Subject: Nashville Covenant School Shooting
(Investigation on or around March 27, 2023)

Dear Mr. Marshall:

The FBI has completed an interim review of records subject to the Freedom of Information/Privacy Acts (FOIPA) that are responsive to your request. The enclosed documents were reviewed under the FOIPA, Title 5, United States Code, Section 552/552a. Below you will find checked boxes under applicable statutes for the exemptions asserted to protect information exempt from disclosure. The appropriate exemptions are noted on the processed pages next to redacted information. In addition, a deleted page information sheet was inserted to indicate where pages were withheld entirely pursuant to applicable exemptions. An Explanation of Exemptions is enclosed to further explain justification for withheld information.

Please see the paragraphs below for relevant information specific to your request and the enclosed FBI FOIPA Addendum for standard responses applicable to all requests.

Based on the information you provided, we conducted a main entity record search of the Central Records System (CRS) per our standard search policy. For more information about records searches and the standard search policy, see the enclosed FBI FOIPA Addendum General Information Section.

The attached records were originally withheld in full pursuant to FOIA Exemption (b)(7)(A) (5 U.S.C. § 552(b)(7)(A)) because the records were subject to pending law enforcement proceedings and release was reasonably expected to interfere with those proceedings. Those law enforcement proceedings have concluded and the FBI has processed the records to release non-exempt information.

Please refer to the enclosed FBI FOIPA Addendum for additional standard responses applicable to your request. **"Part 1"** of the Addendum includes standard responses that apply to all requests. **"Part 2"** includes additional standard responses that apply to all requests for records about yourself or any third-party individuals. **"Part 3"** includes general information about FBI records that you may find useful. Also enclosed is our Explanation of Exemptions.

Although your request is in litigation, we are required by law to provide you the following information:

If you are not satisfied with the FBI's determination in response to this request, you may proceed under any or all of the following options:

- You may seek dispute resolution services through the FBI directly by emailing our FOIA Public Liaison at foipaquestions@fbi.gov. The subject heading should clearly state "Dispute Resolution Services." Please also cite the FOIPA Request Number assigned to your request so it may be easily identified.
- You may contact the Office of Government Information Services (OGIS), who serves as the federal FOIA Ombudsman. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.
- You may file an administrative appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP's FOIA STAR portal by creating an account following the instructions on OIP's website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. **Pursuant to 28 C.F.R. § 16.8(a), your appeal must be postmarked or electronically transmitted within ninety (90) days of the date of this response to your request.** If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please reference the FOIPA Request Number listed above in your correspondence so it may be easily identified. If possible, please provide a copy of your original request and this response letter with your appeal.

Note: Utilizing the FBI's dispute resolution services or requesting mediation through OGIS does not toll the ninety (90) day limit to file a timely appeal with OIP.

Please direct any further inquiries about this case to the attorney representing the Government in this matter. Please use the FOIPA Request Number and/or Civil Action Number in all correspondence or inquiries concerning your request.

Sincerely,

Michael G. Seidel

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **Intelligence Records.** To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.
- (iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C. §§ 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C. § 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.
 - a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
 - b. *Reference Entity Records*- created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.
- (iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

LONGING

The vibrant show was one of the best I've ever
seen. Because you were there, & I got to see
you at your best. To see you happy. It feels good
to ~~see you~~ see you be loved, feel love, and give
love into the entire atmosphere. There were
several loud, vibrant spirits in the air, but yours
~~made~~ made my heart scream out because
your love is the LOUDEST in my heart. I ache
for your face. Sounds lame but it's true. I am
better off watching you from a distance ^{where} ^{where}
your love fills the air as the smoke ^{fills the air} ^{on}
high and low at the same time. ^{wherever you are} ^{Feel so every} ^{soul} It's hard to explain.
My heart beats loud, because of how loud your love
is - ^{the only} loudness that attracts me. Loud as in vibrant,
full of light, sparkling out through your beautiful
smile. Seeing you dance, love on your friends,
even a stranger. I saw the child I used to know
again. The child that knew how to smile, ~~to~~ be funny,
to pour out your soul into what you love, who you love
the most; ~~and~~ it can be overwhelming sometimes.
I just can't help it when my heart flutters while you
were on the dance floor. It's just how I remember you
when you were a child. Your youth is still alive, and
that's what I can't escape from. ~~To whom~~ To whom
over you love, it's the sweetest child I know that
stays young, bearing much fruit: reach out your hand to
clasp another, ~~your~~ ^{like your heart} strong but soft at the touch ^{as you} arms
when in them. I was twice 4 seconds in total. Painfully short
~~Now~~ I wished it could last forever. ^{After} ^{After}
if not, I'll get... maybe in another life...

