

**(b) (6), (b) (7)(C) – SCO Records Officer**

(b) (6), (b) (7)(C) provided the following information regarding this matter. On September 6, 2017, she reviewed Peter Strzok's phone before turning it over to IT staff for it to be wiped and reissued. She did not find substantive texts, notes, or reminders. She cannot remember if there were no texts on the device or if they were innocuous, but thinks there were none. She explained that if there is such content on the device, she would take screen shots and email them to herself for review and preservation.

(b) (6), (b) (7)(C) provided a copy of the spreadsheet she keeps reflecting out-processing iPhone data review. This spreadsheet has been included as Attachment 2. Strzok out-processed on August 10, 2017.

After reviewing Strzok's phone, she turned it in to either (b) (6), (b) (7)(C) or (b) (6), (b) (7)(C) to wipe and repurpose the phone.

(b) (6), (b) (7)(C) said that she did not receive Page's phone for review.
