USCP created a perimeter around the Capitol grounds and made an address to the remaining public that they may be subject to arrest if they remain after the Mayor's curfew at 1800 hours. The Joint Session is planning to reconvene tonight (estimated time 2000 hours). In addition to the pepper ball team, USPP has offered portions of the Motorcycle Unit for dignitary escorts as well as a cadre of (b) (7)(E). At this time, they have not been assigned a specific task from the resource manager with USCP.

The Special Events Unit has (b) (7)(E)

The USPP-NYFO will support the operation tomorrow and remain an additional night in the DC area (Thursday into Friday).

Food and hydration for the special detail (dinner tonight and breakfast in the AM) was authorized and is currently being organized by the NPS IMT and USPP Logistics due to the emergency situation and required patrol duties with extended tours of duty.

USPP units at the Lincoln Memorial have one detained for jumping the bike rack used to close the chamber.

NAMA advised that the Washington Monument will be closed tomorrow.

No injuries to USPP personnel.

The Joint Session reconvened at the Capitol without incident. The session is still ongoing.

USCP advised that fencing will get installed around the Capitol complex shortly. They are planning for multi-operational periods and may use assisting agencies to supplement their sworn staffing to hold a secure perimeter.

(b) (7)(E)

The majority of the special detail assigned on 1/6/2021 was relieved and will report back in a few hours. A USPP tactical element remains available for 24 response and will be under the command of Car 31. Sign off days for USPP-WMA have been cancelled through January 9, 2021 and a special detail will be staffed each day.

Constitution Avenue between 15th and 17th street remains closed due to significant debris in the roadway (currently being cleaned by DPW).

No other significant incidents were reported and no reported injuries to USPP. MPD and USCP police reported several injuries to their personnel to include medical transports.

This will be the last sitrep for this operational period pending a reportable incident.

Happy New Year Mark!

The mayor is asking residents to stay away from downtown Wednesday, are there any updates with intel. I need to decide if or what protective measures we should put in place to protect the Gallery's property. Any information will be greatly appreciated.

Following the permitted event at the Ellipse, a large crowd breached police lines at the Capitol to include gaining unauthorized access to the building. US Capitol Police (USCP) made a direct support request to several agencies including the USPP.

MPD declared the activity a riot (per commander assigned to the MPD-JOCC). USCP and MPD both reported empty on less lethal pepper ball at the West Front of the Capitol and were actively being assaulted. Several USCP officers were reported injured. USPP authorized (b) (5)

USPP had pepper ball and pepper spray engagements with criminal actors actively assaulting officers, destroying property, and crossing a police line.

Major Adamchik deployed to the USCP Headquarters to meet with USCP leadership and remains at that location coordinating with regional agencies.

At this time (b) (5), (b) (7)(E)

. There are no reported issues at NPS properties at the time of this notification. NPS IMT is assisting with logistics and multiple operational periods are being planned by the Special Events Unit.

No reported injuries to USPP personnel. A USPP officer was taken to a hospital (b) (6), (b) (7)(C) (unrelated to the incident at the Capitol). Officer is in good condition and communicating with his family.

US Marshal Service SOG was authorized by Acting Chief Smith to assist USPP SWAT and are on station at this time. USMS SOG is the only outside agency working directly under USPP. The NYFO USPP officers are on station and ready for assignment.

