Here we go. She PDF's the whole agreement, but presumably you can separate out my page.

I will be signing it. Should I have my secretary just make a separate page for MI and we can send it to you as a PDF?

Hi Heather,

I'm checking in about getting a signature on the common interest agreement. Once we receive a signed copy, we can set up a call with the other states.

Thanks,

Jonathan

Hi Heather,

Following up on our earlier conversations regarding the USPS, in collaboration with our clients in Nevada, we've put together a draft Common Interest Agreement for your consideration. Once we've got everyone on board, we can schedule a multi-state call to discuss further. Please let us know if you have any questions or concerns.

Best,

Jonathan
