

## How Do Your Teaching Practices Support Learners Across all 3 Cultural Dimensions?

### Cultural Dimension

### Classroom Strategies

#### Universalism vs Particularism

How might you co-construct classroom agreements?

Shared Agreements](#)

#### Neutral vs Affective

How might you gather this information & support  
students however they respond?

#### Individualism vs Collectivism

How might you gather information about students'  
identities and engage them in reflection about how  
they experience individual vs collective learning?
