Maybe that would be good. My guys are well trained in keeping quiet.

I think 63G-2-305(11) is on it with your media folks.

63G-2-305(11) Can you find more fencing for the top of the kiva.

We'd like it with smaller gaps. Thank you.

Add on to the temp fencing at the top?

Yes please

Okay, we're on it!

Thank you.

Sounds like UU has some we can use. If so we'll bring it down ASAP
