- Document(s) were located which originated with, or contained information concerning, other Government Agency (ies) [OGA].
- This information has been referred to the OGA(s) for review and direct response to you.
- We are consulting with another agency. The FBI will correspond with you regarding this information when the consultation is completed.

- In accordance with standard FBI practice and pursuant to FOIA exemption (b)(7)(E) and Privacy Act exemption (j)(2) [5 U.S.C. § 552/552a (b)(7)(E)/(j)(2)], this response neither confirms nor denies the existence of your subject's name on any watch lists.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the Freedom of Information Act (FOIA). See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist. Enclosed for your information is a copy of the Explanation of Exemptions.

Although your request is in litigation, we are required by 5 USC § 552 (a)(6)(A) to provide you the following information concerning your right to appeal. You may file an appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's FOIA online portal by creating an account on the following web site: <https://www.foiaonline.gov/foiaonline/action/public/home>. Your appeal must be postmarked or electronically transmitted within ninety (90) days from the date of this letter in order to be considered timely. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so it may be easily identified.

- The enclosed material is from the main investigative file(s) in which the subject(s) of your request was the focus of the investigation. Our search located additional references, in files relating to other individuals, or matters, which may or may not be about your subject(s). Our experience has shown such additional references, if identified to the same subject of the main investigative file, usually contain information similar to the information processed in the main file(s). As such, we have given priority to processing only the main investigative file(s) given our significant backlog. If you would like to receive any references to the subject(s) of your request, please submit a separate request for the reference material in writing. The references will be reviewed at a later date, as time and resources permit.

- See additional information which follows.

Sincerely,

David M. Hardy

Enclosure(s)

In response to your Freedom of Information/Privacy Acts (FOIPA) requests, enclosed is a processed copy of responsive documents contained in FOIPA Request Numbers 1374674-000 and 1396901-000.

The enclosed documents Bates stamped FBI 18-CV-00967 -1 through 18-CV-00967 -110 from FOIPA Request Numbers 1374674-000 and 1396901-000 represent the first interim release of information responsive to your requests.

Additionally, the FBI has removed some individual e-mail records as "Other – Non-responsive" because these records were not responsive to your FOIA request.

To minimize costs to you and the FBI, duplicate copies of the same document were not processed.

- (k)(3) material maintained in connection with providing protective services to the President of the United States or any other individual pursuant to the authority of Title 18, United States Code, Section 3056;
- (k)(4) required by statute to be maintained and used solely as statistical records;
- (k)(5) investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment or for access to classified information, the disclosure of which would reveal the identity of the person who furnished information pursuant to a promise that his/her identity would be held in confidence;

Unable to speak with Pelosi. Despite repeated tries, the Capitol Police guys could not get her secure cell to go secure. Told them we would try to reschedule at some point. She will be traveling so I'm guessing it will be next week. At least we tried -- and it wasn't our fault :)

First call completed but not without embarrassment. I had to hang up on senator Chambliss because I did not have the PIN needed for the phone here to go secure. I remember this happening once before and that time somebody from TRU came quickly and put in the PIN.

This time, Senator Chambliss had to wait five minutes for us to track down the PIN. How

does that happen? Who is the accountable executive I should speak to about this? It is not the end of the world but it is well below our standards and I do not want it to happen again.

Director –

For tomorrow morning's meeting with POTUS, you have been given a plus one. In consultation with Chuck, we'd recommend you invite the DD, because some other principals are bringing their deputies and the GCs including Jim B are unavailable (they will be testifying before PCLOB). Would you like us to see if the DD can attend?

Also, later today, I'll send you: 1) answers to the questions you asked in anticipation of tomorrow morning's meeting with POTUS; and 2) once we get them, materials for the PC that has now been scheduled for tomorrow at 4pm.
