Team,

Had a Supervisor's Meeting with the SAIC this afternoon. Here are the highlights:

-2 x GS-14 were promoted on the last list for (b) (7)(E) and Wilmington. The JOA announcement to fill the respective details is at OPO. Solicitations should come out in the near future. Then we have to wait for the decisions and then T#s to transfer the SA's to their new assignments. Once the details start getting staffed, we will see some reduction in the Temp numbers. Will be months before that happens, but the wheels are slowing moving in the right direction.

-A recommendation to reduce the number Temp Assignments of the (b) (7)(E) detail was sent to the chain of command. Proposal is currently at (b) (7)(E) and are in discussions.

-Family pets are both in Wilmington. Younger pet bit a Shift SA yesterday. Staff/first family are getting him a full time trainer to correct his behavior in Wilmington. I will let you know if/when they both come back to (b) (7)(E). The biting incident is in the news now (Google it). Just another reminder that the press is always looking for a story. Maintain awareness of your conversations and social media presence. We do not want and cannot have a press leak attributed to us.

(b) (7)(E)

(b) (7)(E)

Thanks and have a good night.

Good Morning SA (b) (6), (b) (7)(C)

Please be advised that unfortunately this reimbursement cannot be made via the SSF 1164. I have attached a copy of the SSF 3361, "Civilian Employee Claims for Loss or Damage to Personal Property", which is the proper form for this purpose. Please complete the form and submit it to FMD with the following documentation:

- Two estimates or receipts showing the replacement cost or current value of the item by a qualified disinterested party (such as a tailor, store merchant, etc.) as evidence of cost of the item.

Your claim should be sent to the SAIC for his approval, then submitted to the Chief, Certification & Post Audit Branch (CPAB), FMD. *(Note: I believe that all documents requiring the SAIC's approval must go through SPM (b) (6), (b) (7)(C))* For your convenience I have also attached a copy of FMD-06(07) – Claims for Damage To or Loss of Personal Property.

Today (b) (6), (b) (7)(C) and I were approached by (b) (6), (b) (7)(C) with (b) (6), (b) (7)(C)". He stated that he has seen the news about Major biting folks at the White House and would like to speak with either Mrs. or Mr. Klain to offer his services to POTUS. He has asked the proper Avenue of approach in order to contact them and he knows he cannot knock on their door. (b) (6), (b) (7)(C) and I informed him to contact their mutual friends that he claims to have and/or contact staff through the official White House website. (b) (7)(E)
(b) (7)(E). He inquired about speaking with the Chief when the first news article of Major hit a week or two ago. His website is (b) (6), (b) (7)(C) and he also has an Instagram account. I'll hit you up tmrw to discuss. I think taking some depreciation on a four year old coat is probably reasonable and a realistic expectation. The other option is to get a quote for repair.

When I return home from the (b) (6), (b) (7)(C) temp I can get a photo of the damage however, I respectfully decline the DSAIC's request to depreciate the overcoat given to me as a gift. I believe yourself and ASAIC (b) (6), (b) (7)(C) were present to witness the dog bite and tear so you can confirm the authenticity of the event. If I understand it, the only requirements for the SSF 3361 are replacement estimates which have already been supplied.

Nevertheless, if the DSAIC wishes to deny the SSF 3361 I can seek reimbursement through other means.

The DSAIC is requesting you re-submit with additional notes for depreciation. Attached is from a googled men's clothing depreciation calculator. He would also like a photograph of the damage.

My understanding is that with those two additions, this should be approved.

No problem, completely understand. Please take a look at the excerpt from the manual from (b) (6), (b) (7)(C). As I read it, There does appear to be a requirement for you to obtain recommendations and statements from two disinterested parties (tailors) for claims over \$100. I don't believe (b) (7)(E) will review or make a final determination on your request until the requisite documentation has been provided.

(b) (6), (b) (7)(C)

I believe the saga of (b) (6), (b) (7)(C) coat has run its course. There are no requirements in either SSF 1164 or 3361 to seek appraisals or provide pictures for damage or to even seek the expert opinion of 2 unbiased tailors.

Your assessment about the cost discrepancy was correct. I did a quick Amazon search for Men's wool overcoat in my size and found a non-label replacement for \$140. Silly me right? If the 1164 had gone through I would've been none the wiser.

But...since the 1164 was kicked back and I was redirected to 3361, I did my homework and researched the closest replacement for my particular coat. I am not getting my coat, which was torn by a known vicious dog, repaired. I'm not working a detail with a stitched up coat. The correct remedy for this incident is item replacement as it occurred on account of wrongdoing.

I believe I was being reasonable in haggling with the ASAIC over the replacement value knocked down to \$350 from \$550.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

Good morning Mr. (b) (6), (b) (7)(C)

Before approving this request for Mr. (b) (6), (b) (7)(C) (b) (7)(E) is seeking justification for the difference in cost to replace the coat (the 1164 vs. the 3361, \$140 vs. \$523), to include why the coat could not be repaired (e.g. tailor).

From FMD policy (attached for your reference, FMD-06(07), page 5):

If the item is not repairable, two statements are needed to explain this, and

If the item was destroyed, a memorandum must be submitted.

Reading the language under SSF3361, it appears this is correct. I will seek the advice of 2 disinterested parties (i.e. tailors) regarding the damage to the overcoat and what their independent recommendations would be as to replacement vs. repair.

Mr. (b) (6), (b) (7)(C)

No problem, completely understand. Please take a look at the excerpt from the manual from (b) (6), (b) (7)(C). As I read it, There does appear to be a requirement for you to obtain recommendations and statements from two disinterested parties (tailors) for claims over \$100. I don't believe (b) (7)(E) will review or make a final determination on your request until the requisite documentation has been provided.

(b) (6), (b) (7)(C)

I believe the saga of (b) (6), (b) (7)(C) coat has run its course. There are no requirements in either SSF 1164 or 3361 to seek appraisals or provide pictures for damage or to even seek the expert opinion of 2 unbiased tailors.

Your assessment about the cost discrepancy was correct. I did a quick Amazon search for Men's wool overcoat in my size and found a non-label replacement for \$140. Silly me right? If the 1164 had gone through I would've been none the wiser.

But...since the 1164 was kicked back and I was redirected to 3361, I did my homework and researched the closest replacement for my particular coat. I am not getting my coat, which was torn by a known vicious dog, repaired. I'm not working a detail with a stitched up coat. The correct remedy for this incident is item replacement as it occurred on account of wrongdoing.

I believe I was being reasonable in haggling with the ASAIC over the replacement value knocked down to \$350 from \$550.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

I believe the saga of (b) (6), (b) (7)(C) coat has run its course. There are no requirements in either SSF 1164 or 3361 to seek appraisals or provide pictures for damage or to even seek the expert opinion of 2 unbiased tailors.

