Dear Board Members,

Thank you for your input on the call yesterday regarding the COVID-19 funding request that the GPMB will be making to multilateral financing institutions and G7/G20 nations.

In this regard I attach:

- An updated letter
- An updated background note revising the ask to \$8bn as a result of removing the (b) (4) we had previously included for strengthening country preparedness, given the World Bank announcement
- A table setting out the key stakeholders we will be writing to and following up with

In the interests of speed, the letters will be sent from Jeremy (as the GPMB's Covid-19 spokesperson and on behalf of the Co-Chairs and the Board) as soon as possible. **Please let us have any important feedback by the end of today.**

We would also be grateful if you could **please put your name against any stakeholders on the list below (and return to me)** where you are well-placed to help arrange a follow up meeting through your **contacts** (I am aware that some of you have already begun to reach out, which is great). Together with Amelie we look forward to coordinating our joint outreach efforts.

With many thanks,

Alex
