

United States Department of State

Washington, D.C. 20520

December 3, 2018

Case No.: F-2018-01189

Sean Dunagan
Judicial Watch, Inc.
425 Third St., SW, Suite 800
Washington, D.C. 20024

Dear Mr. Dunagan:

I refer to our letter dated November 1, 2018 regarding the release of certain Department of State material under the Freedom of Information Act (the "FOIA"), 5 U.S.C. § 552. The processing of records is ongoing and has, thus far, yielded an additional 35 records responsive to your request. After reviewing these documents, we have determined that 10 may be released in full, 17 may be released in part, and 8 must be withheld in full.

All non-exempt material that is reasonably segregable from exempt material has been released in the enclosed pages. An enclosure explains the FOIA exemptions and other grounds for withholding material. Where we have made excisions, the applicable FOIA exemptions are marked on each document. In some cases, two or more exemptions may apply to the same document. The documents that were withheld in full were withheld under FOIA Exemptions 1 and 5, 5 U.S.C. §§ 552(b)(1) and (b)(5).

The processing of your request is ongoing. If you have any questions, your attorney may contact Joshua Rogers, Assistant U.S. Attorney, at Joshua.Rogers3@usdoj.gov. Please refer to the request case number, F-2018-01189, and the civil action number, 18-cv-01381, in all correspondence about this request.

Sincerely,

Susan C. Weetman
Chief, Programs and Policies Division
Office of Information Programs and Services

RELEASE IN FULL

Dear Assistant Secretary Nuland:

I am writing to request all cable traffic detailing Russian cyber attacks, malign influence, and disinformation campaigns worldwide. In particular, I am seeking cables and correspondence associated with and in response to requests regarding the Russia Malign Influence Group and its findings in the EUR region.

It is critically important that Senators have insight into the nature of these attacks and scale of Russian efforts to use malign techniques and influence in pursuing its foreign policy objectives. I look forward to working with you and the lead bureau, EUR, on this request and would urge for the completion of delivery by January 15, 2016.

Sincerely,

Ben Cardin

RELEASE IN FULL

Dear Assistant Secretary Nuland:

I am writing to request all cable traffic detailing Russian cyber attacks, malign influence, and disinformation campaigns worldwide. In particular, I am seeking cables and correspondence associated with and in response to requests regarding the Russia Malign Influence Group and its findings in the EUR region.

It is critically important that Senators have insight into the nature of these attacks and scale of Russian efforts to use malign techniques and influence in pursuing its foreign policy objectives. I look forward to working with you and the lead bureau, EUR, on this request and would urge for the completion of delivery by January 15, 2016.

Sincerely,

Benjamin L. Cardin

Hera:

Can you please send me a template for the A-memo to M for release of documents from the last time we did one of these? I can adapt it to the Cardin-Warner inquiry and send it around for clearance while the clearers are reading the cables.

I saw Jim Gresser this morning and he is reading the cables.

B5

I can call the clearers as well, but want to have something concrete to say in terms of a deadline.

Thanks.

Per your High Side request, I'm attaching here our latest info on mailing labels and putting together Classified packages for Congress. An example classified receipt is included in the latter document.

This is in progress as we confirm more information with new committees and their chairs/ranking members/staffs.

However, the instructions for how to put together a classified package are on our Diplopedia page (see heading "Sending Classified Material to Congress"). This is what we refer drafting bureaus to when they drop off their envelopes.

Yvonne said she asked you to call her if anyone has questions (7-1807).