Your assessment about the cost discrepancy was correct. I did a quick Amazon search for Men's wool overcoat in my size and found a non-label replacement for \$140. Silly me right? If the 1164 had gone through I would've been none the wiser.

But...since the 1164 was kicked back and I was redirected to 3361, I did my homework and researched the closest replacement for my particular coat. I am not getting my coat, which was torn by a known vicious dog, repaired. I'm not working a detail with a stitched up coat. The correct remedy for this incident is item replacement as it occurred on account of wrongdoing.

I believe I was being reasonable in haggling with the ASAIC over the replacement value knocked down to \$350 from \$550.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

repaired (e.g. tailor).

Revised 3361 attached with documentation from tailors. Claim reduced to \$371.00 based upon suitable replacement coat found.

(b) (6), (b) (7)(C) Tailor recommended overcoat replacement and quoted a price of \$371.00 as they carry Ralph Lauren line of overcoats.

Mens Wearhouse tailor recommended replacement as well. Store Manager could not quote a price however as this outlet did not carry Ralph Lauren line of overcoats.

Apart from these tailor statements however, will anything else additional be necessary to move this SSF3361 forward? (Pursuant to standard agency requirements that is).

Subject: RE: request for justification, SSF 3361

Revised 3361 attached with documentation from tailors. Claim reduced to \$371.00 based upon suitable replacement coat found.

(b) (6), (b) (7)(C) Tailor recommended overcoat replacement and quoted a price of \$371.00 as they carry Ralph Lauren line of overcoats.

Mens Wearhouse tailor recommended replacement as well. Store Manager could not quote a price however as this outlet did not carry Ralph Lauren line of overcoats.

I believe the saga of (b) (6), (b) (7)(C) coat has run its course. There are no requirements in either SSF 1164 or 3361 to seek appraisals or provide pictures for damage or to even seek the expert opinion of 2 unbiased tailors.

Your assessment about the cost discrepancy was correct. I did a quick Amazon search for Men's wool overcoat in my size and found a non-label replacement for \$140. Silly me right? If the 1164 had gone through I would've been none the wiser.

But...since the 1164 was kicked back and I was redirected to 3361, I did my homework and researched the closest replacement for my particular coat. I am not getting my coat, which was torn by a known vicious dog, repaired. I'm not working a detail with a stitched up coat. The correct remedy for this incident is item replacement as it occurred on account of wrongdoing.

I believe I was being reasonable in haggling with the ASAIC over the replacement value knocked

down to \$350 from \$550.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

Good morning Mr. (b) (6), (b) (7)(C)

Before approving this request for Mr. (b) (6), (b) (7)(C) (b) (7)(E) is seeking justification for the difference in cost to replace the coat (the 1164 vs. the 3361, \$140 vs. \$523), to include why the coat could not be repaired (e.g. tailor).

From FMD policy (attached for your reference, FMD-06(07), page 5):

- If the item is not repairable, two statements are needed to explain this, and
- If the item was destroyed, a memorandum must be submitted.

Please let me know if you have any questions.

Revised 3361 attached with documentation from tailors. Claim reduced to \$371.00 based upon suitable replacement coat found.

(b) (6), (b) (7)(C) Tailor recommended overcoat replacement and quoted a price of \$371.00 as they carry Ralph Lauren line of overcoats.

Mens Wearhouse tailor recommended replacement as well. Store Manager could not quote a price however as this outlet did not carry Ralph Lauren line of overcoats.

(b) (6), (b) (7)(C)

I believe the saga of (b) (6), (b) (7)(C) coat has run its course. There are no requirements in either SSF 1164 or 3361 to seek appraisals or provide pictures for damage or to even seek the expert opinion of 2 unbiased tailors.

Your assessment about the cost discrepancy was correct. I did a quick Amazon search for Men's wool overcoat in my size and found a non-label replacement for \$140. Silly me right? If the 1164 had gone through I would've been none the wiser.

But...since the 1164 was kicked back and I was redirected to 3361, I did my homework and researched the closest replacement for my particular coat. I am not getting my coat, which was torn by a known vicious dog, repaired. I'm not working a detail with a stitched up coat. The correct remedy for this incident is item replacement as it occurred on account of wrongdoing.

I believe I was being reasonable in haggling with the ASAIC over the replacement value knocked down to \$350 from \$550.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

Revised 3361 attached with documentation from tailors. Claim reduced to \$371.00 based upon suitable replacement coat found.

(b) (6), (b) (7)(C) Tailor recommended overcoat replacement and quoted a price of \$371.00 as they carry Ralph Lauren line of overcoats.

Mens Wearhouse tailor recommended replacement as well. Store Manager could not quote a price however as this outlet did not carry Ralph Lauren line of overcoats.

Understood. I will do my best to acquire this information, assuming they volunteer it.

Apart from these tailor statements however, will anything else additional be necessary to move this SSF3361 forward? (Pursuant to standard agency requirements that is).

I'm unfamiliar with this form and it is the first time I have submitted such a claim.

Mr. (b) (6), (b) (7)(C)

Reading the language under SSF3361, it appears this is correct. I will seek the advice of 2 disinterested parties (i.e. tailors) regarding the damage to the overcoat and what their independent recommendations would be as to replacement vs. repair.

Mr. (b) (6), (b) (7)(C)

Are there any further requirements that have not yet been mentioned which must be satisfied before this SSF3361 request can be signed/completed?

No problem, completely understand. Please take a look at the excerpt from the manual from (b) (6), (b) (7)(C). As I read it, There does appear to be a requirement for you to obtain recommendations and statements from two disinterested parties (tailors) for claims over \$100. I don't believe (b) (7)(E) will review or make a final determination on your request until the requisite documentation has been provided.

(b) (6), (b) (7)(C)

I believe the saga of (b) (6), (b) (7)(C) coat has run its course. There are no requirements in either SSF 1164 or 3361 to seek appraisals or provide pictures for damage or to even seek the expert opinion of 2 unbiased tailors.

Your assessment about the cost discrepancy was correct. I did a quick Amazon search for Men's wool overcoat in my size and found a non-label replacement for \$140. Silly me right? If the 1164 had gone through I would've been none the wiser.

But...since the 1164 was kicked back and I was redirected to 3361, I did my homework and researched the closest replacement for my particular coat. I am not getting my coat, which was torn by a known vicious dog, repaired. I'm not working a detail with a stitched up coat. The correct remedy for this incident is item replacement as it occurred on account of wrongdoing.

I believe I was being reasonable in haggling with the ASAIC over the replacement value knocked down to \$350 from \$550.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

Before approving this request for Mr. (b) (6), (b) (7)(C) (b) (7)(E) is seeking justification for the difference in cost to replace the coat (the 1164 vs. the 3361, \$140 vs. \$523), to include why the coat could not be repaired (e.g. tailor).

