Subject: Commander

All,

FYSA: This evening (b) (7)(E) took Commander outside for his usual dog walk through the Rose Garden. As Commander moved through the Palm Room doors, he inflicted a “friendly soft bite” on SA (b) (6), (b) (7)(C)’s forearm as (b) (6), (b) (7)(C) held the door open. Afterwards, SA (b) (6), (b) (7)(C) told SA (b) (6), (b) (7)(C) (Whip) that no skin was broken from the bite and (b) (6), (b) (7)(C) business suit was not ripped in any way. (b) (6), (b) (7)(C) was fine. SA (b) (6), (b) (7)(C) advised SA (b) (6), (b) (7)(C) to have the WH Doc look at it, which (b) (6), (b) (7)(C) did. The Doc (b) (6), (b) (7)(C) (b) (6), (b) (7)(C).

The event seemed to be minor enough that (b) (7)(E) didn’t notice that Commander had even made contact with SA (b) (6), (b) (7)(C). As (b) (7)(E) walked to the ground floor elevator, he voiced (b) (6), (b) (7)(C) (b) (6), (b) (7)(C).

In light of past incidents, I just wanted to keep you all in the loop. Thanks again to Whip (b) (6), (b) (7)(C) for properly handling the situation.
