Yes. So if July 2 is the first thing she has free now, we should grab it.

Imy in the same place. We can agree pending our progress on the review.

I guess I'm OK with it so long as we clearly state in writing that the date is tentative and subject to our finishing our review of the laptops.

Bill, I'm driving and can provide more detail on the phone, but DOJ is telling Toscas. Without DOJ asking, Kendall threw out a date of 2 July in NY for the interview. [redacted] said that he could not commit to a date and we need to look at the laptops first. Kendall said he would keep the date blocked anyway because it is getting very hard to get on her calendar, even for him.
Thanks,
Pete
