletter, email updates, investigative bulletins, website, blog, and its other, regular distribution channels. *Cause of Action*, 799 F.3d at 1116 (quoting *Carney v. U.S. Dep't of Justice*, 19 F.3d 807, 815 (2d Cir. 1994)). Again, Judicial Watch does not seek the requested records for any commercial benefit or for its own "primary" benefit, but instead seeks them as part of its ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

In the event our request for a waiver of search and/or duplication costs is denied, Judicial Watch agrees to pay up to \$300.00 in search and/or duplication costs. Judicial Watch requests that it be contacted before any such costs are incurred, in order to prioritize search and duplication efforts.

Dear Mr. McCarthy

This is our final response to your March 6, 2017, Freedom of Information Act request for information relating to aircraft over flights on FLOTUS from 3 -6 March 2017 trip to Palm Beach, Florida.

The office of the Air and Space Operations Special Missions (A3M) conducted an appropriate search for responsive records, but none were found. A3M did not support any FLOTUS travel during the time period identified above. Therefore, a "no records" determination was made.

Should you decide that an appeal to this decision is necessary, you must write to the Secretary of the Air Force, Thru: SAF/AII (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000 within 90 calendar days from the date of this letter. Include in the appeal, your reasons for reconsideration, and attach a copy of this letter.

Re: Freedom of Information Act Request

Dear Freedom of Information Officer:

Judicial Watch, Inc. ("Judicial Watch") hereby requests that the Air Force produce the following records pursuant to the Freedom of Information Act, 5 U.S.C. § 552 ("FOIA"):

1. Any and all records concerning mission taskings of President Trump's February 17-21, 2017 trip to Palm Beach, Florida;
2. Any and all records concerning transportation costs for President Trump's February 17-21, 2017 trip to Palm Beach Florida;
3. Any and all passenger manifests (DD-2131) for President Trump's February 17-21, 2017 trip to Palm Beach, Florida.

The time frame for this request runs from February 14, 2017 to the present.

Please determine whether to comply with this request within the time period required by FOIA and notify us immediately of your determination, the reasons therefor, and the right to appeal any adverse determination to the head of the agency or his or her designee. 5 U.S.C. § 552(a)(6)(i). Please also produce all responsive records in an electronic format ("pdf" is preferred), if convenient. We also are willing to accept a "rolling production" of responsive records if it will facilitate a more timely production.

Judicial Watch also hereby requests a waiver of both search and duplication fees. We are entitled to a waiver of search fees because we are a "representative of the news media." See 5 U.S.C. § 552(a)(4)(A)(ii)(II); see also *Cause of Action v. Federal Trade Comm.*, 799 F.3d 1108 (D.C. Cir. 2015); *Nat'l Sec. Archive v. U.S. Dep't of Defense*, 880 F.2d 1381 (D.C. Cir. 1989). For more than twenty years, Judicial Watch has used FOIA

and other investigative tools to gather information about the operations and activities of government, a subject of undisputed public interest. We submit over 400 FOIA requests annually. Our personnel, which includes experienced journalists and professional writers on staff and under contract, use their editorial skills to turn this raw information into distinct works that are disseminated to the public via our monthly newsletter, which has a circulation of over 300,000, weekly email update, which has over 600,000 subscribers, investigative bulletins, special reports, www.judicialwatch.org website, *Corruption Chronicles* blog, and social media, including Facebook and Twitter, among other distribution channels. We have authored several books, including *Corruption Chronicles* by Tom Fitton (Threshold Editions, July 24, 2012), and *Clean House* by Tom Fitton (Threshold Editions, Aug. 30, 2016). In 2012, we produced a documentary film, "District of Corruption," directed by Stephen K. Bannon. Our "news media" status has been confirmed in court rulings. See, e.g., *Judicial Watch, Inc. v. U.S. Dep't of Defense*, 2006 U.S. Dist. LEXIS 44003, *1 (D.D.C. June 28, 2006); *Judicial Watch, Inc. v. U.S. Dep't of Justice*, 133 F. Supp.2d 52 (D.D.C. 2000). As a tax exempt, 501(c)(3) non-profit corporation, we have no commercial interests and do not seek the requested records for any commercial use. Rather, we intend to use the requested records as part of our ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

Judicial Watch also is entitled to a waiver of both search fees and duplication fees because "disclosure of the information is in the public interest." 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure of the requested records undoubtedly will shed light on "the operations or activities of the government." *Cause of Action*, 799 F.3d at 1115 (quoting 5 U.S.C. § 552(a)(4)(A)(iii)). Disclosure also is "likely to contribute significantly to the public understanding" of those operations or activities because, among other reasons, Judicial Watch intends to disseminate both the records and its findings to "a reasonably broad audience of persons interested in the subject" via its newsletter, email updates, investigative bulletins, website, blog, and its other, regular distribution channels. *Cause of Action*, 799 F.3d at 1116 (quoting *Carney v. U.S. Dep't of Justice*, 19 F.3d 807, 815 (2d Cir. 1994)). Again, Judicial Watch does not seek the requested records for any commercial benefit or for its own "primary" benefit, but instead seeks them as part of its ongoing investigative journalism and public education efforts to promote integrity, transparency, and accountability in government and fidelity to the rule of law.

In the event our request for a waiver of search and/or duplication costs is denied, Judicial Watch agrees to pay up to \$300.00 in search and/or duplication costs. Judicial Watch requests that it be contacted before any such costs are incurred, in order to prioritize search and duplication efforts.