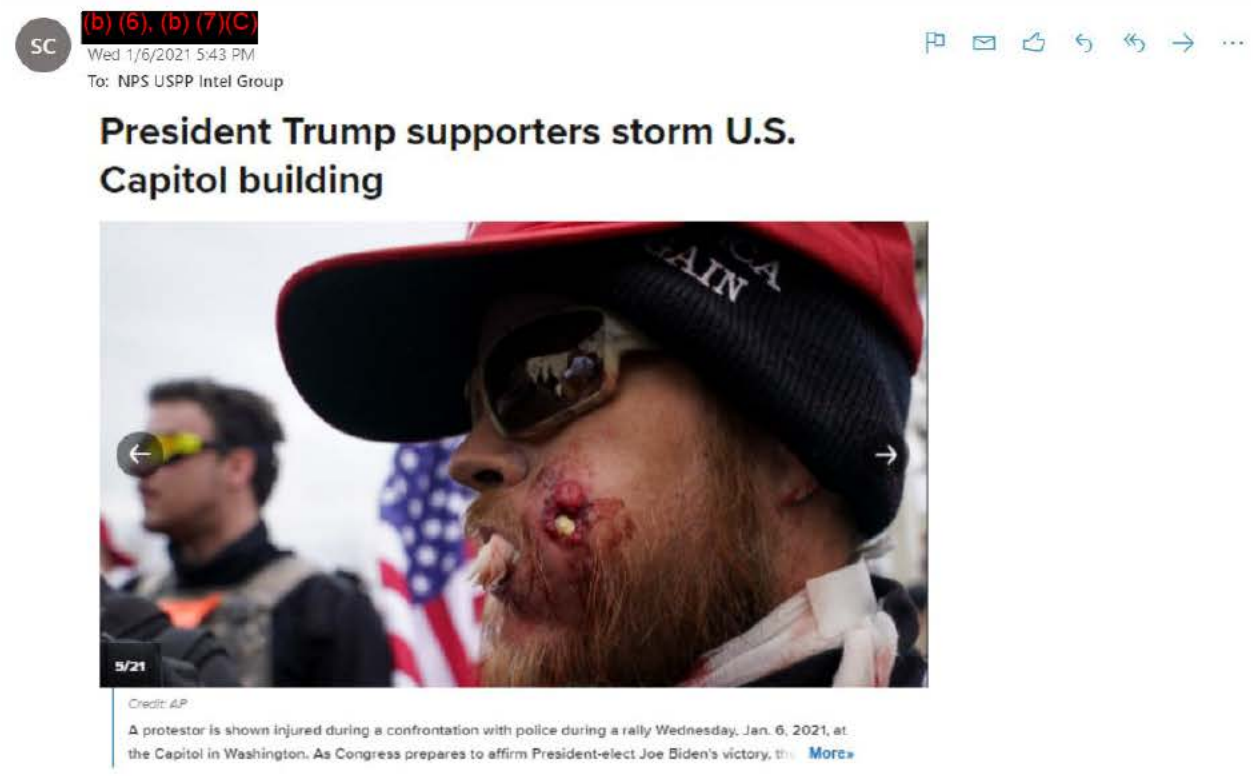

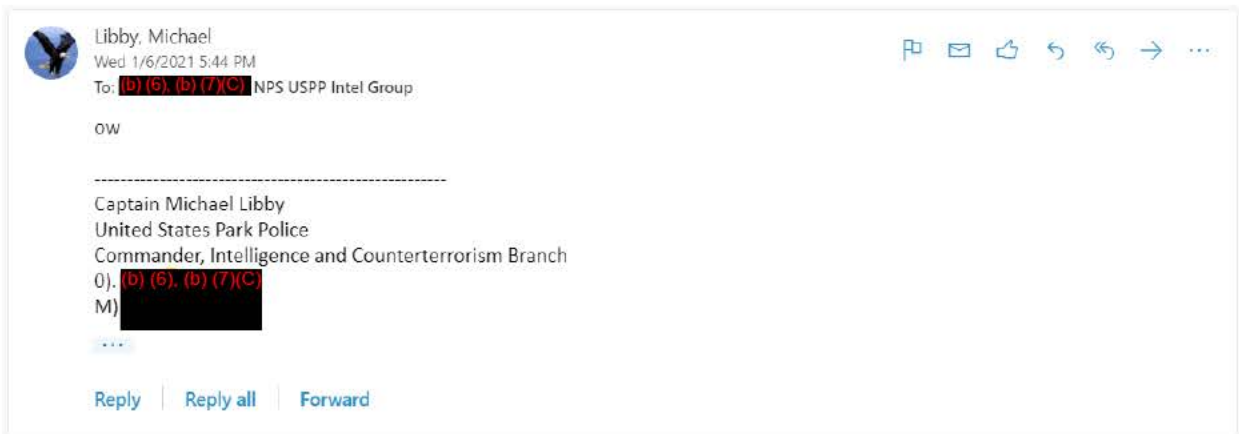

At 1800 hours, the chamber of the Lincoln Memorial and the Jefferson Memorial will be closed for precautionary measures. Regular day personnel scheduled to end their tour of duty at 1800 hours are being held until further notice and will remain for response.

USCP continues to develop their operational plan to secure the grounds.

Large group (200+-) of Proud Boys are on the US Capitol grounds. We are monitoring the groups' movements through the city.

There are no large groups of counter protestors currently being tracked.

All,

I wanted to provide all with a few updates USPP has received this afternoon.

-The PIC has verbally relinquished Freedom Plaza and the area of Sylvan Theater for Jan 6. They are still discussing whether they want to relinquish the Mall, but are hesitant to do so as they want to start setting up their event on January 7th for Inauguration. The PIC will have further conversations and get back to NPS regarding the Mall. Also, NPS does require that the PIC put all of this in writing, which they have not done yet. Until it is in writing, it is not technically relinquished.

-NPS has a meeting with Cindy Chafian at 0900 tomorrow regarding the use of Sylvan Theater for her permit. Hopefully we will have a better understanding of her plans.

-Women for America First/Amy Kremer filed another application this afternoon for Jan 6th thru NPS. The application is for 5,000 people on the Ellipse. I have attached that application. As the application was just received no meeting has been scheduled yet. So, as of now, NPS is tracking possible groups at Freedom Plaza, the Washington Monument Grounds, the Ellipse, the National Mall, John Marshall Park, and Columbus Circle.

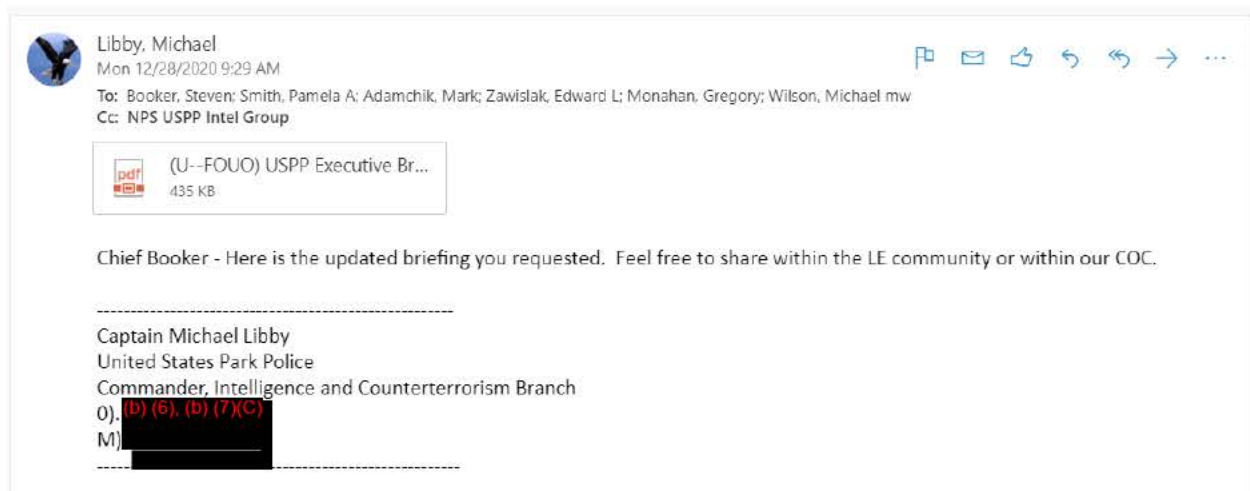

Quick question for USSS for the good of the all. With the possibility of a large group being on the Ellipse, will USSS (b) (5) (b) (5)?

