Synopsis:

At approximately 0200hrs on 09/21/22, Agents of (b)(7)(E) Station in conjunction with (b)(7)(E) were notified that (b)(7)(E) identified a DJI M300 drone originating in the United States had entered Canada. The drone landed and spent approximately 10 minutes in Canada. The drone returned to the United States to (b)(6)(b)(7)(C), (b)(7)(E) NY where agents were waiting and observed the drone and an attached package, land in the back yard. Agents entered the property and encountered the drone pilot and an unknown number of additional subjects. At that time, all subjects fled the yard and entered the house. Agents in hot pursuit, entered the house and took the pilot into custody. An unknown number of subjects absconded from the house into the surrounding neighborhood and 2 additional subjects were later taken into custody. All subjects were identified as Chinese nationals, claiming U.S. citizenship. The house was cleared for potential people and no evidence was seized at that time. At this time, the house is secured pending a search warrant from federal district court to enter the residence and seize evidence. At this time, there is a potential to seize a house, 2 vehicles, the package of suspected narcotics, several drones and associated hardware and an unknown quantity of cash. The suspected narcotics were field tested using the (b)(7)(E) and tested positive for the properties of methylenedioxy-methamphetamine (MDMA) with a weight of 3123 grams. (b)(7)(E) and (b)(7)(E) have been notified and (b)(7)(E). This case is likely to gain media attention in the immediate area. This case is ongoing, and this SIR will be updated as the situation develops.
