2/11/2025	USAID-00001-00002	2	WIP	Grant: 720BHA24GR00005	(b)(4), (b)(6)	(b)(4) Program design elements, technical approaches, detailed implementation plans, and related financial information is business confidential information. If released, the availability of this information to the public will cause substantial harm to awardee's competitive position in the private voluntary organization community. The availability of this information to other organizations would significantly impair awardee's ability to compete in a balanced and fair manner for numerous future grant opportunities. (b)(6) - Parties to the conflict in Gaza have specifically targeted and killed aid workers, targeted relief agency operations and targeted and destroyed health facilities and other civilians targets. Due to highly challenging and unpredictable operating environments for humanitarian organizations, this exemption is required to protect the employees and beneficiaries of the NGOs working in Gaza from harassment and violence. Disclosure of the name of the NGO would allow third-parties to determine the identities of the employees and beneficiaries. (b)(6) Personal information to include names, job titles and emails due to safety & security concerns	PII; private and business confidential awardee information
