Good evening,

I was sitting at (b) (6), (b) (7)(C) when I heard the dog bark with a loud aggressive sound. I looked up and saw him at the landing of the ushers staircase. I made eye contact with him and grabbed the black chair I was sitting on and held it in front of me while backing up.

The White House Usher (b) (6), (b) (7)(C) stepped out of her office and climbed the staircase to him with a leash in her hand that he was not attached to. She escorted him up to the residence level with no leash attached to him. The Usher then discussed with the agent at (b) (6), (b) (7)(C) whom he walked past in order to get to my post about "keeping the door cracked to prevent him from getting out."

The Usher came down to speak with myself and Officer (b) (6), (b) (7)(C) who was at (b) (6), (b) (7)(C) about the conversation she had with the agent at (b) (6), (b) (7)(C)

Officer (b) (6), (b) (7)(C) pushed post and the Usher checked off for the night.
