FYI, I spoke to Naz. I am getting a template from Hera and will do the AM as described below. The package is being cleared with D, P, M, and L.

H will prepare the package now so it can go as soon as the clearances are obtained – if D, P, M, and/or L decide a certain cable should NOT be released, we can just pull it from the package. Both Senators want the package by Thursday Jan 19.

Neither INR nor the interagency are involved with this project. All products are State products.

Is there anyway to quickly draft an AM to M? Two of the H PoCs that supposedly need to clear are not even here this week.

Thanks, Kerem. Where are we on clearances? Do I need to ask Toria to raise with Julia? The clock is ticking. 😊

FYI – this is the first e-mail I sent for clearances on the Cardin-Warner package. I deleted the attachments to spare your inboxes!
