Thank you (b)(6) for a great kickoff meeting.

Following up on your action items, we will be scheduling a meeting with our primary analysis partners next week and get moving on student recruitment and operational systems on our end. Very much looking forward to this.

Warmly,

Good Afternoon All,

Thank you very much for taking the time to meet this morning. Overall, I think we got good buy-in from both SIO and CISA on the proposal and its potential to improve the impact of both organizations this upcoming November. I have attached notes which (b)(6) graciously took during the meeting, as well as some action items below.