All -

D/C Booker has asked us to have a short briefing paper prepared for the ECS before thier scheduled meeting this coming Monday on the planned activities for Jan 6.

We'll whip something together early Monday, but I wanted you all to be prepared for the request.

Of course I did.....

The car caravan was listed on the D&E calendar but I don't think made it over to the daily on Saturday.

My excuse for anything this morning is that yesterday (b) (6), (b) (7)(C) took me on a forced 5.13 mile death march in the hills at Catocin NP.

I also added you to an email chain that started yesterday reference a POTUS Tweet calling for a "wild" demo on 6 January in DC.

(U) THREAT REPORTING:

(U//LES) Along with our federal, state, and local partners, we continue to evaluate calls for a "Stop the Steal / MAGA 3" event being scheduled to take place on Wednesday, 6 January 2021 in Washington, DC. While many specifics concerning the event such as time and location are not yet finalized, all available evidence indicates that we should expect an event similar to those that occurred on 14 November 2020 and 12 December 2020 in Washington, DC. We have observed indications that opposition groups are aware of the event and plan to counter-protest such an event as they have in the past. We have also witnessed indications that despite 6 January falling on a Wednesday, a higher number than expected people have already made concrete plans to travel to the District of Columbia for the event. The significance of 6 January rests in the fact that it is the date, set by law, for a joint session of Congress to meet (at 1300 hours) to count the Electoral College votes and officially declare the results to the nation. This action is seen by many as the last hurdle to overcome before the 20 January Presidential Inauguration.

(U) 6 January 2021—WMA Demonstrations Activity

(U//LES) Along with our federal, state, and local partners, we continue to evaluate calls for a “Stop the Steal / MAGA 3” event being scheduled to take place on Wednesday, 6 January 2021 in Washington, DC. While many specifics concerning the event such as time and location are not yet finalized, all available evidence indicates that we should expect an event similar to those

that occurred on 14 November 2020 and 12 December 2020 in Washington, DC. We have observed indications that opposition groups are aware of the event and plan to counter-protest as they have in the past. We have also witnessed indications that despite 6 January falling on a Wednesday, a higher than expected number of people have already made concrete plans to travel to the District of Columbia for the event. The significance of 6 January is the fact that it is the date, set by law, for a joint session of Congress to meet (at 1300 hours) to count the Electoral College votes and officially declare the results. This action is seen by many as the last hurdle to overcome before the 20 January Presidential Inauguration. There is some concern that individuals may display more aggressive and desperate behavior as they interpret 6 January as their final opportunity to act on their grievances. A recent event on Christmas morning may directly reference this desperation leading to violent actions by a motivated and determined individual.

(U//LES) On 25 December a vehicle bombing occurred in Nashville, Tennessee. While the exact motive behind the bombing remains unknown, there have been some social media postings concerning conspiracy theories stating that election data stored at the AT&T building was targeted by the bomber. There remain no specific or credible threats to the District. However, the 25 December bombing should act as a vivid reminder as to the despair and the dedication to act that exists from a small minority of individuals concerning recent social and political events.

(U//LES) In comparison to the 14 November and 12 December events, it appears that more pre-planning is taking place for the various MAGA and “Stop the Steal” events with increases in ride-sharing sites as well as hotel reservation coordination. Hotel booking and reservation requests have shown a significant increase for 6 January throughout the immediate DC area. We are aware that many members of the far-right group ‘Proud Boys’ plan on being in Washington on this date.

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE

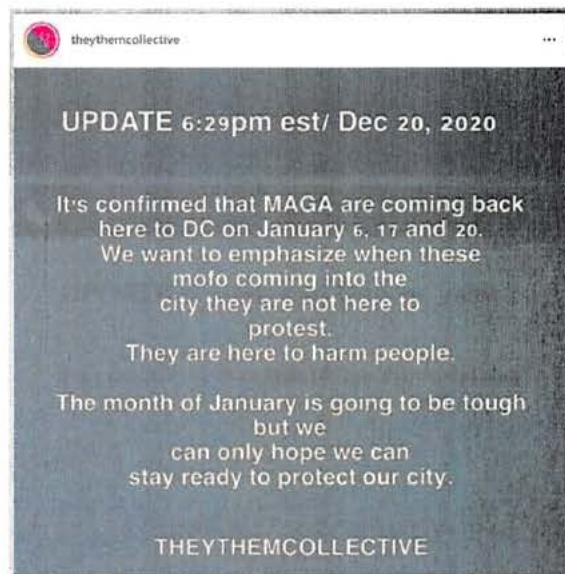

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE

(U//LES) The Proud Boys have not publicly stated their intentions for 6 January; however, we do anticipate street-level confrontation/violence between them and those opposed to their ideology. Initial reports were that a smaller number of Proud Boys were expected to travel to the District on 6 January, but this statement has not been recently updated or re-evaluated. A recent eGuardian report from the FBI detailed plans for individuals to engage in civil disobedience such as blocking major transportation routes leading into the District. As has also occurred at previous rallies, there have been multiple calls by individuals for attendees to participate in these events while armed. Some social media posts have gone as far as to state that protesters outnumber law enforcement

and that law enforcement would be easily overcome. While striking in their content, there is no indication that these individuals will follow through with their threats and travel to the District in any coordinated fashion. The more likely scenario is that individuals will arm themselves with weapons such as knives, baseball bats and chemical irritants such as bear spray. We also expect far-left groups to continue to engage law enforcement and their opposition with weapons such as bottles, bricks, commercial-grade fireworks and laser pointers.

