Yes she was in the meeting where [redacted] came to HQ. We can ask her at the prep session.

We all have a prep session tomorrow at 9. I'll grab Scott along with Bill afterwards and explain. Lisa, you think it would be worth including Jim or Trisha in that? Probably Trisha, right?

Perfect. That works for me and you can mention that OTD brought it to you. My initial recommendation was for the AD to reach out to you two, but I can only assume that message did not reach him.

Thanks for the assist.

[redacted] just messaged me after being pinged by SF. He asked why this was coming up again, and he wants to talk to me about it next week. Any recommendation on how to deal with this? [redacted]

Let me know what you think.

Thanks
