Subject: RE: DDOR

Sorry, I realize the first item below isn't very clear. At the top, for whatever week we are using to refer to jurisdictions that don't honor our detainers (Cook County, etc.), we

(b)(5)

So an American citizen sitting at home can open the report, see the total number of detainers issued in a week, detainers issued to jurisdictions that don't cooperate, the confirmed declined detainer list, and the list of all jurisdictions that don't honor detainers. A snapshot, in essence.

Thanks again!

Thanks for all of the hard work on this. I have a few questions:

- Can we list the total number of detainers issued the previous week at the top?
- Will it be possible to get info down the road on the notable crimes for detainers issued for the non cooperative jurisdictions (i.e. a table like the one we have for the detainers that were confirmed as denied)?