Love cannot be
 real if my Autism is,
 Love cannot exist
 or fails to in this realm.
 Too bad I was loved
 by your heart to short
 in time. I felt like a
 dream...

I'm OK
 with being
 gone
 forever

If there is no love,
 there is no life.

And no life is feeling
 dead, ^{It's} only natural
 wanting to die.

In time, we will be
 together again... in a better place ♡
 When our time is up in this world

I LOVE YOU

there is a much better place than being
 in these bodies forced 2 live in
 (even if you like showing yours, taken the wrong body)...
 so, ... I can't wait to get there...

I know Sydney is waiting for me. My time is
 coming soon to leave this realm behind -
 all my pain. And all that I have,
 except you

The world won't
 have ~~me~~ ^{me} care in
 my departure.

You always find your
 way to be happy despite
~~all~~ darkness or pain.
 You deserve to be happy, and
 have the heart to repel darkness.
 I can't be happy
 I am meant to die

You'll be just fine
 without me gone
 forever
 Aden

The most beautiful girl

All I see is you...
My thoughts
My heart is yours...
everything of me
will be gone
only if you remember me

LOVE always *Andes*

I yearn
for you...

I NEED YOU

In all your
darkest
moments,
in all your
tears,
pain, and
all
that war
against
you,

I wish

I

I was

THERE

4
you

Love will find me
Once my body loses me...

(I will be whole again)

We will be in a perfect world, and our hearts
will truly be together again.
our hearts will find each other,
no longer in pain...

No more wounds to heal,
because we will become whole

Your body glows soft as an angel
down here. You look perfect.

I imagine you in Heaven...

I can't even imagine that
Your glow down here ~~will~~ drifts my heart
all your beauty will make
all the Earth smile
Every growing nature will fill their lungs
breath anew - in full LIFE
So happy they know, your spirit is Life & Love

Your body talks to me,
and my mind tells me,
I should die

I'm better off unknown

So lost in your
spirit,

I don't expect you
to find me

soon I'll be in
a better place

@Pices Woman

All the ~~nature~~ ^{and} nature
that grows and prosper
all the waters
pure and sacred

 [Being me sucks...]

It shouldn't be a problem getting up at 7 every morning. But unfortunately, for me, it is. I've missed several morning orders this week. I missed 3 today. God, whyyy??! I hate myself for not making myself get up. It's more going to someone else who actually works consistently + gets more consistent pay. Not me. The morrow of life is hollow. I swallow bones instead cause I'd rather die hard than try to live better life while suffering to do so. I ~~repeat~~ repeat my same patterns - can't sleep routinely, or eat, or stick to be more strict on myself. Do I really not give a fuck? I hate waking up that I'm still here but no one gives a fuck if I am. No one, I mean, no one will think my life meant something after I die. No one by no friends but who are around my age or 3 yrs older. None of this shit will matter to them once I'm dead. If I don't care myself to live, then no way they will even notice when I'm gone. If I meant nothing to them alive, it won't after death. (Sure as fuck)

So now in America, it makes one a criminal to have a gun or, be transgender, or non-binary

God, I hate those shithead politicians. Anyone who puts funding into government or presidency campaigns are totally brainwashed. ^{if they only knew how evil it's been,} It's not everyone in the white house making criminalizing laws; it's someone scheming. And whoever he/she/they may be, they are not American, & have no care in the world about what "Land of the Free" means. Whatever fucker is taking away human rights is not of a human at all; just a robot.

Soon this goddamned country will turn out no fun like England or ~~Europe~~ Europe. No guns, no gender rights, no freedom of speech or pursuing of radical ideas, no mischief. You can't even carry a knife in England. Fucking pussies.

And just forget about the Disability Liability Act, good luck finding or keeping a job w/o that, cause no one w/ a disabled have rights, ~~and~~ civil races have rights, LGBTQ have rights, gun owners have rights. Landowners own property, people have guns. Disabled people ^{the disabled have the right to medical treatment} have trouble adapting to society. It's just you talking air heads don't recognize or ignore it. Our rights are there for a reason: so called America's name.

Male brain → my autism?

2/21/23

I was actually identified as a male today and it felt right but in contrast of my female body, I SHOULD NOT BE IN THIS BODY!!!

