Great, working on it.

To be clear – I am only doing the Russian Malign Influence part of the request. Senator Warner, in his letter, also wanted raw and finished intel on Russian involvement in the U.S. election. Senator Cardin, in his letter, only wanted material on Russian Malign Influence.

Hi,

Here's one that you could use as a model. It's to P for GAO (vice M for Hill). So just need to change that & rest of content + update attachments.

Clearance pages should be M, H, L, EUR.

Best,  
Hera
