Re: Public Records Request re Charles Negy

Dear Custodian of the University:

Pursuant to Article I, section 24 of the Florida Constitution and Chapter 119, Florida Statutes, I request, on behalf of my clients the Legal Insurrection Foundation and Judicial Watch, Inc., copies of any and all records as described on the attachment to this request.

We would prefer to receive these documents in electronic format, by email. If the files are too large for email, we would like to receive them on a thumb drive or other electronic media.

If you deny this request in whole or in part, I request that you advise me in writing, as required by section 119.07(1)(e) and (f), Fla. Stat., of the particular statutory exemption upon which you are relying and that you state with particularity the reasons for your conclusion that the record is exempt or confidential.

If an asserted exemption applies to only a portion of a record, please delete the portion that you claim is exempt and release the remainder of the record as required by section 119.07(1)(d).

We are willing to pay up to \$500.00 for this request. Please advise if you estimate compliance will exceed this amount.

Thank you for your attention to this matter.

Very truly yours,

THOMAS & LoCICERO PL