From FMD policy (attached for your reference, FMD-06(07), page 5):

- If the item is not repairable, two statements are needed to explain this, and
- If the item was destroyed, a memorandum must be submitted.

Please let me know if you have any questions.

(b) (6), (b) (7)(C) Tailor recommended overcoat replacement and quoted a price of \$371.00 as they carry Ralph Lauren line of overcoats.

Mens Wearhouse tailor recommended replacement as well. Store Manager could not quote a price however as this outlet did not carry Ralph Lauren line of overcoats.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

From FMD policy (attached for your reference, FMD-06(07), page 5):

If the item was destroyed, a memorandum must be submitted.

If this isn't good enough, the ASAIC or (b) (7)(E) or "whomever" can deny the SS F3361 and state the cause as to why. And I will seek an alternative avenue for replacement.

Thanks.

I will advise him to visit two tailors and get a recommendations on whether the coat should be repaired or replaced.

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C) original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

Thanks,

Good morning Mr. (b) (6), (b) (7)(C)

Before approving this request for Mr. (b) (6), (b) (7)(C) (b) (7)(E) is seeking justification for the difference in cost to replace the coat (the 1164 vs. the 3361, \$140 vs. \$523), to include why the coat could not be repaired (e.g. tailor).

From FMD policy (attached for your reference, FMD-06(07), page 5):

If the item is not repairable, two statements are needed to explain this, and
If the item was destroyed, a memorandum must be submitted.

Please let me know if you have any questions.

Good afternoon Sir – an update on the (b) (6), (b) (7)(C) coat situation.

I spoke with Mr. (b) (6), (b) (7)(C) and advised that they would need to do the research to find appropriate substitutes for the coat, since it could not be repaired. Based on Mr. (b) (6), (b) (7)(C) size (b) (6), (b) (7)(C), Mr. (b) (6), (b) (7)(C) has submitted the attached price estimates.

The 3361 that was submitted is for \$371, the price quoted from (b) (6), (b) (7)(C). The other three estimates, attached, are more expensive.

Please let me know if you need anything else.

Sir,

Attached is the packet for Mr. [REDACTED] replacement coat claim.

Mr. [REDACTED] was able to provide three other comparable replacement options. The cheapest quote SA [REDACTED] was able to find was submitted in his last round of paperwork (\$371). The three additional quotes attached to this email are all higher (\$397.25, \$419, and \$598).

Please let me know if any additional research is necessary.

Thank you

Good afternoon Mr. (b) (6), (b) (7)(C)

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

“On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family’s two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position.”

I trust this will pass muster for LEG.

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

"On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family's two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position."

I trust this will pass muster for LEG.

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

"On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family's two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position."

I trust this will pass muster for LEG.

Good afternoon Mr. (b) (6), (b) (7)(C)

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Thank you,

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity that what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform (b) (7)(E) and LEG.

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

“On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family’s two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position.”

I trust this will pass muster for LEG.

Good afternoon Mr. (b) (6), (b) (7)(C)

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Thank you,

Attached is the SSF3361 with the verbiage pre-approved by Legal.
I have reinstated the original claim amount of \$523.00 for the coat as I do not believe the earlier discounted price I was able to find is still valid.

I also understand that there was another bite incident with Major this morning. Therefore, the controlling entity (whether it be Legal or HQ) can choose to approve this revision or the more specific 3361 I submitted on Monday. Either approval is fine with me however, my inclination is that the more detailed account submitted on the 10th is proper considering this dog bite issue continues to plague our personnel.

Thanks.

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity that what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform (b) (7)(E) and LEG.

Good afternoon Mr. (b) (6), (b) (7)(C)

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

“The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position.”

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Thank you,
David

I understand this was not what we discussed. However, Major had not bitten another agent prior to our conversation yesterday. This situation is getting out of hand and should be documented.

Nevertheless, if LEG wishes for me to use pre-approved language other than my own to avoid the specific details of the incident on 3/6/21 with Major, the form SSF3361 can stand in place of the version submitted on Monday.

If MSRP replacement value (\$523) is unacceptable, I am still willing to accept the amount listed on the SSF3361 submitted on 5/10/21 (\$371).

No meeting should be necessary as it's simply a matter of "Yes" to one and "No" to the other. I am curious to know the grounds for which LEG can reject either.

I have submitted 2 forms. If LEG rejects either, I will wait to hear back as to why and on what grounds the reimbursement is being denied.

As far as I see it, there is no requirement as to how the description must be written for approval to be granted. It must simply be a brief and accurate description as to how the damage occurred.

If LEG rejects the claim; they must do so for good cause. If they reject it for no cause or bad cause, that could potentially be illegal re: employee rights.

I'll check in with Mr. (b) (6), (b) (7)(C) at a later date to check the status of the 5/10 form.

I appreciate your advocacy this far but I've done more than enough to get this matter settled. It is now being delayed arbitrarily or for the purposes of evading FOIA. I'm not going to be a party to the later and if they want this issue gone they'll approve it.

Thanks.

I have submitted 2 forms. If LEG rejects either, I will wait to hear back as to why and on what grounds the reimbursement is being denied.

As far as I see it, there is no requirement as to how the description must be written for approval to be granted. It must simply be a brief and accurate description as to how the damage occurred.

If LEG rejects the claim; they must do so for good cause. If they reject it for no cause or bad cause, that could potentially be illegal re: employee rights.

I'll check in with Mr. (b) (6), (b) (7)(C) at a later date to check the status of the 5/10 form.

I appreciate your advocacy this far but I've done more than enough to get this matter settled. It is now being delayed arbitrarily or for the purposes of evading FOIA. I'm not going to be a party to the later and if they want this issue gone they'll approve it.

Thanks.

I understand this was not what we discussed. However, Major had not bitten another agent prior to our conversation yesterday. This situation is getting out of hand and should be documented.

Nevertheless, if LEG wishes for me to use pre-approved language other than my own to avoid the specific details of the incident on 3/6/21 with Major, the form SSF3361 can stand in place of the version submitted on Monday.

If MSRP replacement value (\$523) is unacceptable, I am still willing to accept the amount listed on the SSF3361 submitted on 5/10/21 (\$371).

No meeting should be necessary as it's simply a matter of "Yes" to one and "No" to the other. I am curious to know the grounds for which LEG can reject either.

Attached is the SSF3361 with the verbiage pre-approved by Legal.
I have reinstated the original claim amount of \$523.00 for the coat as I do not believe the earlier discounted price I was able to find is still valid.

I also understand that there was another bite incident with Major this morning. Therefore, the controlling entity (whether it be Legal or HQ) can choose to approve this revision or the more specific 3361 I submitted on Monday. Either approval is fine with me however, my inclination is that the more detailed account submitted on the 10th is proper considering this dog bite issue continues to plague our personnel.

Thanks.

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity than what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform (b) (7)(E) and LEG.

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

“On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family’s two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position.”

I trust this will pass muster for LEG.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

“The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position.”