The guy who runs the comic shop is cool and he ~~extra~~ has friendly customer service skills. He really knows his stuff and treats all the guys fairly. I like being called bud, bro, and man. It just ~~feels~~ directed ~~very~~ 100% accurate to ~~who~~ who I am as a guy inside. If only all other men + boys could see me that way, that my body doesn't make me a female 100%. More like 5 to none. Sometimes people do identify me right away as a he since I am smaller and look younger than others my age, it helps, but ~~when~~ when I'm called a lady or ma'am - damn it it makes me ~~not~~ not want to exist. The body in me exists only to me. I'm just damn tired of being called + identified by a gender I am not. AT ALL. At least I don't have big boobs or a butt, but yet I hate having boobs at all. They might have grown just a bit + ~~it~~ I want to die.

I looked behind this bastard & it was so disgusting I lost my appetite. I felt sick looking at it. That ugly flannel that looks ugly on it and its hair was the nastiest, ugliest hobo head I've ever seen on it.

This faggot is so goddamned ugly, and I'll be damned I had to look at this miserable fuck for 10 years. Disgusted with that like disgusted being in a female body.

~~It~~ Makes me think about dying...

What is pure ugly, and then seen what is pure beauty. She is the most beautiful girl that I ever laid eyes on. No other woman has touched my heart more than her. The times I have seen her in person, how I feel like dying b/c I ~~can~~ die to be apart of that kind of love. Love amongst the rarest through my hearts desire. But my heart knows that I can't be with her or have any close connection. At least she would be able to talk to me a couple seconds, look in her eyes, look in mine and her hands that are gentle at the touch - that's sweet. It makes me shrivel ^{it shakes} in this cocoon ^{much desire to rest & be released} ~~and I want to rest~~, so I can be a butterfly transformed in another definition. For all this time of shaking inside to her, All my inner butterflies of her will fly away w/me. Sam, A love ~~the~~ never known... *Amber*

The cocoon of my old self will die when I leave my body behind and the boy in me will be free, in ~~the~~ butterfly transformation, the real me

If God can't give me a boy body in heaven, then Jesus is a faggot.

3/2/23

(Feb.)

The 27th was a beautiful night, just like my brown girl. She looked so beautiful that night, I could not take my eyes off her. Call it lust or pervertedness, I know who I am attracted to, and I can't unchange that. It's like my soul is spell bound to her spirit or something. It ~~was to be~~ her personality; personable + the ways she connects w/ people makes her so likeable. It's why she has a whole team of supporters, and why she's loved the way she is. I just wish I was more a part of it. So many aspects I love about her - physical + spiritual the two mingle perfectly together in harmony. Yes, she's just as beautiful with her heart than her body. But for the life of me I cannot help but gaze into her beauty; her arms, her back, her hips, her lips. Every part of her I desire to latch onto. So when her hand layed onto me after the show, it's ~~like~~ being touched by an angel.

But my problem is living in hell, my mind + my body is a prison. Anything that triggers it, only makes ~~it~~ worse. She made history that night even if she was nervous and her ~~back~~ back felt clammy. Only natural to sweat with having a first live show, and she's still beautiful. She knows who she is, and all the rest of the world in time will too. She's famous to me; a star to many. Little does she know how we will soon share the same fate. She will live a legend and I will die a shooter - hopefully to become famous. No one will forget neither of us. She will be the blessing, and I will be the horror to inflict pain.

~~XX~~ Adrian

Dear [redacted]

aren't parents manipulative? the total ignorance when parents step in & try to change their child's environment. Make them go to youth group & force christian friends in their life because the old ones were a "bad" influence. I can't fucking stand that shit. Parents actually believe religion can change nature. That could explain why I don't practice religion anymore. Let kids think for themselves, listening to parents does no damned good but to mold their premature minds into a pre-formatted program: like clones do ^{the very} manipulative forms teens hate. And kids are not robots, rebel to?

we are the future! That's how it's meant to be. 2 idea, one mind; that's all Nature needs

