Subject: Sheriffs Salary Supplement Qualification Calendar Year 2016

Dear Sheriff Israel:

Pursuant to §145.071(2)(a) – (c), Florida Statutes, you must satisfy the requirements to establish or maintain eligibility to receive the sheriffs salary supplement for 2016 by successfully completing 20 hours of approved training courses. According to our records you have not met that requirement at this time. Upon completion of the approved training courses you would then become eligible to receive the sheriffs' salary supplement for this year.

Please contact Ms. Patti Brigance of the Florida Sheriffs Association at 850-877-2165, ext. 222 to receive a list of the approved courses that would allow you to receive the hours you need to satisfy this requirement.

In exceptional or emergency circumstances you may request an extension of up to 90 days, provided a written request is received and approved by the Florida Criminal Justice Executive Institute director, prior to your special qualification salary date of expiration December 31, 2016.

If you have further questions regarding your sheriffs salary supplement, please contact Ashley Redmon at 850-410-7350. Your participation in this program is appreciated.

Sincerely,
