Hello (b) (6),

As far as we're concerned, P.O. HHSF223201400732P can be closed.

You say your system displays no invoices ever submitted or paid, however there is a **\$7,470** difference between the noted Contract Value of \$9,900 and REMAINING FUNDS of \$2,430. We submitted 9 invoices referencing P.O. #HHSF223201400732P in 2015 totaling **\$7,470**, and all have been paid. My understanding is that the researcher (Kristina Howard) also closed out the remaining \$2,430 balance and created new P.O.s for the subsequent years.

I hope you find this useful for your task. If you have any further P.O./Invoice/Accounting questions, please forward them to my attention.

Thank you,
