Please refer to the enclosed FBI FOIPA Addendum for additional standard responses applicable to your request. **"Part 1"** of the Addendum includes standard responses that apply to all requests. **"Part 2"** includes additional standard responses that apply to all requests for records about yourself or any third-party individuals. **"Part 3"** includes general information about FBI records that you may find useful. Although your request is in litigation, we are required by law to provide you the following information:

If you are not satisfied with the FBI's determination in response to this request, you may proceed under any or all of the following options:

- You may seek support through the FBI's dispute resolution services through our FOIA Public Liaison by emailing fbi.foia@fbi.gov. The subject heading should clearly state "Dispute Resolution Services." Please also include the FOIPA Request Number assigned to your request.

- You may seek additional support by sending mail to the Office of Government Information Services, (OGIS) National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001; by sending an e-mail to ogis@nara.gov; by telephone at 202-741-5770 or toll free at 1-877-684-6448. Congress created OGIS to complement existing FOIPA practice and procedure. OGIS provides mediation services to resolve disputes between FOIPA requesters and federal agencies.

- You may file an administrative appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP's FOIA STAR portal by creating an account following the instructions on OIP's website: https://www.justice.gov/oip/submit-and-track-request-or-appeal. **Pursuant to 28 C.F.R. § 16.8(a), your appeal must be postmarked or electronically transmitted within ninety (90) days of the date of this response to your request.** If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please reference the FOIPA Request Number listed above in your correspondence so it may be easily identified. If possible, please provide a copy of your original request and this response letter with your appeal.

Note: Utilizing the FBI's dispute resolution services or requesting mediation through OGIS does not toll the ninety (90) day limit to file a timely appeal with OIP.

Please direct any further inquiries about this case to the attorney representing the Government in this matter. Please use the FOIPA Request Number and/or Civil Action Number in all correspondence or inquiries concerning your request.

Sincerely,

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

(i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.

(ii) **Intelligence Records**. To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(h)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

(i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.

(ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

(iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C.§ § 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C.§ 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

(i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.

a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
b. *Reference Entity Records*- created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation

(ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.

(iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.

(iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/services/cjis. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

(U//~~REL TO USA~~, For awareness, the FBI is providing the following information related to the attempted assassination of former President Donald J. Trump (FPOTUS):

(U//~~REL TO USA~~, On 13 July 2024 at approximately 1815 hours, now-deceased subject Thomas Matthew Crooks attempted to assassinate FPOTUS during a political rally in Butler, Pennsylvania. FPOTUS sustained non-life-threatening injuries and was treated and released from a local area hospital. One individual that attended the rally was killed in the shooting and three other individuals were injured.

(U//~~REL TO USA~~, Numerous images of guns and various political and other key figures were found on Crooks' device. There were multiple images of President Biden (POTUS) and FPOTUS, while other individuals were represented in only one to two images. A review of file paths associated with these images concluded the majority of the images appeared in cache and likely were web images, not photographs or video files.