My Imaginary Penis

3/11/23

My penis exists in my head. I swear to god I'm a male. I think about sexual fantasies, about how if my dick was real I'd fuck the girl I love in the ass. I want to know what that's like, but I never will because I was damned to be born this way. I swear to fuck I hate it so goddamned ^{so much} ~~much~~. It's a fucking curse. Having a brain like mine has its godliness but also prone to making poor ass decisions. Like putting my Aiden name while filling out paperwork for instacart, & how my BG check didn't clear & I'm possibly not going to get the job. Fuck me, man [redacted] just says I'm young and young people make mistakes. But with me, it's ^{And the biggest shit} ~~that~~ painfully more than that. The torture of ~~me~~ being raised a girl, and actually believed I just had to deal with it, and tried to be feminine. with being But that didn't last long after high school ended & no longer autistic had to fear of being called a dyke or a faggot. I was and only until my early 20s I finally found the answer - that changing one's gender is possible. But oh fucking no, not with ^{And who I really was & finally embraced who I am} [redacted] time what she believes, how she grew up conservatively, and that all LGBTQ - especially transgender ^{in her era} was an enigma, nearly non-existent. the time, ^{in childhood} I might have told her once I was ^{that's how sad I made me} I was a boy when she made me put my shirt back on as a kid. But would say "you're a girl," and that's how you were born. Some kind of bullshit like that. people It made me mad. Because being a boy as a kid was when I was ~~felt~~ most like myself. A bare, flat chest made me free. Girl puberty imprisoned me. And so does my mind. Puberty ^{Life sentence} The people in this world adds more bullets to shoot violent thoughts into my head on auto. I hate parental views; now ^{full} [redacted] sees me as a daughter - and she'd not bear to want to lose that daughter because a son would be the death of Audrey.

② My Imaginary Penis

Pain of losing a daughter? That's not pain, that's selfishness. Just like any rest of the parents with that mind set. They are all full of shit. How could they ^{not} ever think of their own child suffering, and that they hate their gender so bad they cut & want to kill themselves? Fuck ~~my~~ parents like them who think of themselves first, and their preference of ~~conservative~~ conservative religion-gay shit makes them believe that the child they are given should stay that way ^{in how}. Even if transgender treatment ~~was~~ was discovered ^{now} and tested during my time, I know how the situation would ^{prefer} have turned out. [redacted] would not have paid a cent. Children who were able to successfully take puberty blockers ^{to be} and never enter a tormented puberty, (those little faggots don't know) how good they fucking have it. I'd kill to have parents who would let their child be happy no matter how different it is to ^{out} their viewpoints or don't agree, or scared of it. They are willing to ^{at least} listen to their children, not the other way around. I'd kill to have had those resources ⁱⁿ; 2007 was the birth of puberty blockers and a newfound ~~discovery~~ discovery for treatment of non-conforming transgender children. 2007 was when I was when I was in the 6th grade, puberty already hit me. The only reason I could conclude why it didn't bother me too much is that my boobs were small. I thought they'd stay that way forever. My artistic brain... change in body fucked ~~me~~ me over now, even if my boobs are still small for the most part. I started ^{my} setting new underwear for my big bears (my two tabbies, my lion & fox) And there I was ^{when I got home} thinking of pen and doing surgery on my boy stuffed animal ^{giving them penises b/c their middle} looking like a vagina. No boy should ever have that. If I can't change ^{my} appearance, I can pretend how it would be by my imagination of child's play through my stuffed animal's spirit through me.

3/11/27  Toy sex (My Imaginary Penis.)  I can pretend to be them & do the things boys do experience ^{w/ their} dicks. My boy self as Tony - my stuffed boy doll is like the ~~big~~ ^{since child hood} boy I am in another form. I constructed for him a penis, then got out my girl doll named Ashley (who is Tony's life-long boyfriend) Ashley was represented as my dream girl ^{as a child, I liked blonde white hot girls like her} I wished to have ^{to have} in real life, and Tony is me having those intimate ^{w/ Tony} relationships w/ a beautiful girl. Tony is a boy, inside and out. Ashley is a girl inside and out. Two straight lovers who are in full nature of themselves by awareness. I let Tony fuck Ashley in the ass ^{hard-humping} and stuffed Tony's big penis in aggressively into her ass hole. It took several attempts for Tony to put his dick into her vagina because he has a big dick (and was even bigger since he had an erection) finally went in and Ashley cried and moaned for a good ten minutes. Tony humped slow and ^{gentle} from vaginal sex, in but sex, he humped speedily and hard, Tony grunting w/ all his strength. Then after I fucked Ashley for a good ten minutes ^{remember} (Tony is me). Then I let her suck his dick and touch his erected penis. After that they wrapped each other in their arms & legs as a sloth ^{After love they made} hugging a tree. They ~~then sat~~ gracefully sat side by side naked holding hands ^{and}, surrounded by the scattering of their clothes. I took pictures of their sex positions. My penis ^{was in my groin} was hard for hours. Rock hard as a Flintstone, hours making ~~my~~ cloth penises for my boy bears, only to realize I missed the gym cause they closed at 7. I was mad already cause I had no work that afternoon. Walked around the mall browsing ^{pop} t-shirts at Spencers and got some boots for Tommy, my stuffed lion. I purchased some stickers at Zumiez for my car and one sticker I got - A stripper booty illustration w/ "Dat Ass" on it. God, I am such a pervert. I waste too much time in my fantasies...

