Subject: Washington Post Inquiry

Good afternoon all,

The Washington Post called and plans to report that DOJ has issued subpoenas to NARA for the documents, and that the FBI has begun reaching out to and/or interviewing individuals "in Trump's orbit" related to the investigation.

The reporter was looking for confirmation on those two items; I provided no comment. The inquiry is based upon this NYT article from today: <https://www.nytimes.com/2022/05/12/us/politics/justice-department-trump-classified.html>. The NYT did not reach out to FBI.

Thanks,