(U//LES) While there appears to be more pre-planning by organizers of the MAGA and "Stop the Steal" events, there is still minimal coordination between some of the like-minded groups planning to attend. The National Park Service and USPP Special Events continues to work with the groups in negotiating the limited available demonstration areas. Organizers are announcing they plan to gather both at the U.S. Capitol and on the National Mall (with a march to the U.S. Capitol). As has occurred in previous rallies, it is expected that many of these smaller gatherings will congeal into one larger, yet mostly unorganized group. While some events will likely originate on USPP jurisdiction, it is expected that as the day progresses the vast majority of the demonstration activity and attention will be focused on Capitol Hill.

(U) THREAT REPORTING:

(U//LES) Along with our federal, state, and local partners we continue to monitor all available information sources regarding the planned 1st Amendment demonstrations scheduled for Washington, DC on 6 January 2021. While there continues to be minor fluctuations and changes in some data, our overall assessment remains unchanged. At this time we continue to expect fairly large crowds to gather in the District beginning on 5 January 2021. Groups with diametrically opposed beliefs and ideologies will both be present, and if these groups are allowed to come into close contact with each other, violence is almost certain. Operational planning for these events continues to evolve.

(U) NOTABLE INCIDENTS:

(U) There were no significant or notable incidents recorded during the previous operational period.

(U) THREAT REPORTING:

(U//LES) As conditions continue to evolve for events on 6 January in the District, the latest National Park Service permitting activities are pointing to one 'main' event being held on the Ellipse. The organizer for this event, Women For America First, has applied for a permit for 5,000 individuals, but it is possible that this number will grow. While this information is the latest available, it is not yet confirmed and the information from various organizers has been changing daily. It is also important to note that the above statement is only including individuals or groups that are applying for a permit through the National Park Service. Social media is still reporting various groups who plan to meet at the Supreme Court, the U.S. Capitol and elsewhere in the District on 5-6 January. However as the guest list evolves and is released by Women For America First, it is likely that this event will draw individuals from these other, smaller rallies. We will continue to provide updates as they become available.

(U) NOTABLE INCIDENTS:

(U//LES) On 3 January 2021 at approximately 1100 hours, President Trump utilized Twitter to announce he will be attending the permitted event scheduled to take place on the Ellipse on 6 January. As anticipated, this has dramatically increased interest in this event which will draw increased numbers of supporters as well as counter-protestors. A scheduled release by the organizer has POTUS speaking at 1100 hrs. for an undetermined length of time. As long as POTUS has finished speaking, we still expect a large portion of this group to depart the Ellipse at some point and march to the U.S Capitol prior to 1300 hours.

(U) THREAT REPORTING:

(U//LES) We continue to monitor and investigate social media statements forecasting non-specific acts of violence in the District associated with events schedule for 6 January 2021. While the probability of sporadic violent actions is likely if opposing groups are allowed to come into physical contact with each other, at this time we have no indication of any acts of violence being pre-planned by any specific individual(s) or groups.

(U//LES) Reported Proud Boys leader, Enrique TARRIO was arrested on 4 January by the Metropolitan Police Department on an outstanding DC Superior Court arrest warrant. It is unknown what effect this will have on the actions of the Proud Boys over the next 48 hours. TARRIO was viewed by some as keeping the more violent factions of the Proud Boys "under control" during recent demonstrations in the District.

(U) THREAT REPORTING:

(U//LES) No significant updates. Still receiving reports of social media postings calling for violence or other illegal acts on 5-6 January. At this time none of these reports have been verified or deemed credible. While they have publicly stated their intentions to do so, identified groups opposing the events listed below have not yet released any specific counter-demonstration meeting times or locations.

(U) SCHEDULED EVENTS:

5 January 2021

1145: The group Jericho March will hold a rally and march in the area of the Supreme Court.

1300-2030: NPS Permit 21-0274: A group will hold a Rally to Revival event at Freedom Plaza to call for the election results to be overturned due to voter fraud and abuse.

1500-1600: The religious group The Awakening will hold a prayer service / walk at the Lincoln Memorial.

(U) NOTABLE INCIDENTS:

(U//LES) Events of 5 January concluded without any significant incidents or issues. A total of four firearms were recovered by law enforcement resulting in several arrests. These firearm recoveries occurred at locations centered around events at Freedom Plaza. No injuries, threats, or violent actions were associated with these recoveries. Late in the evening there was a small disturbance between police and demonstrators at BLM Plaza which resulted in at least one arrest. No injuries were reported.

(U) THREAT REPORTING:

(U//LES) No changes to previous assessments (no specific or credible threats). We continue to see no publicly released information concerning any planned counter-protests to the events listed below. We believe that some counter-protests will likely materialize in the area of BLM Plaza. We expect these counter-protests will be relatively small and will remain in a 'defensive' posture in the area of BLM Plaza. Sporadic property damage and violence remains almost certain if opposition groups are allowed to come into contact with each other. Our greatest concern remains the lone offender, working alone or in a very small group, determined to act out violently to fulfill or correct what they perceive to be justified grievances or wrongs imposed on themselves or society.