If you agree with the language as written, please update your 3361 and return to me for

Subject: FW: PPD Employee Claim for Loss or Damage to Personal Property

Good morning sir,

Please read the below chain. I can fill you in on some of the specifics, but in summary, SA (b) (6), (b) (7)(C) suffered damage (by the family pet) to a coat he was wearing while on duty on March 6th. He then submitted a claim for reimbursement for a replacement coat, which we returned for correction several times, not because it wasn't substantiated, but because he put NO effort in submitting paperwork correctly.

SA (b) (6), (b) (7)(C) only submitted the claim without receipt, or photos of damage, or any estimates for repairs or replacement. He also did not adjust/account for depreciation - the coat was at least 3 years old.

SA (b) (6), (b) (7)(C) resubmitted a claim with photos of the damage, and claimed he no longer had the receipt, but that the coat cost \$523 (gift). We returned it, asking him for estimates from tailors for repairs, or what was estimated replacement.

SA (b) (6), (b) (7)(C) resubmitted with all supporting documents, with an estimates from two tailors that resulted in the \$371 value. The coat is not repairable. After review, we submitted accordingly.

LEG returned the reimbursement request, only asking for brief summary of events. SPM (b) (6), (b) (7)(C) (Admin) worked with LEG on appropriate verbiage, which now has generated further response from SA (b) (6), (b) (7)(C)

Outside of any statements, the idea that he has done more than what was asked is false, and the amount of manhours DSAIC (b) (6), (b) (7)(C) SPM (b) (6), (b) (7)(C) and ASAC (b) (6), (b) (7)(C) expended on this matter, to ensure it was being taken care of properly and to get SA (b) (6), (b) (7)(C) reimbursed has been absurd. If SA (b) (6), (b) (7)(C) conscientiously spent even half of his time doing something correctly, opposed to lecturing his supervisors, then this would have all been resolved earlier.

We have a meeting with SA (b) (6), (b) (7)(C) later this afternoon, during his PM shift. Just wanted to provide some overview, in case this comes across your desk (or LEG, etc) in another way.

Thank you - (b) (6), (b) (7)(C)

I understand this was not what we discussed. However, Major had not bitten another agent prior to our conversation yesterday. This situation is getting out of hand and should be documented.

Nevertheless, if LEG wishes for me to use pre-approved language other than my own to avoid the specific details of the incident on 3/6/21 with Major, the form SSF3361 can stand in place of the version submitted on Monday.

If MSRP replacement value (\$523) is unacceptable, I am still willing to accept the amount listed on the SSF3361 submitted on 5/10/21 (\$371).

No meeting should be necessary as it's simply a matter of "Yes" to one and "No" to the other. I am curious to know the grounds for which LEG can reject either.

Attached is the SSF3361 with the verbiage pre-approved by Legal.
I have reinstated the original claim amount of \$523.00 for the coat as I do not believe the earlier discounted price I was able to find is still valid.

I also understand that there was another bite incident with Major this morning. Therefore, the controlling entity (whether it be Legal or HQ) can choose to approve this revision or the more specific 3361 I submitted on Monday. Either approval is fine with me however, my inclination is that the more detailed account submitted on the 10th is proper considering this dog bite issue continues to plague our personnel.

Thanks.

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity that what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform (b) (7)(E) and LEG.

Thank you,

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

“On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family’s two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position.”

I trust this will pass muster for LEG.

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

This record occurs outside of the FOIA request window.

On May 12th, 2021 around 630-645am. The First Lady brought Major down to take him outside before her movement to an in town site. The First Lady and the Usher were standing next to me at (b) (6), (b) (7)(C) along with a (b) (6), (b) (7)(C), (b) (7)(E) I was standing back against the wall as to leave space for the First Lady and Major who was on a leash. Out of nowhere the dog jumps and bites the sleeve of my suit jacket missing my arm (front teeth just scratching the top of the skin). As I lift my arm up the dog was still attached to my suit jacket and the First Lady was attempting to pull the dog off of me via the leash. Once the dog let go, the First Lady ran into the Dip room with the dog. The usher came out to see how I was. Later (b) (6), (b) (7)(C) said the First Lady (b) (6), (b) (7)(C). (b) (6), (b) (7)(C)

I thought about our conversation yesterday and did some searching online for a replacement coat. Given that summer is approaching, I should be able to find a suitable overcoat on sale at \$350 (this would essentially be 40% off the regular retail price). Or about 10% depreciation as opposed to the 20% depreciation DSAIC (b) (6), (b) (7)(C) sought.

If the DSAIC agrees to this depreciation for the coat ripped by Major, I will modify the SSF3361 with pictures of the damage. I think this figure is fair considering the nature of how the coat was damaged and the availability for a replacement at discount.

Let me know. Thanks

If the tailors recommend the coat be replaced in lieu of repair, I will advise SA (b) (6), (b) (7)(C) to take statements from each tailor. What is the acceptable format for these statements? Do the tailors need to make their own written/signed statements, or can they make statements to SA (b) (6), (b) (7)(C) and SA (b) (6), (b) (7)(C) can reference these statements in his 3361?

Regarding the cost discrepancy, SA (b) (6), (b) (7)(C)'s original claim (1164) was just a rough estimate based on general knowledge.

When he was advised to provide an actual quote for a replacement coat, he had to research more thoroughly and subsequently discovered that he had grossly underestimated the cost of his coat. Thus the disparity in the replacement cost between the 1164 and the 3361.

To clarify, you are NOT going to submit a 3361 with the LEG approved language, for the amount of \$371?

If that is the case, I will be scheduling you for a meeting with (b) (7)(E) et al.

Please confirm so I can start coordinating calendars.

Thanks,

I have submitted 2 forms. If LEG rejects either, I will wait to hear back as to why and on what grounds the reimbursement is being denied.

As far as I see it, there is no requirement as to how the description must be written for approval to be granted. It must simply be a brief and accurate description as to how the damage occurred.

If LEG rejects the claim; they must do so for good cause. If they reject it for no cause or bad cause, that could potentially be illegal re: employee rights.

I'll check in with Mr. (b) (6), (b) (7)(C) at a later date to check the status of the 5/10 form.

I appreciate your advocacy this far but I've done more than enough to get this matter settled. It is now being delayed arbitrarily or for the purposes of evading FOIA. I'm not going to be a party to the later and if they want this issue gone they'll approve it.

Thanks.

Attached is the SSF3361 with the verbiage pre-approved by Legal.
I have reinstated the original claim amount of \$523.00 for the coat as I do not believe the earlier discounted price I was able to find is still valid.

I also understand that there was another bite incident with Major this morning. Therefore, the controlling entity (whether it be Legal or HQ) can choose to approve this revision or the more specific 3361 I submitted on Monday. Either approval is fine with me however, my inclination is that the more detailed account submitted on the 10th is proper considering this dog bite issue continues to plague our personnel.

