I don't know if this was something that was passed onto you and reiterated at the beginning of the shift, or if it was first mentioned to Sgt. (b) (6), (b) (7)(C). I asked for the below email to do a little documentation (b) (6), (b) (7)(C) a (b) (7)(E) officer but (b) (6), (b) (7)(C) on day off tomorrow.

We can also chat when I get in.

Undersigned officer reports incident occurred on 12/23/2022 around 2030 hours at post (b) (7)(E). While first family was coming back from tennis pavilion, (b) (6), (b) (7)(C) (b) (6), (b) (7)(C), (b) (7)(E) having her hands being full and no one else around I did try to open the closed door to the deep room for her; at that moment first family dog passed everyone towards the deep

room door. Having doors not being fully open yet he bit me in my left forearm. One of the SAs and (b) (6), (b) (7)(C) witnessed that incident. Fortunately I was wearing multiple layers of clothing so it didn't leave any marks.