(U) SCHEDULED EVENTS:

6 January 2021

****Large crowds expected to gather at and travel between the Ellipse and the U.S. Capitol****

0000-1630: NPS Permit 21-0278: Women For America First will hold a rally on the Ellipse. President Trump is scheduled to speak at this event around 1100 hours. The permit application states that 20,000 people will attend this event. It is expected that a portion of this group will march to the U.S. Capitol prior to 1300 hrs.

0900-1300: NPS Permit Number Not Available: #Go Right/March 4 Trump/Peter Boykin will meet at Columbus Circle and rally until 1300 hours at which time they will march to the U.S. Capitol via an unknown route. 500 individuals are estimated to attend this event based on the NPS Permit Application.

1200-1800: NPS Permit 21-0271: The Silent Majority group will hold a rally on the National Mall at 13th Street. Between 250-500 individuals are permitted for this event.

In addition to the above listed events, similar rallies are being planned at the U.S. Capitol and Supreme Court. Both the "Freedom Rally" and the "Wild Protest" plan to meet at the U.S. Capitol between 0900-1700 hours. The Jericho March once again plans to march around the Supreme Court seven times between 1145 and 1230 hours. Large, fairly disorganized crowds are expected to mingle and travel from event to event throughout the day.

Good Morning All,

I hate to be the Christmas Grinch but please see below post regarding a possible big demo on January 6th. So far there have not been any permit applications for this that I am aware of. We are hoping this

is a hoax but will keep digging to vet this information. If anyone locates anything to corroborate or refute this info please share with the group.

Hello Patriots.

I hope these maps help you navigate this weeks D.C. events! After seeing so many different posts online I realized, "we need a map!" So I have assembled two maps for you, one for January 5th, 2021 and one for January 6th, 2021.

The information on each map comes from various social media posts I have seen shared. This is by no means every speaker and every event, which is why I have included the website links for the event hosts (that I know about) on the maps, in the PDF and on the website.

Things change quickly! I encourage you to sign up for updates at bit.ly/magamapguide.

See you soon patriots,

Found this tweet and wondering if any of you have seen it/heard about this:

...

Pantifa/BLM Balt./DC branches are already busing people in to disturb January 6th. Orders given to dress like "MAGA" blend in cause trouble especially around cameras. At night arson has been ordered. All to be blamed on Trump supporters attending.

Please be careful 🙏🙏🙏

There are multiple replies to this comment that says BLM/Antif will wear MAGA hats backwards, wear camo and attempt to blend in with MAGA crowd. This guy's Twitter page says he's a US Senate candidate for MD in 2022. He retweets a lot from Lin Wood.

Due to this being a Wednesday, I think the TCO's starting closer to the beginning of rush hour will be helpful and continuing through evening rush hour.

Also, the TCO's will not be needed at 16th and H, 16th and I, and Vermont and H on Tuesday, Wednesday, or Thursday, as will have that area restricted to vehicles.

Morning everyone,

Our office spoke to Cindy Chafian last night, and although it's not confirmed yet, she stated that she will more than likely cancel her request for Union Square (West Front) on Wed, Jan. 6, 2021. She is considering a worship prayer service at Freedom Plaza on that day from 1830-2100 hours. We'll keep you updated when the cancellation is confirmed through our office, but wanted to give you all a heads up.

Have a nice holiday.

I have some adjustments I need to make as far as timing and run of show. There will be a program on Tuesday afternoon beginning at 4pm ending at 6pm.

And am I able to amend the permit again to go into effect on the 4th at noon?

Hope you had an amazing holiday weekend!

21-0278 Women for America First.pdf;

All,

I wanted to provide all with a few updates USPP has received this afternoon.

-The PIC has verbally relinquished Freedom Plaza and the area of Sylvan Theater for Jan 6. They are still discussing whether they want to relinquish the Mall, but are hesitant to do so as they want to start setting up their event on January 7th for Inauguration. The PIC will have further conversations and get back to NPS regarding the Mall. Also, NPS does require that the PIC put all of this in writing, which they have not done yet. Until it is in writing, it is not technically relinquished.

-NPS has a meeting with Cindy Chafian at 0900 tomorrow regarding the use of Sylvan Theater for her permit. Hopefully we will have a better understanding of her plans.

-Women for America First/Amy Kremer filed another application this afternoon for Jan 6th thru NPS. The application is for 5,000 people on the Ellipse. I have attached that application. As the application was just received no meeting has been scheduled yet. So, as of now, NPS is tracking possible groups at Freedom Plaza, the Washington Monument Grounds, the Ellipse, the National Mall, John Marshall Park, and Columbus Circle.

Quick question for USSS for the good of the all. With the possibility of a large group being on the Ellipse, will USSS be standing up the EOC in EEOB and want agency liaisons present?

-Dave

Good evening,

We have received new information about additional First Amendment activity to occur on Tuesday, January 5, 2021. With this information, we have already up-staffed the department's activation. We are requesting the additional resources for Tuesday, January 5, 2021. We are requesting to change the Emergency No Parking to:

Tuesday, January 5, 2021 at 12:01 a.m. through Wednesday, January 6, 2021 at 11:59 p.m.

I know this is a burden, but thank you in advance.

You're right, brother. I am 100% confused. So according to this, she is scrapping the January 5th plan altogether, or is this in addition to January 5th? Because according to Marisa's email, she asked Cindy if they were only using this site on January 6th and she confirmed.

I can't wait for this event to be over with...

GM Once again Kind Sir –

So the NPS just received this little gem from the organizer for the Ellipse on Jan 6th.

We did a quick review and it is interesting that they are listing Mags, POTUS Lighting and Sound package, flags and bunting...

I think in police work we might call this a clue...

Wondering if the back channels may have anything popping up at this point...

