Hi Alicia!

Hope you're well. I was hoping you could confirm for me that when you all received Lisa Page's phone that it had been restored to the factory settings and therefore all data was wiped from the device.

Thanks,

Subject: Lisa Page's Phone

Good Afternoon,

I was given your name by Chris Greer that you have Lisa Page's SCO iPhone. For her records out processing from the SCO, I need to review the phone to determine if there are any records on the device such as notes, text messages, reminders, etc which need to be maintained.

Could we discuss this at your earliest convenience?

Thanks!
