I'm adding Ken Thomas (L/M) to this exchange.

Again, many thanks.

Importance: High

As a cover memo for the package we will send in response to the Cardin-Warner inquiry, I prepared the attached action memo from EUR to M requesting the package be released. Per the template, the action memo lists each document individually, allowing M to approve or disapprove the release of each. Note that I have placed the documents in alphabetical order, and also deleted [Redacted]

******Please clear the action memo by noon TUESDAY.**

******Please clear on the actual package of documents, if you have not done so already, by noon TUESDAY.**

I want to get the whole package into the EUR front office today. This means we can get it out of EUR and to M on Wednesday, then H can courier it to the Hill on Thursday.

Thank you.