This just posted on social media and it appears to be backed up by the hotel website which has those dates blacked out when you try to get a price.

That's why we are asking you to call the following hotels and demand that they 1) RENOUNCE Trump-affiliated protesters and 2) CANCEL the reservations of people coming to town to undermine democracy on January 6:

shutdowndc_ Hotel Harrington and Hyatt Place/White House have announced they will close over January 6, but these other hotels haven't committed to canceling the reservations of white supremacists. Do you have time to make some calls today? The Marriott in Metro Center is the top priority - they are actively refusing to take action!

Thank you all for the information. We have multiple vendors coming in tomorrow 1/5/21 for load out via Constitution Avenue NW beginning at 9:30 AM.

Do you have a suggestion for how we should instruct them to access the Ellipse? Is there any lane available via any entrance so that we can ensure they are able to unload their trucks?

Following the permitted event at the Ellipse, a large crowd breached police lines at the Capitol to include gaining unauthorized access to the building. US Capitol Police (USCP) made a direct support request to several agencies including the USPP.

MPD declared the activity a riot (per commander assigned to the MPD-JOCC). USCP and MPD both reported empty on less lethal pepper ball at the West Front of the Capitol and were actively being assaulted. Several USCP officers were reported injured. USPP authorized (b) (5)

USPP had pepper ball and pepper spray engagements with criminal actors actively assaulting officers, destroying property, and crossing a police line.

Major Adamchik deployed to the USCP Headquarters to meet with USCP leadership and remains at that location coordinating with regional agencies.

At this time (b) (5), (b) (7)(E)

. There are no reported issues at NPS properties at the time of this notification. NPS IMT is assisting with logistics and multiple operational periods are being planned by the Special Events Unit.

No reported injuries to USPP personnel. A USPP officer was taken to a hospital (b) (6), (b) (7)(C) (unrelated to the incident at the Capitol). Officer is in good condition and communicating with his family.

US Marshal Service SOG was authorized by Acting Chief Smith to assist USPP SWAT and are on station at this time. USMS SOG is the only outside agency working directly under USPP. The NYFO USPP officers are on station and ready for assignment.

At 1800 hours, the chamber of the Lincoln Memorial and the Jefferson Memorial will be closed for precautionary measures. Regular day personnel scheduled to end their tour of duty at 1800 hours are being held until further notice and will remain for response.

USCP continues to develop their operational plan to secure the grounds.

All,

I wanted to provide all with a few updates USPP has received this afternoon.

-The PIC has verbally relinquished Freedom Plaza and the area of Sylvan Theater for Jan 6. They are still discussing whether they want to relinquish the Mall, but are hesitant to do so as they want to start setting up their event on January 7th for Inauguration. The PIC will have further conversations and get back to NPS regarding the Mall. Also, NPS does require that the PIC put all of this in writing, which they have not done yet. Until it is in writing, it is not technically relinquished.

-NPS has a meeting with Cindy Chafian at 0900 tomorrow regarding the use of Sylvan Theater for her permit. Hopefully we will have a better understanding of her plans.

-Women for America First/Amy Kremer filed another application this afternoon for Jan 6th thru NPS. The application is for 5,000 people on the Ellipse. I have attached that application. As the application was just received no meeting has been scheduled yet. So, as of now, NPS is tracking possible groups at Freedom Plaza, the Washington Monument Grounds, the Ellipse, the National Mall, John Marshall Park, and Columbus Circle.

