**Re: Freedom of Information Act Request 2026-USSSLit-00004
26-cv-01447**

Dear James Peterson:

This is the final response to the Complaint in Case No. 26-cv-01447; which was filed on April 28, 2026, in response to the initial processing of the Freedom of Information Act (FOIA) request, submitted by William Marshall on behalf of Judicial Watch to the United States Secret Service (Secret Service) dated and received on November 18, 2025 seeking a copy of the following:

- 1) All records related to the internal investigation of the August 31, 2025 incident at the Trump National Golf Club in Sterling, Virginia, in which a club member was able to get a semi-automatic hand gun into the club premises while the President was present without initial detection, including but not limited to investigative reports, agents' notes, witness interview, audio-video recordings and other records.
- 2) All emails and text messages sent between members of the Presidential protective detail regarding the August 31, 2025 incident at the golf club. The time frame for the requested records is August 31, 2025 to the present

After a detailed review of all potentially responsive records, fourteen (14) pages are now being released. Throughout this production, the Secret Service considered the "Foreseeable Harm" standard, outlined in Title 5 U.S.C § 552(a)(8)(A)(i) and Department of Justice guidance, exemptions under FOIA Statute Title 5 U.S.C. § 552, and/or the PA Statute Title 5 U.S.C. § 552a. Redactions and withholdings have been applied where deemed appropriate.

Enclosed are the documents responsive to your request, as well as a document that explains the exemptions in more detail. Withheld information is pursuant to 5 U.S.C. § 552 (B)(6), (B)(7)(C), (B)(7)(E).

As this matter is in litigation, please contact Assistant United States Attorney Catherine J. Malycke at Catherine.Malycke@usdoj.gov should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Kevin L. Tyrrell".

USSS - Standard Sensitive Info

Good afternoon,

At approximately 1553 hours, a member of Trump National Golf Course (TNGC), [REDACTED] [REDACTED] Kennelly, approached a [REDACTED] -stander and advised that he had inadvertently brought a pistol through a screening location and the pistol was not detected.

[REDACTED] B6 advised that, at approximately 1200 hours, he arrived at TNGC to eat lunch and go to the pool. Upon arrival at TNGC, [REDACTED] B6 entered the clubhouse through the [REDACTED] entrance and was screened at that location. [REDACTED] B6 advised that he was searched via a [REDACTED] [REDACTED] metal detector and that his bag was searched visually. [REDACTED] B6 then went on to eat lunch on the patio and then go to the pool. Upon changing his clothes after using the pool, [REDACTED] B6 realized that he had inadvertently left his Glock 43 pistol in his gym bag and that the bag was searched without the pistol being found. It was at this time that the member approached a [REDACTED] -stander at the employee entrance and advised of the situation because he "cares about POTUS". WFO PI was notified and SAs [REDACTED] [REDACTED], [REDACTED] [REDACTED], and [REDACTED] [REDACTED] responded.

WFO PI interviewed [REDACTED] B6 and viewed his pistol in his bag. TNGC camera footage was reviewed, [REDACTED] B6 was seen on camera entering the club and having his bag searched as he described. [REDACTED] B6 was also seen on camera on the patio eating lunch, going to the pro-shop, the men's locker room, moving through the pool house, and at the pool. [REDACTED] B6 is seen on camera with his bag at each location.

WFO PI's investigation is ongoing.

Thank you,
