Re: Allegheny County, Pennsylvania-Your Notice Letter of December 11, 2019

Dear Bob,

I am glad we had the chance to speak earlier this week. The removals we discussed have occurred. Please note the following information:

1. Total voter registration for Allegheny County as of 1/24/2020-960,248;
2. Total voter registration for Allegheny County as of 1/31/2020-891,550;
3. Total cancellations-68,698;
4. Total inactive registrations remaining-80,091;
5. Required five-year notices mailed in January, 2020-7,900.

Based on our discussion from a few days ago, would you not agree that the concerns raised in your letter have been addressed? Further, I indicated that all appropriate inactive removals will take place after the November 2020 Presidential Election, most likely during December 2020.

With this information furnished, could you confirm that your organization shall take no legal action at this time and, as we discussed, let us speak next week and determine how best to confirm what Allegheny County has done and will do at year's end.

Sincerely,

Allan J. Opsitnick
Assistant County Solicitor