Thanks.

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity that what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform Room 60 and LEG.

Thank you,

This memorandum will serve as a brief synopsis of a meeting which took place in (b) (6), (b) (7)(E) of the EEOB on May 13, 2021. The attendees of the meeting were DSAIC (b) (6), (b) (7)(C), DSAIC (b) (6), (b) (7)(C), ASAIC (b) (6), (b) (7)(C), ATSAIC (b) (6), (b) (7)(C), and SA (b) (6), (b) (7)(C). DSAIC (b) (6), (b) (7)(C) stated the intent of the meeting was to resolve the issue and assist SA (b) (6), (b) (7)(C) in recouping funds for his damaged coat. Briefly, Mr. (b) (6), (b) (7)(C) explained the duration for processing this SSF 3361 form was partly because of inadequate paperwork filed by SA (b) (6), (b) (7)(C) and most recently, due to the USSS Legal recommending a change in verbiage. Mr. (b) (6), (b) (7)(C) also explained the delicateness of the situation, in terms of potential damage in the trust of our protectees. Mr. (b) (6), (b) (7)(C) went into detail about (b) (7)(E) (b) (7)(E).

Mr. (b) (6), (b) (7)(C) explained that he too was hoping to resolve the issue. Mr. (b) (6), (b) (7)(C) also stated that based on the most recent bite incident he was unwilling to change the verbiage on the official SSF 3361. Mr. (b) (6), (b) (7)(C) further stated this incident was one of many of negative aspects of PPD he and other Agents are dealing with. Mr. (b) (6), (b) (7)(C) stated the dangerous atmosphere surrounding Major needs to be documented and henceforth, he would serve as a depository to document all past and future incidents. Hello Sir, here is a quick timeline of Mr. (b) (6), (b) (7)(C) submissions to Admin Ops for processing, please let me know if you would like any emails.

3/16/21 – Via supervisor (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) submitted SSF 1164 for reimbursement of one Ralph Lauren Men's wool overcoat, damaged by "Family Pet", for an estimated \$140.00. I submitted this to (b) (6), (b) (7)(C) to process.

3/17/21 – (b) (6), (b) (7)(C) advised (b) (6), (b) (7)(C) that the SSF 1164 was not the correct vehicle for this situation, and sent an SSF 3361 form to be completed. Documentation required in addition to the 3361 included two estimates or receipts as evidence of the cost.

3/18/21 – Via (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) submitted the 3361 with two (new) coat estimates, for \$523.50 and \$535.00, for "tear from dog bite".

4/8/2021 – I informed (b) (6), (b) (7)(C) that (b) (7)(E) was seeking justification in the difference between the original estimate (\$140.00) and new estimate (\$535.00), to include why the coat could not be repaired. I cited FMD policy, that "if the item is not repairable, two statements are needed to explain this, and if the item was destroyed, a memorandum must be submitted".

4/15/21 – (b) (6), (b) (7)(C) submitted a 3361 with recommendations from two tailors to replace (\$371.00).

4/20/21 – Via (b) (6), (b) (7)(C) submitted 3361 with additional 3 replacement options for similar coats, \$371.00 being the cheapest.

4/21/21 – With (b) (7)(E) approval, I submitted the package to FMD for processing.

4/27/21 – I informed (b) (6), (b) (7)(C) I was following up on his claim with FMD.

5/4/21 – FMD (b) (6), (b) (7)(C) responded that they will have to work with LEG before processing the claim.

5/7/21 – (b) (6), (b) (7)(C) contacted LEG requesting concurrence for reimbursement. LEG (b) (6), (b) (7)(C) responded (b) (5)

(b) (5) I cleared with (b) (6), (b) (7)(C) sample language that would be sufficient. I emailed (b) (6), (b) (7)(C) to explain where we were in the process, what LEG was requiring, and provided the sample language that would be approved.

5/11/21 – (b) (6), (b) (7)(C) revised his justification/description on the 3361 to the following: *“On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family’s two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position.”*

5/18/21 – (b) (7)(E), (b) (6), (b) (7)(C) approval of revised 3361, submitted to me.

5/19/21 – I submitted the approved 3361 to (b) (6), (b) (7)(C) for LEG review.

5/25/21 – I requested a status update from (b) (6), (b) (7)(C) 3361 was still with LEG.

5/27/21 – (b) (6), (b) (7)(C) submitted the 3361 to another FMD employee (b) (6), (b) (7)(C) for processing/payment.

6/9/21 – I requested a status update from (b) (6), (b) (7)(C) who was checking with the Payments Team.

From there I was in Brussels and it fell off my radar; I will follow up to see if this was completed.

I have submitted 2 forms. If LEG rejects either, I will wait to hear back as to why and on what grounds the reimbursement is being denied.

As far as I see it, there is no requirement as to how the description must be written for approval to be granted. It must simply be a brief and accurate description as to how the damage occurred.

If LEG rejects the claim; they must do so for good cause. If they reject it for no cause or bad cause, that could potentially be illegal re: employee rights.

I'll check in with Mr. [REDACTED] at a later date to check the status of the 5/10 form.

I appreciate your advocacy this far but I've done more than enough to get this matter settled. It is now being delayed arbitrarily or for the purposes of evading FOIA. I'm not going to be a party to the later and if they want this issue gone they'll approve it.

Thanks.

I understand this was not what we discussed. However, Major had not bitten another agent prior to our conversation yesterday. This situation is getting out of hand and should be documented.

Nevertheless, if LEG wishes for me to use pre-approved language other than my own to avoid the specific details of the incident on 3/6/21 with Major, the form SSF3361 can stand in place of the version submitted on Monday.

If MSRP replacement value (\$523) is unacceptable, I am still willing to accept the amount listed on the SSF3361 submitted on 5/10/21 (\$371).

No meeting should be necessary as it's simply a matter of "Yes" to one and "No" to the other. I am curious to know the grounds for which LEG can reject either.

This is not what we discussed yesterday.

Please submit with the amount that has been pre-approved by (b) (7)(E) and Legal. If you do not wish to submit with the agreed upon amount, my understanding is this claim will not be processed.

If you would like to make your case that the amount should be \$523, then I would suggest we schedule a meeting with DSAIC (b) (6), (b) (7)(C) DSAIC (b) (6), (b) (7)(C) ASAIC (b) (6), (b) (7)(C) and myself.

Let me know how you would like to proceed.

Attached is the SSF3361 with the verbiage pre-approved by Legal.
I have reinstated the original claim amount of \$523.00 for the coat as I do not believe the earlier discounted price I was able to find is still valid.

I also understand that there was another bite incident with Major this morning. Therefore, the controlling entity (whether it be Legal or HQ) can choose to approve this revision or the more specific 3361 I submitted on Monday. Either approval is fine with me however, my inclination is that the more detailed account submitted on the 10th is proper considering this dog bite issue continues to plague our personnel.

