Good Afternoon,

His new reservation number is (b) (6) check-in was today 3 August and check-out is on 10 September in a DV suite at \$158/night with a \$10/night pet fee. He was under reservation number (b) (6) from 8 July to 31 July for \$161/night with the pet fee starting on 10 July. You can continue to call to make the payments every 10 days beginning today.

(b) (6), please let me know if you have luck with coordinating a more permanent solution for the guest with Base Housing and if not we will look into other options depending on how much longer they will require lodging. Thank you!
