Thanks Ambassador- I just wanted you to be aware as we are really trying to help them and recognize how hard everyone is working in this especially trying time.

The good news is our social media team back here is now helping to provide them with the reports they want when Kyiv is asleep/offline – through existing PD tools- so this should greatly help.

Thank you,

Great! Thanks so much. So I set up a Hootsuite Dashboard (which I can share with the team) and will have CrowdTangle searches set up that I can have sent to your inbox if you'd like.

Just let me know.

Best,
