That's annoying.

I texted Andy re pre-meet, he agreed, I called [redacted] to ensure it gets on the calendar. I don't care what Mike and Bill think, you're going to be there. I also talked to [redacted] about skinnying up the room - right now we'll have ELEVEN, which is retarded. I cut three easily, but don't think we'll be able to get much smaller. I'm really not sure why Mike sent out the invite, but I don't like it.

Babe, that stinks, across the board. I don't have an easy answer for you on the hours. If you can't get out before 7 on a day he isn't there, well, you're going to have to give somewhere. You definitely do need an office closer. Andy needs to do that. There are at least 5 people I can think of who easily can go.

Happy to meet Friday. Don't know if I'd be invited (not saying you wouldn't recommend it, I just have no idea where Mike and Bill will fall on that. I will have OTDs answers to David's questions by then. I have several ideas how to skinny down the room, though no one's asking. Good news is I think you and I are of the same mind on that one.

Going to bed soon [redacted] united managed to f\*ck up seat assignments when they split the locator record, so that's nice [redacted]

Just everything. Fighting with doi and internally on uc policy (it's back up to DD - I don't want to hear about it) [redacted]

[redacted] I need an office closer to

Andy, I need to clean my office, I need to write my PAR, [redacted]

Just proposed to Andy that we have a pre-meet on Friday. Think we need it plus it will give us an opportunity to skinny down the room if he thinks it's too big.

God me too! I'm trying to figure out why I'm in a foul mood, I think it's DoJ plus prospect of packing and travel and late night all for bullsh\*t meeting postponed and [redacted] and wondering how Bill's feeling. Got a weird too many people to coordinate I'm punting to [redacted] message earlier this morning.

Why are you cranky? This stuff? The UC media provisions? Why did you end up staying so late?

And hi. The only saving grace is the glorious moon tonight.
