

## Reflecting on Race In My Life

Describe when and how you first recognized race. It could have been in a positive, negative or neutral way.

Did you feel threatened, minoritized or privileged in this moment? Why?

What's the most important image, encounter you've recently had regarding race.

Did you feel threatened, minoritized or privileged in this moment? Why?

## Family

- Are your parents the same race? Are your brothers and sisters? What about your extended family-uncles, aunts, etc.?
- Where did your parents grow up? What exposure did they have to racial groups other than their own?
- What ideas did they grow up with, regarding race relations?
- What messages do you recall getting from your parents about race?
- What messages did you get from others about race when you were little?