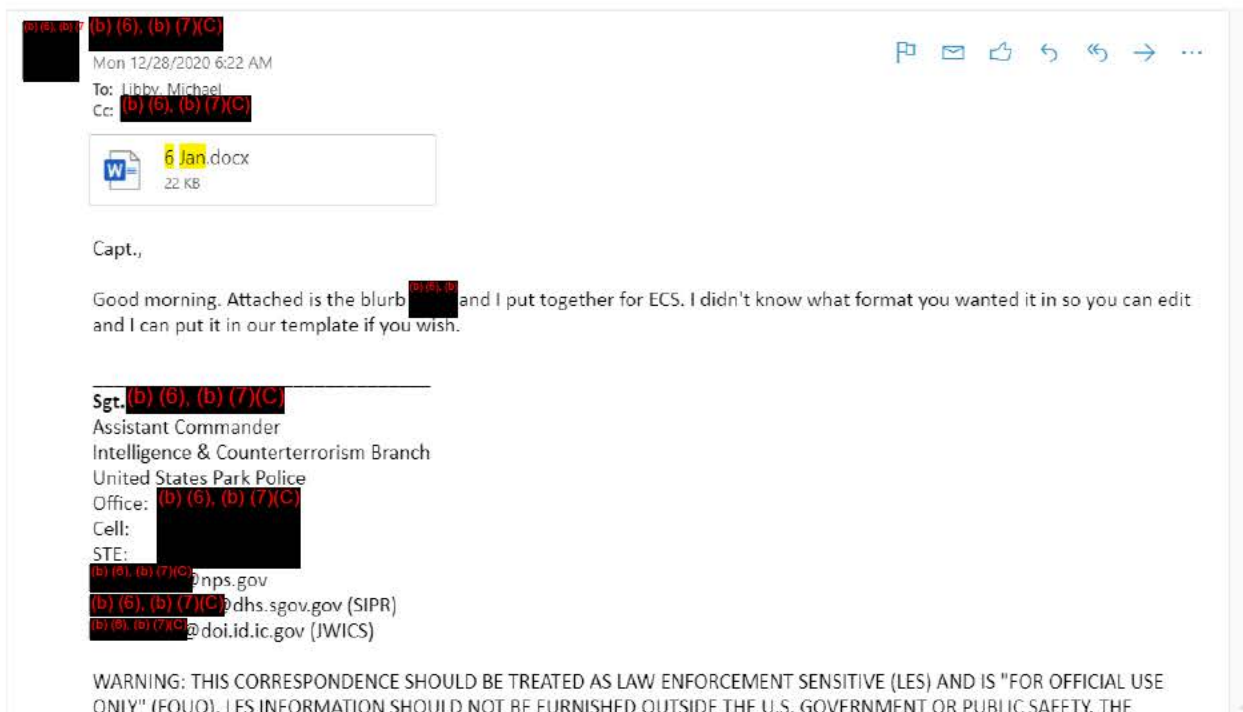

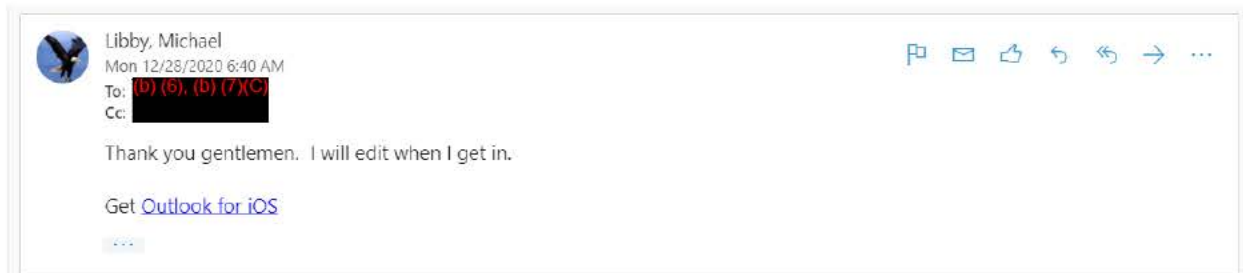

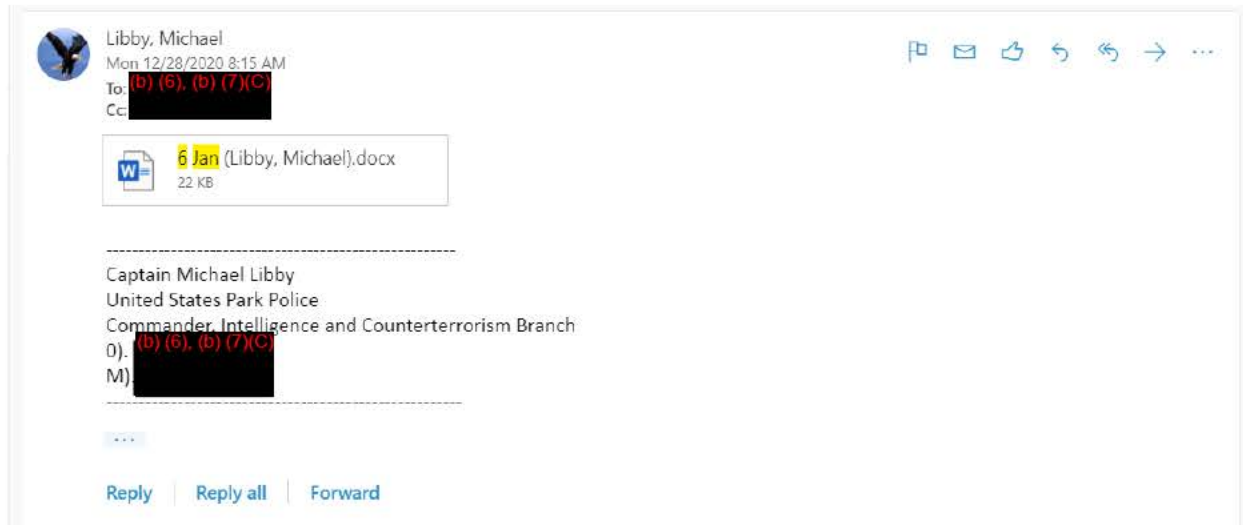

Quick question for USSS for the good of the all. With the possibility of a large group being on the Ellipse, will USSS (b) (5) (b) (5)?

Of course I did.....

The car caravan was listed on the D&E calendar but I don't think made it over to the daily on Saturday.

My excuse for anything this morning is that yesterday (b) (6), (b) (7)(C) took me on a forced 5.13 mile death march in the hills at Catocin NP.

I also added you to an email chain that started yesterday reference a POTUS Tweet calling for a "wild" demo on 6 January in DC.

Good Morning All,

I hate to be the Christmas Grinch but please see below post regarding a possible big demo on January 6th. So far there have not been any permit applications for this that I am aware of. We are hoping this

Due to this being a Wednesday, I think the TCO's starting closer to the beginning of rush hour will be helpful and continuing through evening rush hour.

Also, the TCO's will not be needed at 16th and H, 16th and I, and Vermont and H on Tuesday, Wednesday, or Thursday, as will have that area restricted to vehicles.

Morning everyone,

Our office spoke to Cindy Chafian last night, and although it's not confirmed yet, she stated that she will more than likely cancel her request for Union Square (West Front) on Wed, Jan. 6, 2021. She is considering a worship prayer service at Freedom Plaza on that day from 1830-2100 hours. We'll keep you updated when the cancellation is confirmed through our office, but wanted to give you all a heads up.

Have a nice holiday.

Be safe,

FYI - most recent email traffic from Cindy. Appears she is amending her permit originally for Jan 23 to January 5-7, with an event date Jan 6. No new application submitted. As of now, she is looking for a permit for Jan 6, and cancelling her permit for Jan 23.

