

**Periodic Review Board:
Subsequent Full Review, ISN 10021 Mohd Farik Bin Amin**

Hearing Summary:

The 21 May 2019 Periodic Review Board (PRB) Subsequent Full Review Hearing for ISN 10021 Mohd Farik Bin Amin convened before six members of the public representing:

- Human Rights First
- International Committee of the Red Cross (2 representatives)
- Indiana State University
- Judicial Watch
- The *Miami Herald*

ISN 10021 elected not to attend his PRB hearing. His personal representative reported that the detainee has refused to participate in the PRB process since the Initial review and turned down two opportunities to meet to prepare for the Subsequent Full Review. Though his private counsel chose not to submit a statement, his personal representative reported that the private counsel has been advising ISN 10021 not to meet with the personal representative out of a belief that it would interfere with the detainee's Habeas case.

Personal Observations:

The video feed experienced difficulties, so observers were unable to confirm, apart from the personal representative's testimony, that the detainee was not in attendance. The Board remains unlikely to approve ISN 10021's transfer to another country until it has the opportunity to question the detainee concerning his actions, which were designated as terrorist attacks, and whether he still believes his actions were legitimate.
