### Docket Text:

**MINUTE ORDER.** The Court is encountering technical difficulties with Ms. Mills' audiovisual deposition. Specifically, the video stops playing at 14:02. The parties are therefore directed to deliver a corrected copy of Ms. Mills' audiovisual deposition by no later than October 3, 2018. The Court further directs the Department of State, Ms. Mills, and any other deponent arguing that the audiovisual recording of their deposition should remain under seal, to file supplemental pleadings pointing to specific parts of the depositions that would "annoy[], embarrass[], oppress[], or undul[y] burden" the deponent if released. See Fed. R. Civ. P. 26(c). Such supplemental pleading shall be filed by no later than October 17, 2018 and shall include references to relevant timestamps. The Department of State should also clarify whether it opposes unsealing all audiovisual deposition testimony or specific audiovisual depositions. Accordingly, the Court hereby reschedules the motion hearing previously scheduled for October 11, 2018. The motion hearing shall now take place at 2:00 pm on November 14, 2018 in Courtroom 24A. Signed by Judge Emmet G. Sullivan on 9/26/2018. (lcegs3)
