And yeah, I don't think Jim owes ANYTHING to Beth at this point. I vote for [REDACTED] only.

You are perfectly competent to speak to the legal obligations and FBI policy/procedures. We should NOT be treating opposing counsel this way. We would not in any other case.

More.....I guess this is [REDACTED] rationale for why we need to have the GC on the call to discuss the fact that we will be following all of our legal obligations and FBI policies/procedures with regard to the disposition of the materials in this case.

Got it. If you can check in with them, I would appreciate it.

In the meantime, I'll tell Hal that we will certainly schedule a call and will get back to him as to timing. Since he knows Beth personally, it could be useful to have Jim on the phone if she is going to be haranguing us re: the laptops.

Thanks [REDACTED] I will be leaving around 4 on Monday, but other than that, I can make myself available. If we need to have Trisha and/or Jim on this call, it will certainly make scheduling more difficult.

See below. I am flexible on Monday and Tuesday. [REDACTED] can chime in with her availability. It is my understanding that Toscas may have called over to Jim or Trisha regarding some high-level participation for at least the first few such calls. I am happy to discuss further but wanted to send you this so you could raise within OGC and give me a sense of scheduling options. I am around if you want to talk.

Thanks,

[REDACTED]

[REDACTED] and [REDACTED]

We wanted to follow up on our conversation from a few days ago. We would like to schedule a time to speak with both you and [REDACTED] early next week. Is there a time on Monday or Tuesday that could work on your end?