Thanks.

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity that what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform (b) (7)(E) and LEG.

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

"On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family's two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position."

I trust this will pass muster for LEG.

Good afternoon Mr. (b) (6), (b) (7)(C)

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Hi (b) (6), (b) (7)(C)

Good afternoon! Sorry for putting you in the spot. I asked the payments team for assistance on this damage reimbursement in the amount of \$371 to SA (b) (6), (b) (7)(C) (see attached supporting documentation). I haven't received any confirmation of payment completion or questions about this claim from the payments team. LEG already approved the reimbursement, and Ms. (b) (6), (b) (7)(C) also approved the reimbursement of \$371. If you don't mind, would you please ask the payments team for assistance if the payment has not been processed yet? We can probably treat this as a tort claim... Thank you always!

Hello Payments Team,

Can you please help with this. PPD submitted a SSF 3361, Employee Claim for Loss or Damage to Personal Property, for SA (b) (6), (b) (7)(C) who is claiming the damage for his overcoat while he was on official duty at the White House. He has claimed \$371 for the damage, and LEG reviewed and approved the payment. Also, Ms. (b) (6), (b) (7)(C) authorized the payment. Do you think you can help with this payment/reimbursement quickly if it has not been processed already. Please let us know. Thank you very much.

Good morning! My name is (b) (6), (b) (7)(C) and I am with FMD. I am emailing you because I need some guidance/approval from you. I have received the attached SSF 3361 for the employee claim reimbursement request of the tear in one of the PPD agents' jackets from a dog bite while on official duty. Amount of the claim is \$371.00. Also, DSAIC (b) (6), (b) (7)(C) signed off the SSF 3361 for this claim reimbursement.

According to attached FMD-06(07), claims for damage to or loss of personal property, FMD will process the claim, but we should consult with LEG for final review and approval of the claim. I believe Ms. (b) (6), (b) (7)(C) and Ms. (b) (6), (b) (7)(C) usually send tort claims to FMD, and I thought the SSF 3361 claim should be treated in a similar fashion. Question: can we have your final review/approval on the subject SSF 3361 claim so that we can move forward with the reimbursement/payment process? Please let me know if you have any questions/concerns. I will stand by. Thank you very much for your help!

Subject: FW: PPD Employee Claim for Loss or Damage to Personal Property

Sir,

Please see below.

SA (b) (6), (b) (7)(C) and I had a telephonic conversation on the evening of May 11, 2021 in which SA (b) (6), (b) (7)(C) expressed extreme frustration that the reimbursement process had taken so long and he was being asked to make yet another amendment to his request. I explained to him that the reimbursement had been approved, it was simply a matter of adjusting the language to accommodate the request from LEG. SA (b) (6), (b) (7)(C) reluctantly agreed to make the requested adjustments at the approved dollar amount, but stated that if reimbursement was not immediately processed, he would have to seek alternate recourse. I assured SA (b) (6), (b) (7)(C) this was the final amendment and once this change was made, the claim would be processed.

On May 12, 2021 SA (b) (6), (b) (7)(C) resubmitted the paperwork but changed the reimbursement amount \$523, stating he did not believe the discount price was still available.

At this point I consulted with ASAC (b) (6), (b) (7)(C) and we agreed that a meeting with SA (b) (6), (b) (7)(C) and PPD Executive Mgmt would now be appropriate. ASAC (b) (6), (b) (7)(C) contacted (b) (7)(E) and I was advised this meeting would take place at approximately 2PM on May 13, 2021. SA (b) (6), (b) (7)(C) was scheduled to work an afternoon shift at the White House that afternoon, so I made arrangements to have him backfilled on the shift so he would be available for the meeting.

V/R,

This is not what we discussed yesterday.

Please submit with the amount that has been pre-approved by (b) (7)(E) and Legal. If you do not wish to submit with the agreed upon amount, my understanding is this claim will not be processed.

If you would like to make your case that the amount should be \$523, then I would suggest we schedule a meeting with DSAIC (b) (6), (b) (7)(C) DSAIC (b) (6), (b) (7)(C) ASAIC (b) (6), (b) (7)(C) and myself.

Let me know how you would like to proceed.

Attached is the SSF3361 with the verbiage pre-approved by Legal.
I have reinstated the original claim amount of \$523.00 for the coat as I do not believe the earlier discounted price I was able to find is still valid.

I also understand that there was another bite incident with Major this morning. Therefore, the controlling entity (whether it be Legal or HQ) can choose to approve this revision or the more specific 3361 I submitted on Monday. Either approval is fine with me however, my inclination is that the more detailed account submitted on the 10th is proper considering this dog bite issue continues to plague our personnel.

Thanks.

Please submit with the language that has been approved by LEG. Unless you dispute anything in the verbiage that was presented to you, there shouldn't be a need to embellish with additional details

that aren't required for approval.

If you would like to submit a separate memo to (b) (7)(E) memorializing the events of 3/6 in great detail, you certainly may. But your added language on the 3361 provides more specificity that what LEG requested.

I have been told that if you update the 3316 with the approved verbiage, your request will be processed.

If you aren't willing to do so, please advise and I will inform (b) (7)(E) and LEG.

Thank you,

Mr. (b) (6), (b) (7)(C) et al.

I have attached yet another revision to the SSF3361. In hindsight, I agree that the brief description of the nature of the dog bite damage to my wool overcoat was lacking in sufficient details.

I included the following as well as the language you felt at liberty to provide:

"On the evening of March 6th 2021 I was working an evening shift at the White House as per my usual duties. While leading the President and First Lady back from the Tennis pavilion to the Residence, Major, the younger of the First Family's two dogs, was (b) (6), (b) (7)(C) the First Lady in the Diplomatic Reception room. As Major came around the corner he attacked me, unprovoked, tearing the wool overcoat I was wearing that evening. This attack occurred through no fault of my own and I could not avoid this unusual circumstance due to the nature and requirements of my position."

I trust this will pass muster for LEG.

Good afternoon Mr. (b) (6), (b) (7)(C)

Thank you for your patience with this process. When FMD processes 3361s, they are sent to LEG for review and approval to ensure compliance with DHS/USSS regulations.

LEG would like (b) (5)

For your review, I have taken the liberty of describing the circumstances and LEG has given the nod that this will pass muster:

"The damage to the personal coat occurred while on official duty. Through no fault or negligence of my own, the coat was torn by a dog bite. I could not avoid this unusual circumstance due to the nature and requirements of my position."

If you agree with the language as written, please update your 3361 and return to me for management signatures.

