[redacted] He was receptive to the idea. I have not followed up with him. I wanted to provide you material below to think about in the event we go down the route (and even if we don't, so that your principals have the benefit of what we're trying to do investigatively).

Because I LOVE sitting in rooms filled with attorneys, I offered to moderate the discussion. I'm sure Moffa would join me, so as to take turn shoving pencils into our eyes.

Team,

Below is the list of areas about which we would like to interview Mills and Samuelson concerning their post-State employment. So as best to inform legal analysis, a comprehensive list of questions/interview is attached as well. All of this is for your use only; PLEASE do not use, share or otherwise provide it to opposing counsel without discussing in advance with us.

Thanks,
Pete
