The reporter who acted on a tip to go to Sky Harbor International Airport and witnessed the Loretta Lynch-Bill Clinton clandestine meeting said the FBI agents there ordered "no photos, no picture, no cell phones."

Christopher Sign told Fox News' Bill O'Reilly on Thursday that the attorney general's plane landed on time while the former president and his entourage were running late.

"The former president than steps into her plane. They then speak for 30 minutes privately," Sign, a morning anchor for KNXV-TV ABC 15 said on "The O'Reilly Factor."

"The FBI there on the tarmac instructing everybody around, 'No photos, no pictures, no cell phones.' He then gets off the plane, gets on his own plane, he departs, she continues on with her planned visit."