Hi (b) (6), (b) (7)(C)

Good afternoon! Sorry for putting you in the spot. I asked the payments team for assistance on this damage reimbursement in the amount of \$371 to SA (b) (6), (b) (7)(C) (see attached supporting documentation). I haven't received any confirmation of payment completion or questions about this claim from the payments team. LEG already approved the reimbursement, and Ms. (b) (6), (b) (7)(C) also approved the reimbursement of \$371. If you don't mind, would you please ask the payments team for assistance if the payment has not been processed yet? We can probably treat this as a tort claim... Thank you always!

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Good afternoon (b) (6), (b) (7)(C)

Sorry for the delay. If you don't mind, let me ask the Payments team to see where are we at with the reimbursement. Please stand by. Thank you.

===break break===

Hello Payments Team,

Can you please help with this. PPD submitted a SSF 3361, Employee Claim for Loss or Damage to Personal Property, for SA (b) (6), (b) (7)(C) who is claiming the damage for his overcoat while he was on official duty at the White House. He has claimed \$371 for the damage, and LEG reviewed and approved the payment. Also, Ms. (b) (6), (b) (7)(C) authorized the payment. Do you think you can help with this payment/reimbursement quickly if it has not been processed already. Please let us know. Thank you very much.

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Hello LEG team,

Good morning! My name is [REDACTED] and I am with FMD. I am emailing you because I need some guidance/approval from you. I have received the attached SSF 3361 for the employee claim reimbursement request of the tear in one of the PPD agents' jackets from a dog bite while on official duty. Amount of the claim is \$371.00. Also, DSAIC [REDACTED] signed off the SSF 3361 for this claim reimbursement.

According to attached FMD-06(07), claims for damage to or loss of personal property, FMD will process the claim, but we should consult with LEG for final review and approval of the claim. I believe Ms. [REDACTED] and Ms. [REDACTED] usually send tort claims to FMD, and I thought the SSF 3361 claim should be treated in a similar fashion. Question: can we have your final review/approval on the subject SSF 3361 claim so that we can move forward with the reimbursement/payment process? Please let me know if you have any questions/concerns. I will stand by. Thank you very much for your help!

Hi (b) (6), (b) (7)(C)

Good afternoon! Sorry for putting you in the spot. I asked the payments team for assistance on this damage reimbursement in the amount of \$371 to SA (b) (6), (b) (7)(C) (see attached supporting documentation). I haven't received any confirmation of payment completion or questions about this claim from the payments team. LEG already approved the reimbursement, and Ms. (b) (6), (b) (7)(C) also approved the reimbursement of \$371. If you don't mind, would you please ask the payments team for assistance if the payment has not been processed yet? We can probably treat this as a tort claim... Thank you always!

Good afternoon (b) (6), (b) (7)(C)

Sorry for the delay. If you don't mind, let me ask the Payments team to see where are we at with the reimbursement. Please stand by. Thank you.

Hello Payments Team,

Can you please help with this. PPD submitted a SSF 3361, Employee Claim for Loss or Damage to Personal Property, for SA (b) (6), (b) (7)(C) who is claiming the damage for his overcoat while he was on official duty at the White House. He has claimed \$371 for the damage, and LEG reviewed and approved the payment. Also, Ms. (b) (6), (b) (7)(C) authorized the payment. Do you think you can help with this payment/reimbursement quickly if it has not been processed already. Please let us know. Thank you very much.

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Hello LEG team,

Good morning! My name is (b) (6), (b) (7)(C) and I am with FMD. I am emailing you because I need some guidance/approval from you. I have received the attached SSF 3361 for the employee claim reimbursement request of the tear in one of the PPD agents' jackets from a dog bite while on official

duty. Amount of the claim is \$371.00. Also, DSAIC [REDACTED] signed off the SSF 3361 for this claim reimbursement.

According to attached FMD-06(07), claims for damage to or loss of personal property, FMD will process the claim, but we should consult with LEG for final review and approval of the claim. I believe Ms. [REDACTED] and Ms. [REDACTED] usually send tort claims to FMD, and I thought the SSF 3361 claim should be treated in a similar fashion. Question: can we have your final review/approval on the subject SSF 3361 claim so that we can move forward with the reimbursement/payment process? Please let me know if you have any questions/concerns. I will stand by. Thank you very much for your help!

Good Afternoon (b) (6), (b) (7)(C)

Thank you. We previously we have had employees who updated their banking information. So when we process the payment it went to their old account. Once this happen it becomes a little difficult to retrieve the funds. We have been trying to make it general practice to make sure that ACH information is current. However, if employees information is current I can process what we have in TOPS.

Thank you,

Hello (b) (6), (b) (7)(C)

Hope all is well. Please let me know if the SSF3881 is required. I think SA (b) (6), (b) (7)(C) profile ((b) (6), (b) (7)(C)) is set up correctly in Oracle as his recent travel voucher was paid on 7/9/2021 without any issue. Maybe I am missing something here, so just let me know. Thank you so much for looking into this!

Hi (b) (6), (b) (7)(C)

Good afternoon! Sorry for putting you in the spot. I asked the payments team for assistance on this damage reimbursement in the amount of \$371 to SA (b) (6), (b) (7)(C) (see attached supporting documentation). I haven't received any confirmation of payment completion or questions about this claim from the payments team. LEG already approved the reimbursement, and Ms. (b) (6), (b) (7)(C) also approved the reimbursement of \$371. If you don't mind, would you please ask the payments team for assistance if the payment has not been processed yet? We can probably treat this as a tort claim... Thank you always!

Hello Payments Team,

Can you please help with this. PPD submitted a SSF 3361, Employee Claim for Loss or Damage to Personal Property, for SA (b) (6), (b) (7)(C) who is claiming the damage for his overcoat while he was on official duty at the White House. He has claimed \$371 for the damage, and LEG reviewed and approved the payment. Also, Ms. (b) (6), (b) (7)(C) authorized the payment. Do you think you can help with this payment/reimbursement quickly if it has not been processed already. Please let us know. Thank you very much.

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Hello LEG team,

Good morning! My name is (b) (6), (b) (7)(C) and I am with FMD. I am emailing you because I need some guidance/approval from you. I have received the attached SSF 3361 for the employee claim reimbursement request of the tear in one of the PPD agents' jackets from a dog bite while on official duty. Amount of the claim is \$371.00. Also, DSAIC (b) (6), (b) (7)(C) signed off the SSF 3361 for this claim reimbursement.

According to attached FMD-06(07), claims for damage to or loss of personal property, FMD will process the claim, but we should consult with LEG for final review and approval of the claim. I believe Ms. (b) (6), (b) (7)(C) and Ms. (b) (6), (b) (7)(C) usually send tort claims to FMD, and I thought the SSF 3361 claim should be treated in a similar fashion. Question: can we have your final review/approval on the subject SSF 3361 claim so that we can move forward with the reimbursement/payment process? Please let me know if you have any questions/concerns. I will stand by. Thank you very much for

your help!

Good afternoon Ms. (b) (6), (b) (7)(C)

Please see attached for Mr. (b) (6), (b) (7)(C) SSF 3361, as well as two statements from disinterested parties saying that the coat could not be repaired.