21-0278 Women for America First.pdf;

All,

I wanted to provide all with a few updates USPP has received this afternoon.

-The PIC has verbally relinquished Freedom Plaza and the area of Sylvan Theater for Jan 6. They are still discussing whether they want to relinquish the Mall, but are hesitant to do so as they want to start setting up their event on January 7th for Inauguration. The PIC will have further conversations and get back to NPS regarding the Mall. Also, NPS does require that the PIC put all of this in writing, which they have not done yet. Until it is in writing, it is not technically relinquished.

-NPS has a meeting with Cindy Chafian at 0900 tomorrow regarding the use of Sylvan Theater for her permit. Hopefully we will have a better understanding of her plans.

-Women for America First, (b) (6), (b) (7)(C) filed another application this afternoon for Jan 6th thru NPS. The application is for 5,000 people on the Ellipse. I have attached that application. As the application was just received no meeting has been scheduled yet. So, as of now, NPS is tracking possible groups at Freedom Plaza, the Washington Monument Grounds, the Ellipse, the National Mall, John Marshall Park, and Columbus Circle.

Quick question for USSS for the good of the all. With the possibility of a large group being on the Ellipse, will USSS be standing up the EOC in EEOB and want agency liaisons present?

-Dave

You're right, brother. I am 100% confused. So according to this, she is scrapping the January 5th plan altogether, or is this in addition to January 5th? Because according to Marisa's email, she asked Cindy if they were only using this site on January 6th and she confirmed.

I can't wait for this event to be over with...

Here you go. This is the Cindy - Eighty Percent Coalition. Also included the amendment sent out, which I am sure at this point, is completely irrelevant.

GM Once again Kind Sir –

So the NPS just received this little gem from the organizer for the Ellipse on Jan 6th.

We did a quick review and it is interesting that they are listing Mags, POTUS Lighting and Sound package, flags and bunting...

I think in police work we might call this a clue...

Wondering if the back channels may have anything popping up at this point...

USCP created a perimeter around the Capitol grounds and made an address to the remaining public that they may be subject to arrest if they remain after the Mayor's curfew at 1800 hours. The Joint Session is planning to reconvene tonight (estimated time 2000 hours). The Special Events Unit has (b) (7)(E)

The USPP-NYFO will support the operation tomorrow and remain an additional night in the DC area (Thursday into Friday).

The Joint Session reconvened at the Capitol without incident. The session is still ongoing.

USCP advised that fencing will get installed around the Capitol complex shortly. They are planning for multi-operational periods and may use assisting agencies to supplement their sworn staffing to hold a secure perimeter.

(b) (7)(E)

The majority of the special detail assigned on 1/6/2021 was relieved and will report back in a few hours. A USPP tactical element remains available for 24 response and will be under the command of Car 31. Sign off days for USPP-WMA have been cancelled through January 9, 2021 and a special detail will be staffed each day.

Constitution Avenue between 15th and 17th street remains closed due to significant debris in the roadway (currently being cleaned by DPW).

No other significant incidents were reported and no reported injuries to USPP. MPD and USCP police reported several injuries to their personnel to include medical transports.

Good Morning,

I know we've been getting a lot of open source info from various individuals regarding protests on 1/6. This follows what we've been seeing, but we still wanted to put it on your radars. The Disqus comments were a pain to get to in the article, but eventually it worked for me.

I hope all is well,

Pantifa/BLM Balt./DC branches are already busing people in to disturb January 6th. Orders given to dress like "MAGA" blend in cause trouble especially around cameras. At night arson has been ordered. All to be blamed on Trump supporters attending.

Please be careful 🙏🙏🙏

There are multiple replies to this comment that says BLM/Antif will wear MAGA hats backwards, wear camo and attempt to blend in with MAGA crowd. This guy's Twitter page says he's a US Senate candidate for MD in 2022. He retweets a lot from Lin Wood.

Morning everyone,

Our office spoke to Cindy Chafian last night, and although it's not confirmed yet, she stated that she will more than likely cancel her request for Union Square (West Front) on Wed, Jan. 6, 2021. She is considering a worship prayer service at Freedom Plaza on that day from 1830-2100 hours. We'll keep you updated when the cancellation is confirmed through our office, but wanted to give you all a heads up.

Have a nice holiday.

8. Intelligence Report

On 5 January, groups of individuals will begin to arrive in Washington, D.C. in order to participate in planned rallies and demonstrations scheduled for 6 January 2020. These demonstrations will draw groups to the District who hold diametrically opposed social and political views. Within the past 90 days, small sub-groups of the identical organizations attending the 6 January rallies have engaged in violent acts of aggression when these groups are allowed to come into direct contact. While a small rally is planned for the afternoon of 5 January, the main event for this operational period will take place on 6 January at the Ellipse and at the U.S. Capitol. We expect large groups of unorganized individuals will travel between the Ellipse and the U.S. Capitol throughout the day. We expect those lodging in the District on the night of the 6th to return to their hotels, mostly located within the areas of Freedom Plaza and the K Street corridor. The greatest likelihood for violence will occur after sunset when these groups return to their hotels and possibly come into contact with other counter-protest groups.

On 3 January 2021 at approximately 1100 hours, President Trump utilized Twitter to announce he will be attending the permitted event scheduled to take place on the Ellipse on 6 January. As anticipated, this has dramatically increased interest in this event which will draw increased numbers of supporters as well as counter-protestors. A scheduled release by the organizer has POTUS speaking at 1100 hrs. for an undetermined length of time. As long as POTUS has finished speaking, we still expect a large portion of this group to depart the Ellipse at some point and march to the U.S Capitol prior to 1300 hours. (Cont'd next page)