That #10 backpack that looked straight at me, your picture hung up on the wall - you looking straight at me. How was I playing Syd? Am I better than I was? I feel stronger, my shot is more confident. I think of you shooting the ball as you did and pretending I'm in your shoes. I did feel that I was, they were my shoes, but spirit & ally (since #2 + your name is imprinted on the back of the soul) - its our shoes.

So no wonder I felt you move in me - made me feel strong and my passion for ball. Your spirit ever so close to me when I am surrounded by people, places, and ~~things~~ ^{objects} that were in relation to you. Its weird feeling knowing I never thought about things like this until you passed away. Ever since, my thoughts about death have altered significantly. I think about death every day & fascinated / curious with the idea of dying too much. I know its unhealthy, but I just don't care if this anymore. All this unknown about work. [redacted] living life best he can. I'm living while I can until its ~~too~~ time. That time is soon, and it needs to be. I've been crying about you all week so far. Anything I do what I love to do, it brings me back to you. McCabe community center I've visited since last Saturday and my heart keeps pulling & tugging my mind to go back tomorrow and the next day and so on. I hoped for an hour, worked out in the weight room for an hour & 20 min, then back to the gym to watch a basketball camp [redacted] was coaching. He seems like such a natural teaching about ball just like you were. Patient, kind, but honest only to push his players mentally. Basketball is a more mental game rather than physical. "Basketball is a lot like life" was what stood out to me as [redacted] spoke when camp was over. Mixed feelings. Not just about the boys playing, but the boys dunking and wishing I was a boy to do that. I watch the boys connecting & having fun w/ their friends, (reminds me being w/ you playing ball in middle school). One little boy was crying b/c 2 other boys were mean to him.

I watched the pain in his face, the tears in his eyes, the way he crumbled into a ball & dug his face in. Damn it reminds me just the kid I was doing just that. And there [redacted] was so kind & good to me that I forgot what I was sad about. A black former ball girl spoke in a voice that sounded a little like yours. Another black girl who had been at the center had the eyes & lips, braces similar to [redacted] physical features, & even showed the personality similar to [redacted] And the ~~black~~ backpack 1 boy had w/ #10 on it.

Been excited for the past 2 weeks.

There were several times I could have been

None of that matters now. I'm almost an
hour or 7 minutes away.

Can't believe I'm doing this,
but I'm ready...

I hope my victims aren't.

My only fear is if anything goes wrong.
I'll do my best to prevent any of the sort.
(God let my wrath take over my anxiety)
It might be 10 minutes or so. It might be

I hope I have a high death count.

Aiden

Shooting outside is fun. On Yeah, I love shooting my shotgun. I've been practicing for the 4th time yesterday (2/25/23) and learning about the velocity range of the bullet. When I have my pistol grip at above weight (tucked under my armpit), the shells rise up -- →, when I am pointed down they ~~fall~~ range up then down -- ↘. I'm learning about my pellet mole clusters in the tree trunks and that they all are around the same area. So I'm not shooting all over the place, but learning how to shoot just straight ahead.

For Accuracy:
p.s. learning how point, & hold a pistol grip
56 is a pain in the dick (for beginners)

my shot range t + takes years of practice to shoot where you want with a pistol grip. With a stock, however, easy. I was able to hit the targets right where I wanted shell to go.

2/26/23

Went shooting practice again. Found some ~~lost~~ glass bottles, cans, and a styrophone cup ^(a long w/ a handle found) ~~as target~~ over on River Road Pike. Drove ~~to~~ then to 155 Briley Pkwy south near Nashville Gun Club range. As I backed into the shrubs, I got my front tire stuck in mud... I was able to drive out of it, but my car got filthy from the pursuit. Anyway... setup my soda can, s-cup, & bottle and shot from about 5-6 yards. I could shoot where I want, but the bullet shell / pellet PBs ~~you~~ would just barely breeze ~~or~~ slightly above them. After 25 attempts (thus 25 shells after) I was unsuccessful to hit any of my ~~ideas~~ targets. I did use 7 1/2 shot, which doesn't hurt but only w/ small game. ~~tot~~ Yesterday the pellets fucked up my paper targets, so shooting at cans & bottles was more fun. I kept shooting at the dirt... oh well. Fuck, why am I such a bad shot w/ slugger? ~~Oh~~ Its only solution is to practice more. I might get 'em next time! Aiden