The replacement cost (\$371) is the lowest estimate found after extensive research.

If you need any additional information, I have CCed Mr. (b) (6), (b) (7)(C) and his supervisor.

Thank you,

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Gentlemen,

Apologies for not replying sooner. It's been just over 4 months since the underlying incident re: the damage to my coat occurred. After some deep thought and reflection, I don't believe the USSS should be responsible for the damage to my coat as the cause was not under their control. To be compensated in this manner would essentially have the cost borne by the tax payer and this would be unjust.

As I read in the email chain below, this incident should be treated as a "tort claim". I believe this is accurate and as such, the responsibility for compensation should lie with the party responsible for the wrong doing (i.e. tort), and that of course would be the dog owner/s.

Therefore, I'd like to formally withdrawal my claim for the 3361. I withheld completing the 3881 sent by SAIC Centrella for this reason as well.

Thank You.

Thank you. We previously we have had employees who updated their banking information. So when we process the payment it went to their old account. Once this happen it becomes a little difficult to retrieve the funds. We have been trying to make it general practice to make sure that ACH information is current. However, if employees information is current I can process what we have in TOPS.

Hi [REDACTED]

Good afternoon! Sorry for putting you in the spot. I asked the payments team for assistance on this damage reimbursement in the amount of \$371 to SA [REDACTED] (see attached supporting documentation). I haven't received any confirmation of payment completion or questions about this claim from the payments team. LEG already approved the reimbursement, and Ms. [REDACTED] also approved the reimbursement of \$371. If you don't mind, would you please ask the payments team for assistance if the payment has not been processed yet? We can probably treat this as a tort claim... Thank you always!

Hello Payments Team,

Can you please help with this. PPD submitted a SSF 3361, Employee Claim for Loss or Damage to Personal Property, for SA (b) (6), (b) (7)(C) who is claiming the damage for his overcoat while he was on official duty at the White House. He has claimed \$371 for the damage, and LEG reviewed and approved the payment. Also, Ms. (b) (6), (b) (7)(C) authorized the payment. Do you think you can help with this payment/reimbursement quickly if it has not been processed already. Please let us know. Thank you very much.

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Hello LEG team,

Good morning! My name is (b) (6), (b) (7)(C) and I am with FMD. I am emailing you because I need some guidance/approval from you. I have received the attached SSF 3361 for the employee claim reimbursement request of the tear in one of the PPD agents' jackets from a dog bite while on official duty. Amount of the claim is \$371.00. Also, DSAIC (b) (6), (b) (7)(C) signed off the SSF 3361 for this claim reimbursement.

According to attached FMD-06(07), claims for damage to or loss of personal property, FMD will process the claim, but we should consult with LEG for final review and approval of the claim. I believe Ms. (b) (6), (b) (7)(C) and Ms. (b) (6), (b) (7)(C) usually send tort claims to FMD, and I thought the SSF 3361 claim should be treated in a similar fashion. Question: can we have your final review/approval on the subject SSF 3361 claim so that we can move forward with the reimbursement/payment process? Please let me know if you have any questions/concerns. I will stand by. Thank you very much for your help!

Gentlemen,

Apologies for not replying sooner. It's been just over 4 months since the underlying incident re: the damage to my coat occurred. After some deep thought and reflection, I don't believe the USSS should be responsible for the damage to my coat as the cause was not under their control. To be compensated in this manner would essentially have the cost borne by the tax payer and this would be unjust.

As I read in the email chain below, this incident should be treated as a "tort claim". I believe this is accurate and as such, the responsibility for compensation should lie with the party responsible for the wrong doing (i.e. tort), and that of course would be the dog owner/s.

Therefore, I'd like to formally withdrawal my claim for the 3361. I withheld completing the 3881 sent by SAIC Centrella for this reason as well.

Thank You.

Hello (b) (6), (b) (7)(C)

Hope all is well. Please let me know if the SSF3881 is required. I think SA (b) (6), (b) (7)(C) profile (b) (6), (b) (7)(C) is set up correctly in Oracle as his recent travel voucher was paid on 7/9/2021 without any issue. Maybe I am missing something here, so just let me know. Thank you so much for looking into this!

Hi (b) (6), (b) (7)(C)

Good afternoon! Sorry for putting you in the spot. I asked the payments team for assistance on this damage reimbursement in the amount of \$371 to SA (b) (6), (b) (7)(C) (see attached supporting documentation). I haven't received any confirmation of payment completion or questions about this claim from the payments team. LEG already approved the reimbursement, and Ms. (b) (6), (b) (7)(C) also approved the reimbursement of \$371. If you don't mind, would you please ask the payments team for assistance if the payment has not been processed yet? We can probably treat this as a tort claim... Thank you always!

Hello Payments Team,

Can you please help with this. PPD submitted a SSF 3361, Employee Claim for Loss or Damage to Personal Property, for SA (b) (6), (b) (7)(C) who is claiming the damage for his overcoat while he was on official duty at the White House. He has claimed \$371 for the damage, and LEG reviewed and approved the payment. Also, Ms. (b) (6), (b) (7)(C) authorized the payment. Do you think you can help with this payment/reimbursement quickly if it has not been processed already. Please let us know. Thank you very much.

Subject: RE: PPD Employee Claim for Loss or Damage to Personal Property

Hello LEG team,

Good morning! My name is (b) (6), (b) (7)(C) and I am with FMD. I am emailing you because I need some guidance/approval from you. I have received the attached SSF 3361 for the employee claim reimbursement request of the tear in one of the PPD agents' jackets from a dog bite while on official duty. Amount of the claim is \$371.00. Also, DSAIC (b) (6), (b) (7)(C) signed off the SSF 3361 for this claim reimbursement.

According to attached FMD-06(07), claims for damage to or loss of personal property, FMD will process the claim, but we should consult with LEG for final review and approval of the claim. I believe Ms. (b) (6), (b) (7)(C) and Ms. (b) (6), (b) (7)(C) usually send tort claims to FMD, and I thought the SSF 3361 claim should be treated in a similar fashion. Question: can we have your final review/approval on the subject SSF 3361 claim so that we can move forward with the reimbursement/payment process?

Please let me know if you have any questions/concerns. I will stand by. Thank you very much for your help!

Dave,

Sorry for leaving you and the team hanging today. Some (b) (6), (b) (7)(C) came up I had to jump on.

Attached is the draft memo for Intake. I followed the timeline format you requested. I referenced you completed an official memorandum. Not sure if you had or not. It's highlighted if you need to add a date or delete all together.

The Work Schedule section needs all the work. I believe providing background on the administrative processes is very important. From there, I defer to you if want continue with a timeline or narrative.

Please let me know if you want me to edit the sections I have already completed or if you need anything else. I hope this meets commander's intent.

Thanks.
